AGREEMENT

30870

THIS AGREEMENT is made and entered, in duplicate, as of August 28, 2008, for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting on August 19, 2008, by and between A & A TOWING, INC., a California corporation, with a place of business at 3240 Cherry Avenue, Long Beach, California 90807 ("Vendor"), and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, City requires specialized services requiring unique skills to be performed in connection with As-Needed Towing Services ("Project"); and

WHEREAS, City has selected Vendor in accordance with City's administrative procedures using a Request for Proposals ("RFP"), attached hereto and incorporated herein as Exhibit "A-1", and City has determined that Vendor and its employees are qualified, licensed, if so required, and experienced in performing these specialized services; and

WHEREAS, City desires to have Vendor perform these specialized services, and Vendor is willing and able to do so on the terms and conditions in this Agreement;

NOW, THEREFORE, in consideration of the mutual terms, covenants, and conditions in this Agreement, the parties agree as follows:

1. SCOPE OF WORK OR SERVICES.

A. Vendor shall furnish specialized services more particularly described in Exhibit "A-2", attached to this Agreement and incorporated by this reference, in accordance with the standards of the profession, and City shall pay for these services in the manner described below, at the rates or charges shown in Exhibit "A-2".

B. City shall pay Vendor in due course of payments following receipt from Vendor and approval by City of invoices showing the services or task

1 performed and the time expended. Vendor shall certify on the invoices that
2 Vendor has performed the services in full conformance with this Agreement and is
3 entitled to receive payment.

4 C. Vendor represents that Vendor has obtained all necessary
5 information on conditions and circumstances that may affect its performance and
6 has conducted site visits, if necessary.

7 D. By executing this Agreement, Vendor warrants that Vendor (a)
8 has thoroughly investigated and considered the scope of services to be performed,
9 (b) has carefully considered how the services should be performed, and (c) fully
10 understands the facilities, difficulties and restrictions attending performance of the
11 services under this Agreement. If the services involve work upon any site, Vendor
12 warrants that Vendor has or will investigate the site and is or will be fully
13 acquainted with the conditions there existing, prior to commencement of services
14 set forth in this Agreement. Should Vendor discover any latent or unknown
15 conditions that will materially affect the performance of the services set forth in this
16 Agreement, Vendor must immediately inform the City of that fact and may not
17 proceed except at Vendor's risk until written instructions are received from City.

18 E. Vendor must adopt reasonable methods during the life of the
19 Agreement to furnish continuous protection to the work, and the equipment,
20 materials, papers, documents, plans, studies and other components to prevent
21 losses or damages, and will be responsible for all damages, to persons or
22 property, until acceptance of the work by the City, except those losses or damages
23 as may be caused by the City's own negligence.

24 F. CAUTION: Vendor shall not begin work until this Agreement
25 has been signed by both parties and until Vendor's evidence of insurance has
26 been delivered to and approved by City.

27 2. TERM. The term of this Agreement shall commence at midnight on
28 October 1, 2008, and shall terminate at 11:59 p.m. on September 30, 2009, unless

1 sooner terminated as provided in this Agreement, or unless the services or the Project is
2 completed sooner.

3 3. COORDINATION AND ORGANIZATION.

4 A. Vendor shall coordinate its performance with City's
5 representative, if any, named in Exhibit "B", attached to this Agreement and
6 incorporated by this reference. Vendor shall advise and inform City's
7 representative of the work in progress on the Project in sufficient detail so as to
8 assist City's representative in making presentations and in holding meetings on
9 the Project. City shall furnish to Vendor information or materials, if any, described
10 in Exhibit "C", attached to this Agreement and incorporated by this reference, and
11 shall perform any other tasks described in the Exhibit.

12 B. The parties acknowledge that a substantial inducement to City
13 for entering this Agreement was and is the reputation and skill of Vendor's key
14 employee, Zubin Fitter. City shall have the right to approve any person proposed
15 by Vendor to replace that key employee.

16 4. INDEPENDENT CONTRACTOR. In performing its services, Vendor
17 is and shall act as an independent contractor and not an employee, representative or
18 agent of City. Vendor shall have control of Vendor's work and the manner in which it is
19 performed. Vendor shall be free to contract for similar services to be performed for
20 others during this Agreement; provided, however, that Vendor acts in accordance with
21 Section 9 and Section 11 of this Agreement. Vendor acknowledges and agrees that (a)
22 City will not withhold taxes of any kind from Vendor's compensation; (b) City will not
23 secure workers' compensation or pay unemployment insurance to, for or on Vendor's
24 behalf; and (c) City will not provide and Vendor is not entitled to any of the usual and
25 customary rights, benefits or privileges of City employees. Vendor expressly warrants
26 that neither Vendor nor any of Vendor's employees or agents shall represent themselves
27 to be employees or agents of City.

