September 5, 2017

HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive and discuss an overview of the Proposed Fiscal Year 2018 budgets for the following Departments: Harbor and Water; and,

Receive supporting documentation into the record, conclude the public hearing, and take the actions necessary to adopt the Fiscal Year 2018 budget as listed in Attachment A. (Citywide)

DISCUSSION

On July 31, 2017, the City Manager's Proposed Budget for Fiscal Year 2018 (FY 18) was delivered by Mayor Garcia to the City Council and community for consideration. Budget meetings were set for March 14, July 25, August 1, August 8, August 15, August 22, September 5, and September 12, along with six Budget Oversight Committee (BOC) meetings, and ten community meetings at which the FY 18 Proposed Budget was discussed. We are pleased to report that through the hearings, BOC and community meetings, there were 24 scheduled opportunities for public feedback, deliberation and input. In addition, this year, the City solicited input through the Long Beach Budget Priority Survey to obtain feedback on what the City's General Fund priorities should be. The survey was promoted, along with OpenLB, which shows the budget visually, on the City's website, through Twitter and Facebook, and at the community meetings.

At the conclusion of the hearing, the City Council will amend the proposed budget as it deems appropriate, and adopt the proposed budget as amended. Since the publication of the FY 18 Proposed Budget, updated estimates of revenue and expense, which primarily address technical corrections, are listed by fund and department in Attachments B, C and D to this letter. The reasons for the adjustments are discussed at the end of this letter.

There are three Ordinances in Attachment A. The first approves Resolution No. WD-1376 (A-3), which establishes the rates and charges for the water and sewer service. The second is the Appropriations Ordinance (A-17), which officially adopts the FY 18 budget and authorizes expenditures in conformance with the adopted budget. For these two Ordinances to become effective October 1, 2017, the City Council must first declare an

emergency to exist before adopting each Ordinance (A-2 and A-16). The third Ordinance amends the Departmental Organization of the City (A-13).

There are also five Resolutions that provide for approval of the budget for the Harbor Department (A-1), the budget for the Water Department (A-4), the Master Fees and Charges Schedule (A-5), establish the Gann Appropriations Limit (A-9), and amend Salary Resolution (A-14). There are also motions that request approvals for the following: the FY 18 Capital Improvement Program (A-6); FY 18 Budget for the Long Beach Community Investment Company (A-7); the Harbor Revenue Fund Transfer (A-8); the revised Financial Policies as recommended by the BOC (A-10); the Mayor's Recommendations (A-11); the BOC Recommendations (A-12); and, a motion amending the Proposed FY 18 Budget (A-15).

This matter was reviewed by Deputy City Attorney Richard F. Anthony on August 21, 2017.

TIMING CONSIDERATIONS

In accordance with the City Charter, the FY 18 budget must be adopted by September 15, 2017. Should the City Council fail to adopt the budget by that date, the City Manager's FY 18 Proposed Budget will be deemed the budget for the 2018 Fiscal Year. The Mayor has five calendar days from City Council adoption of the budget to use his veto authority. The City Council would then have until September 30, 2017, to override veto action by the Mayor with a two-thirds supermajority vote (six Councilmembers).

FISCAL IMPACT

The City Charter requires that the Appropriations Ordinance shall govern and control the expenditure and commitment amounts stated therein relating to the City's departments, offices and agencies during each fiscal year. The total Proposed FY 18 budget for all departments and funds is \$3,071,784,105, which comprises \$2,647,704,022 in new appropriation and \$424,080,083 in estimated carry-over from FY 17 for multi-year grants and projects. Attachments B, C and D provide the financial overview by Fund, by Department and Citywide revenue by Fund.

The Appropriations Ordinance, included as Attachment A-17, totals \$2,212,002,992 for all funds except Harbor, Sewer, and Water, and \$2,218,005,775 for all departments except Harbor and Water. The \$6,002,783 difference between funds and departments is due to general City indirect costs budgeted in the Financial Management Department, but charged to the Harbor, Water and Sewer funds, which are not included in the Appropriations Ordinance by fund.

