15. (15-0093) Recommendation to receive and file the application of Super Mex Restaurants, Incorporated, dba Super Mex, for an original application of an Alcoholic Beverage Control License, at 4709-4711 East 2nd Street. (District 3)	Joel Colbert	joel.colbert@gmail.com			Long Beach	CA	90803	I strongly support Super Mex Restaurant's application for an ABC license for their 2nd. St. location. I have been a loyal customer since they opened and have gotten to know the Orozco family. In my opinion, they are very community-oriented and excellent owners of all the Super Mex restaurants. They food is outstanding. I look forward to having a margarita with my meal. Please approve their application. Thank you in advance.	2/1/2015
22. (15-0102) Recommendation to request a resolution making the month of February 2015 be officially deemed "Spay/Neuter Awareness Month" in an effort to reduce the amount of homeless animals and euthanasia in Long Beach, while promoting healthy pet practices and donations to organizations that provide spay and neuter services.	Judith McMahon	judia1@aol.com			Long Beach	CA	90815	As a life-long resident and voter in the City of Long Beach, and a responsible pet owner, I would support this resolution as an alternative to mandatory spay neuter, as those of us who truly care about animals in this City support public education and outreach to help citizens better understand how to be a responsible pet owner. The Council should be aware that organizations such as the American Kennel Club, ASPCA, Best Friends and HSUS support public education and voluntary spay/neuter.	2/3/2015

Constance Koehler	ckoehler@pacbell.net			Rancho Palos Verdes	CA	90275	As a one of a team sponsored by the American Kennel Club that has visited with the offices of Vice-Mayor Lowenthal, Councilmen Richardson, and Councilwomen Mungo and Price, I welcome this resolution aimed at voluntary spay/neuter policies which are already succeeding very well in the city. Our team has also recommended such public education and outreach in lieu of mandatory spay/neuter laws, as has the AKC, ASPCA, Best Friends Animal Society and the HSUS, among other animal-welfare orgs.	2/3/2015

Kimberly Buchanan	kim@joyridek9.com			Long Beach	CA	90808	I think this is a great opportunity for community outreach! And a great way to bring spay/neuter options to the community WITHOUT MANDATORY SPAY/NEUTER!!!! MANY respected organizations and individuals support s/n but NOT if it is mandatory (AKC, HSUS, ASPCA, Best Friends, AVMA, etc.) because that just doesn't work! Please incentivize not penalize....Thank you!	2/3/2015