28 5. INSURANCE.

1 A. As a condition precedent to the effectiveness of this
2 Agreement, Vendor shall procure and maintain, at Vendor's expense for the
3 duration of this Agreement, from insurance companies that are admitted to write
4 insurance in California and have ratings of or equivalent to A:V by A.M. Best
5 Company or from authorized non-admitted insurance companies subject to
6 Section 1763 of the California Insurance Code and that have ratings of or
7 equivalent to A:VIII by A.M. Best Company, the following insurance:

8 (a) Commercial general liability insurance (equivalent in scope to
9 ISO form CG 00 01 11 85 or CG 00 01 10 93) in an amount not less than
10 \$1,000,000 per each occurrence and \$2,000,000 general aggregate. This
11 coverage shall include but not be limited to broad form contractual liability,
12 cross liability, independent contractors liability, and products and
13 completed operations liability. City, its boards and commissions, and their
14 officials, employees and agents shall be named as additional insureds by
15 endorsement (on City's endorsement form or on an endorsement
16 equivalent in scope to ISO form CG 20 10 11 85 or CG 20 26 11 85), and
17 this insurance shall contain no special limitations on the scope of
18 protection given to City, its boards and commissions, and their officials,
19 employees and agents. This policy shall be endorsed to state that the
20 insurer waives its right of subrogation against City, its boards and
21 commissions, and their officials, employees and agents.

22 (b) Workers' Compensation insurance as required by the California
23 Labor Code and employer's liability insurance in an amount not less than
24 \$1,000,000. This policy shall be endorsed to state that the insurer waives
25 its right of subrogation against City, its boards and commissions, and their
26 officials, employees and agents.

27 (c) Professional liability or errors and omissions insurance in an
28 amount not less than \$1,000,000 per claim.

1 (d) Commercial automobile liability insurance (equivalent in scope
2 to ISO form CA 00 01 06 92), covering Auto Symbol 1 (Any Auto) in an
3 amount not less than \$500,000 combined single limit per accident.

4 B. Any self-insurance program, self-insured retention, or
5 deductible must be separately approved in writing by City's Risk Manager or
6 designee and shall protect City, its officials, employees and agents in the same
7 manner and to the same extent as they would have been protected had the policy
8 or policies not contained retention or deductible provisions.

9 C. Each insurance policy shall be endorsed to state that
10 coverage shall not be reduced, non-renewed or canceled except after thirty (30)
11 days prior written notice to City, shall be primary and not contributing to any other
12 insurance or self-insurance maintained by City, and shall be endorsed to state that
13 coverage maintained by City shall be excess to and shall not contribute to
14 insurance or self-insurance maintained by Vendor. Vendor shall notify City in
15 writing within five (5) days after any insurance has been voided by the insurer or
16 cancelled by the insured.

17 D. If this coverage is written on a "claims made" basis, it must
18 provide for an extended reporting period of not less than one hundred eighty (180)
19 days, commencing on the date this Agreement expires or is terminated, unless
20 Vendor guarantees that Vendor will provide to City evidence of uninterrupted,
21 continuing coverage for a period of not less than three (3) years, commencing on
22 the date this Agreement expires or is terminated.

23 E. Vendor shall require that all sub-Vendors or contractors that
24 Vendor uses in the performance of these services maintain insurance in
25 compliance with this Section unless otherwise agreed in writing by City's Risk
26 Manager or designee.

27 F. Prior to the start of performance, Vendor shall deliver to City
28 certificates of insurance and the endorsements for approval as to sufficiency and

1 form. In addition, Vendor shall, within thirty (30) days prior to expiration of the
2 insurance, furnish to City certificates of insurance and endorsements evidencing
3 renewal of the insurance. City reserves the right to require complete certified
4 copies of all policies of Vendor and Vendor's sub-Vendors and contractors, at any
5 time. Vendor shall make available to City's Risk Manager or designee all books,
6 records and other information relating to this insurance, during normal business
7 hours.

8 G. Any modification or waiver of these insurance requirements
9 shall only be made with the approval of City's Risk Manager or designee. Not
10 more frequently than once a year, City's Risk Manager or designee may require
11 that Vendor, Vendor's sub-Vendors and contractors change the amount, scope or
12 types of coverages required in this Section if, in his or her sole opinion, the
13 amount, scope or types of coverages are not adequate.

14 H. The procuring or existence of insurance shall not be
15 construed or deemed as a limitation on liability relating to Vendor's performance or
16 as full performance of or compliance with the indemnification provisions of this
17 Agreement.