The proposed Harbor, Water and Sewer fund budgets are in separate City Council Resolutions included as Attachment A-1 and A-4, respectively, and total \$859,781,113. The Board of Harbor Commissioners adopted the budget for the Harbor Department by

minute order on June 26, 2017. The Board of Water Commissioners adopted the budget for the Water Department by Resolution on June 15, 2017.

User fees and charges in the Master Fees and Charges Schedule, included as Attachment A-5, have been adjusted due to changes in service and other factors, including the City Cost Index adjustment. For details regarding these proposed new fees, deletions and adjustments, please see the List of Proposed Fees Adjustments for FY 18 that has been incorporated as Exhibits B and C to the Master Fees and Charges Resolution.

Other requested City Council actions include:

- Approving the FY 18 One-Year Capital Improvement Program (CIP) budget, included as Attachment A-6, which is contained in the Appropriations Ordinance. The Planning Commission, at its meeting of August 17, 2017, approved the CIP for FY 18 as conforming to the General Plan.
- Adopting a Resolution, included as Attachment A-9, establishing the Gann Appropriations Limit (Limit) for general purpose expenditures. In November 1979, the voters of the State of California (State) approved Proposition 4, also known as the Gann Initiative (Initiative). The Initiative places certain limits on the amount of tax revenue that can be appropriated each fiscal year. The Limit is based on actual appropriations during FY 79 and prevents overspending proceeds of taxes. Only those revenues which are considered as “proceeds of taxes” are subject to the Limit. The Limit is recalculated each fiscal year based on certain inflation and population factors provided by the State. The Proposed Budget includes tax revenue estimates that are at 39.75 percent of the 2017-2018 Appropriations Limit and, therefore, do not exceed the Limit. This calculation is reviewed by the City Auditor for conformance to the law.
- Adopting the Financial Policies for the City, included as Attachment A-10. These policies have been presented to the Budget Oversight Committee for consideration and review and now come to the full Council for deliberation. Among other changes, the Fund Balance Policy (Policy 7) is a preexisting financial policy that was previously separate from the other Financial Policies and is now incorporated into the main policy list. (A redline version of the changes is also provided.)
- Amending the Departmental Organization Ordinance, included as Attachment A-13. This amendment incorporates changes to departments, bureaus, and divisions for FY 18. These organizational changes are necessary to implement changes reflected in the Proposed FY 18 budget. (A redline version of the changes is also provided.)
- Adopting the Salary Resolution, included as Attachment A-14.

After the City Manager delivered the FY 18 Proposed Budget to the Mayor, technical adjustments were made to the budget. These changes are generally not substantive and are shown in Attachments B, C and D. Changes of note include:

1. The Tidelands Operations Fund (TF 401) had an adjustment to increase the revenues by \$888,850 to reflect the anticipated updated FY 18 operating transfer from Harbor Revenue Fund (HR 430).
2. The Gasoline Tax Street Improvement Fund (SR 181) had an increase of \$794,943 in expense and \$430,336 in revenues due to revisions to estimated local return revenue anticipated from the Road Maintenance and Rehabilitation Account (SB-1). Per draft requirements currently under review from the California Transportation Commission, all SB-1 revenues must be programmed and adopted in the City's annual budget. The additional revenue has been programmed for residential street improvements.
3. The Transportation Fund (SR 182) had a technical adjustment to increase expense budget by \$400,000 to reflect an increase in Measure R revenues eligible for administrative expenses.
4. Expenses were reduced in the Gas Fund (EF 301) by \$500,000 to reflect a reduction in the annual transfer to the General Fund (GF).

The remaining changes were minor, technical adjustments made to various funds and departments to align budget with grants and/or revenues.