18 6. ASSIGNMENT AND SUBCONTRACTING. This Agreement
19 contemplates the personal services of Vendor and Vendor's employees, and the parties
20 acknowledge that a substantial inducement to City for entering this Agreement was and is
21 the professional reputation and competence of Vendor and Vendor's employees. Vendor
22 shall not assign its rights or delegate its duties under this Agreement, or any interest in
23 this Agreement, or any portion of it, without the prior approval of City, except that Vendor
24 may with the prior approval of the City Manager of City, assign any moneys due or to
25 become due Vendor under this Agreement. Any attempted assignment or delegation
26 shall be void, and any assignee or delegate shall acquire no right or interest by reason of
27 an attempted assignment or delegation. Furthermore, Vendor shall not subcontract any
28 portion of its performance without the prior approval of the City Manager or designee, or

1 substitute an approved sub-Vendor or contractor without approval prior to the
2 substitution. Nothing stated in this Section shall prevent Vendor from employing as many
3 employees as Vendor deems necessary for performance of this Agreement.

4 7. CONFLICT OF INTEREST. Vendor, by executing this Agreement,
5 certifies that, at the time Vendor executes this Agreement and for its duration, Vendor
6 does not and will not perform services for any other client which would create a conflict,
7 whether monetary or otherwise, as between the interests of City and the interests of that
8 other client. And, Vendor shall obtain similar certifications from Vendor's employees,
9 sub-Vendors and contractors.

10 8. MATERIALS. Vendor shall furnish all labor and supervision,
11 supplies, materials, tools, machinery, equipment, appliances, transportation and services
12 necessary to or used in the performance of Vendor's obligations under this Agreement,
13 except as stated in Exhibit "C".

14 9. OWNERSHIP OF DATA. All materials, information and data
15 prepared, developed or assembled by Vendor or furnished to Vendor in connection with
16 this Agreement, including but not limited to documents, estimates, calculations, studies,
17 maps, graphs, charts, computer disks, computer source documentation, samples,
18 models, reports, summaries, drawings, designs, notes, plans, information, material and
19 memorandum ("Data") shall be the exclusive property of City. Data shall be given to City,
20 and City shall have the unrestricted right to use and disclose the Data in any manner and
21 for any purpose without payment of further compensation to Vendor. Copies of Data may
22 be retained by Vendor but Vendor warrants that Data shall not be made available to any
23 person or entity for use without the prior approval of City. This warranty shall survive
24 termination of this Agreement for five (5) years.

25 10. TERMINATION. Either party shall have the right to terminate this
26 Agreement for any reason or no reason at any time by giving fifteen (15) calendar days
27 prior notice to the other party. In the event of termination under this Section, City shall
28 pay Vendor for services satisfactorily performed and costs incurred up to the effective

1 date of termination for which Vendor has not been previously paid. The procedures for
2 payment in Section 1.B. with regard to invoices shall apply. On the effective date of
3 termination, Vendor shall deliver to City all Data developed or accumulated in the
4 performance of this Agreement, whether in draft or final form, or in process. And, Vendor
5 acknowledges and agrees that City's obligation to make final payment is conditioned on
6 Vendor's delivery of the Data to City.

7 11. CONFIDENTIALITY. Vendor shall keep all Data confidential and
8 shall not disclose the Data or use the Data directly or indirectly, other than in the course
9 of performing its services, during the term of this Agreement and for five (5) years
10 following expiration or termination of this Agreement. In addition, Vendor shall keep
11 confidential all information, whether written, oral or visual, obtained by any means
12 whatsoever in the course of performing its services for the same period of time. Vendor
13 shall not disclose any or all of the Data to any third party, or use it for Vendor's own
14 benefit or the benefit of others except for the purpose of this Agreement.

15 12. BREACH OF CONFIDENTIALITY. Vendor shall not be liable for a
16 breach of confidentiality with respect to Data that: (a) Vendor demonstrates Vendor knew
17 prior to the time City disclosed it; or (b) is or becomes publicly available without breach of
18 this Agreement by Vendor; or (c) a third party who has a right to disclose does so to
19 Vendor without restrictions on further disclosure; or (d) must be disclosed pursuant to
20 subpoena or court order.

21 13. ADDITIONAL SERVICES. The City has the right at any time during
22 the performance of the services, without invalidating this Agreement, to order extra work
23 beyond that specified in the RFP or make changes by altering, adding to or deducting
24 from the work. No extra work may be undertaken unless a written order is first given by
25 the City, incorporating any adjustment in the Agreement Sum, or the time to perform this
26 Agreement. Any increase in compensation of ten percent (10%) or less of the Agreement
27 Sum, or in the time to perform of One Hundred Eighty (180) days or less, may be
28 approved by the City Representative. Any greater increases, taken either separately or

1 cumulatively, must be approved by the City Council. It is expressly understood by
2 Vendor that the provisions of this paragraph do not apply to services specifically set forth
3 in the RFP or reasonably contemplated in the RFP. Vendor acknowledges that it accepts
4 the risk that the services to be provided pursuant to the RFP may be more costly or time
5 consuming than Vendor anticipates and that Vendor will not be entitled to additional
6 compensation for the services set forth in the RFP.