SUGGESTED ACTION:

Approve recommendation

Respectfully submitted,

JOHN GROSS
DIRECTOR OF FINANCIAL MANAGEMENT

APPROVED:

PATRICK H. WEST
CITY MANAGER

List of Requested Fiscal Year 2018 Budget Adoption Actions

1. Adopt the Resolution approving the FY 18 budget for the Long Beach Harbor Department as adopted by the Board of Harbor Commissioners on June 26, 2017. (A-1)
2. Declare an emergency to exist. (A-2)
3. Declare the Ordinance approving the Resolution No. WD-1376 establishing the rates and charges for water and sewer service to all customers, as adopted by the Board of Water Commissioners on June 15, 2017, as an Emergency Ordinance, read, and adopted as read and laid over to the next regular meeting of the City Council for final reading. (A-3)
4. Adopt the Resolution approving the FY 18 budget of the Long Beach Water Department as adopted by the Board of Water Commissioners on June 15, 2017. (A-4)
5. Adopt the Resolution amending the Master Fees and Charges Schedule for specified City services for Citywide fees and charges for the City of Long Beach. (A-5)
6. Approve the FY 18 One-Year Capital Improvement Program. (A-6)
7. Adopt a motion approving the FY 18 budget for the Long Beach Community Investment Company (formerly known as the Long Beach Housing Development Company) in the amount of \$3,324,867. (A-7)
8. Adopt a motion approving the estimated transfer of \$18,661,550 from the Harbor Revenue Fund to the Tidelands Operations Fund. (A-8)
9. Adopt the Resolution establishing the Gann Appropriations Limit (Limit) for FY 18 pursuant to Article XIII (B) of the California Constitution. (A-9)
10. Adopt a motion approving the Financial Policies as recommended by the Budget Oversight Committee on September 5, 2017. (A-10)
11. Adopt the Mayor's proposed budget recommendations to the FY 18 Proposed Budget. (A-11)
12. Adopt the Budget Oversight Committee's proposed funding recommendations, as amended, to the FY 18 Proposed Budget. (A-12)
13. Declare the Ordinance amending the Departmental Organization Ordinance read the first time and laid over to the next regular meeting of the City Council for final reading. (A-13)
14. Adopt the amended Salary Resolution for FY 18. (A-14)
15. Adopt a motion amending the proposed FY 18 budget. (A-15)
16. Declare an emergency to exist. (A-16)
17. Declare the Appropriations Ordinance for FY 18, creating and establishing the funds of the Municipal Government and appropriating money to and authorizing expenditures from said funds and for said fiscal year as an Emergency Ordinance, read, and adopted as read and laid over to the next regular meeting of the City Council for final reading. (A-17)

Memorandum

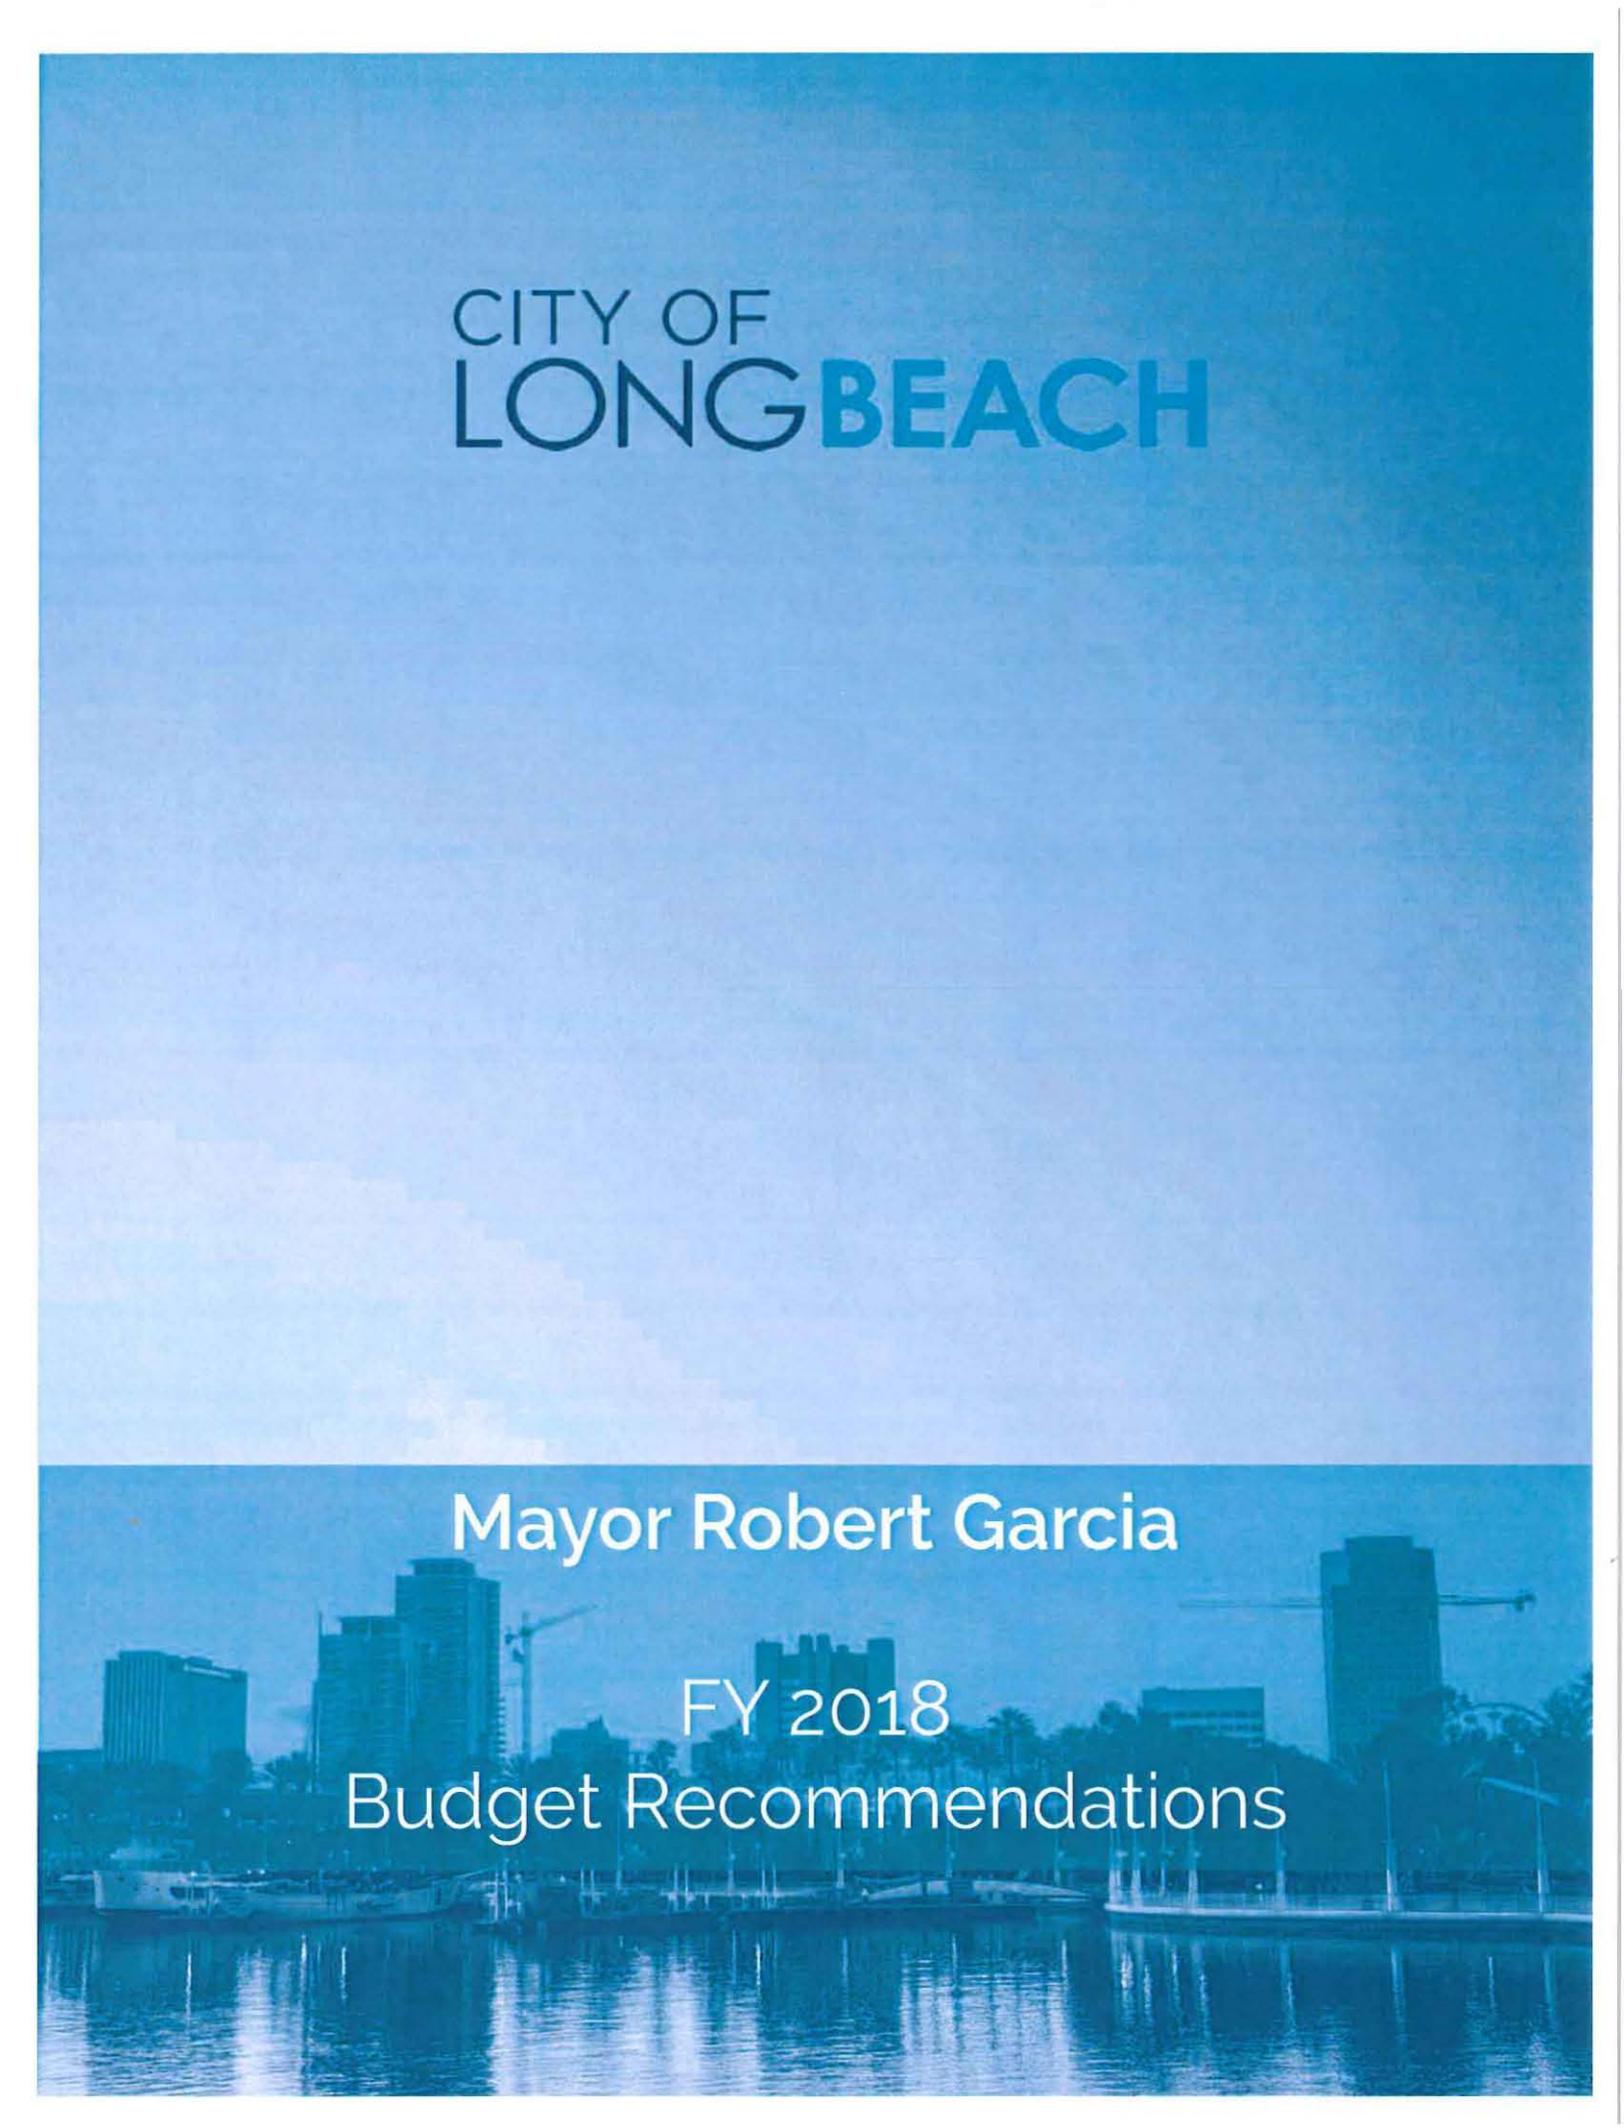

Mayor Robert Garcia
City of Long Beach

Date: July 31, 2017
To: Members of the City Council
From: Mayor Robert Garcia 
Subject: Mayor's FY18 Proposed Budget

Please find attached the FY18 Budget Message. Like last year, the Mayor's Office and City Manager worked closely to deliver another balanced budget focused on addressing the city's needs – making infrastructure repairs, enhancing public safety and investing in critical city services – while remaining fiscally responsible.

The City Manager and I look forward to working with the Council to adopt and implement this budget.

cc: Patrick West, City Manager
John Gross, Director, Financial Management

CITY OF
LONG BEACH

Mayor Robert Garcia

FY 2018
Budget Recommendations

2018 BUDGET MESSAGE | MAYOR ROBERT GARCIA

It is a pleasure to present the FY 2018 Budget in partnership with City Manager, Patrick West. This budget, like the previous three, is balanced and responsible. Long Beach continues to live within its means by facing challenges in a responsible and fiscally prudent manner. The FY 2018 budget also includes large new investments in public safety, infrastructure repair, and other critical services to move Long Beach forward.

Several new revenue sources – local measures MA and M, Senate Bill 1, and a new Metro contract – combined with Measure A, provide significant revenues to invest in infrastructure work and public safety in Long Beach. Measure A, passed by Long Beach voters in 2016, funds 37 new positions in the Police and Fire departments. Measure A is also funding targeted patrols, an expanded police academy, and safety camera modernization and expansion. An additional 28 positions in the LBPD are included in this budget, thanks to a contract with Metro allowing the Long Beach Police Department to provide safety services along the Blue Line in Long Beach.

Thanks to Measure A and new revenues from Measure M and SB1, Long Beach has embarked on the largest infrastructure program in a generation. The attached map shows our Infrastructure Investment Plan – one that will reach every neighborhood in the city. More than 50 miles of streets with sidewalks will be repaired, as will 34 parks, 10 libraries, and 21 other city facilities. Also included in this message is a list of projects that are funded in this year alone.

These investments will help make Long Beach the city that residents deserve. That was the commitment made when Measure A was proposed, and the City is keeping its promise in this budget: Measure A funds will only be used for investments in infrastructure and to maintain and improve public safety. These additional investments will enable the Public Works team to pave more streets and to improve parks and other facilities, making Long Beach better able to serve its residents today and into the future.

The FY 18 budget also makes investments to expand efforts to beautify our city and to keep it clean. This budget funds four Clean Teams that will be dedicated to daily corridor checks and collection efforts, two positions dedicated to homeless cleanup activities, and seven dedicated vehicles. This is the start of a more focused and directed effort that will be launching shortly. This budget also increases staffing for Animal Care Services to improve our pet adoption efforts, maintains Sunday library hours, and fully funds the six-week Municipal Band schedule.

This budget also makes critical investments in technology, including upgrades to the City's phone system, which will allow for the creation of a single phone number to access any city service; upgrades to our 911 location identification system; and enhancements of our open data portal, geo hub and website.

While these tech investments are a good start, more must be invested into critical technologies to help move this city forward. The City Manager has been asked to develop a proposal for additional technology investments to include: a centralized, city-wide system to improve management of service requests, investments into a municipal fiber network and other critical investments into our technology infrastructure. These investments must be made now to improve service to residents and to serve them better in coming years. The report recommendations will be presented to the Council for consideration in October.

Long Beach has worked hard to structurally balance its budget, manage pension liabilities, and continue providing core services. This budget reflects these priorities. Residents should be proud of this fiscal responsibility and the progress that has been made.

INFRASTRUCTURE INVESTMENT PLAN

CITY OF LONG BEACH INFRASTRUCTURE INVESTMENT PLAN - YEAR 2 UPDATE

FY 18 MEASURE A PROJECTS

Title	Est. Cost	Description
STREETS		
Arterial Streets	\$6,902,739	Design and repair streets to extend their useful life and implement the City's "complete streets" policy.
Citywide Slurry Seal	\$2,670,000	Repair residential streets through slurry sealing and pavement sealing.
Alley Repairs	\$1,800,000	Repair alleys to extend their useful life.
Sidewalk Curb Ramps	\$2,700,000	Construct curb ramp improvements citywide.
Smart Street Light Technology	\$210,500	Expansion of the City's pilot to install smart technology on the new LED street light system.
Traffic Signage Replacement	\$50,000	Replace worn and old signage such as stop signs, street signs or other traffic signage.
TOTAL	\$14,333,239	
PARKS & RECREATION		
Rancho Los Alamitos	\$500,000	Repairs and maintenance upgrades to the Rancho. This completes the Measure A commitment to the Rancho.
Rancho Los Cerritos	\$500,000	Repairs and maintenance upgrades to the Rancho. This completes the Measure A commitment to the Rancho.
Houghton Park	\$4,000,000	Funding for new community center.
Game Field Upgrades	\$480,000	Upgrades to fields at Admiral Kidd, Hudson, and Veterans Parks.
Irrigation System Replacement	\$357,500	Upgrades and replacement of park irrigation systems citywide.
Recreation Building Repairs	\$250,000	Rehabilitation of existing buildings to enhance functional uses and maximize operating efficiencies.
TOTAL	\$6,087,500	
PUBLIC FACILITIES		
Convention Center Improvements	\$1,000,000	Repairs and maintenance to the Convention Center complex. This completes the Measure A commitment.
City Building Refurbishment	\$2,536,000	Refurbishment of City buildings to minimize structural deficiencies and extend facility useful life.
Fire Facilities Modernization	\$605,000	Modernization of fire stations citywide.
Facility Assessments	\$200,000	Update of the City's Facility Condition Assessment Study.
TOTAL	\$4,341,000	
UTILITIES