7 14. RETENTION OF FUNDS. Vendor authorizes the City to deduct from
8 any amount payable to Vendor (whether or not arising out of this Agreement) any
9 amounts the payment of which may be in dispute or that are necessary to compensate
10 the City for any losses, costs, liabilities or damages suffered by the City, and all amounts
11 for which the City may be liable to third parties, by reason of Vendor's acts or omissions in
12 performing or failing to perform Vendor's obligations under this Agreement. In the event
13 that any claim is made by a third party, the amount or validity of which is disputed by
14 Vendor, or any indebtedness exists that appears to be the basis for a claim of lien, the
15 City may withhold from any payment due, without liability for interest because of the
16 withholding, an amount sufficient to cover the claim. The failure of the City to exercise
17 the right to deduct or to withhold will not, however, affect the obligations of Vendor to
18 insure, indemnify and protect the City as elsewhere provided in this Agreement.

19 15. AMENDMENT. This Agreement, including all Exhibits, shall not be
20 amended, nor any provision or breach waived, except in writing signed by the parties
21 which expressly refers to this Agreement.

22 16. LAW.

23 A. This Agreement shall be governed by and construed pursuant
24 to the laws of the State of California (except those provisions of California law
25 pertaining to conflicts of laws). Vendor shall comply with all laws, ordinances,
26 rules and regulations of and obtain all permits, licenses and certificates required
27 by all federal, state and local governmental authorities. Jurisdiction of any
28 litigation arising from the Agreement will be in Los Angeles County, California.

1 B. If any part of this Agreement is found to be in conflict with
2 applicable laws, that part will be inoperative, null and void insofar as it is in conflict
3 with any applicable laws, but the remainder of the Agreement will remain in full
4 force and effect.

5 17. ENTIRE AGREEMENT. This Agreement, including all Exhibits,
6 constitutes the entire understanding between the parties and supersedes all other
7 agreements, oral or written, with respect to the subject matter in this Agreement.

8 18. INDEMNITY. Vendor shall, with respect to services performed in
9 connection with this Agreement, indemnify and hold harmless City, its Boards,
10 Commissions, and their officials, employees and agents (collectively in this Section, "City")
11 from and against any and all liability, claims, allegations, demands, damage, loss, causes
12 of action, proceedings, penalties, costs and expenses (including attorney's fees, court
13 costs, and expert and witness fees) (collectively "Claims" or individually "Claim") arising,
14 directly or indirectly, in whole or in part, out of any negligent act or omission of Vendor, its
15 officers, employees, agents, sub-Vendors or anyone under Vendor's control (collectively
16 "Indemnitor"), breach of this Agreement by Indemnitor, misrepresentation or willful
17 misconduct by Indemnitor, and Claims by any employee of Indemnitor relating in any way
18 to workers' compensation. Independent of the duty to indemnify and as a free-standing
19 duty on the part of Vendor, Vendor shall defend City and shall continue this defense until
20 the Claim is resolved, whether by settlement, judgment or otherwise. No finding or
21 judgment of negligence, fault, breach or the like on the part of Indemnitor shall be
22 required for the duty to defend to arise. Vendor shall notify City of any Claim within ten
23 (10) days. Likewise, City shall notify Vendor of any Claim, shall tender the defense of the
24 Claim to Vendor, and shall assist Vendor at Vendor's sole expense, as may be
25 reasonably requested, in the defense.

26 19. FORCE MAJEURE. If any party fails to perform its obligations
27 because of strikes, lockouts, labor disputes, embargoes, acts of God, inability to obtain
28 labor or materials or reasonable substitutes for labor materials, governmental restrictions,

1 governmental regulations, governmental controls, judicial orders, enemy or hostile
2 governmental action, civil commotion, fire or other casualty, or other causes beyond the
3 reasonable control of the party obligated to perform, then that party's performance will be
4 excused for a period equal to the period of such cause for failure to perform.

5 20. AMBIGUITY. In the event of any conflict or ambiguity between this
6 Agreement and any Exhibit, the provisions of this Agreement shall govern.

7 21. COSTS. If there is any legal proceeding between the parties to
8 enforce or interpret this Agreement or to protect or establish any rights or remedies under
9 it, the prevailing party shall be entitled to its costs, including reasonable attorneys' fees.

10 22. NONDISCRIMINATION.

11 A. In connection with performance of this Agreement and subject
12 to applicable rules and regulations, Vendor shall not discriminate against any
13 employee or applicant for employment because of race, religion, national origin,
14 color, age, sex, sexual orientation, gender identity, AIDS, HIV status, handicap or
15 disability. Vendor shall ensure that applicants are employed, and that employees
16 are treated during their employment, without regard to these bases. These actions
17 shall include, but not be limited to, the following: employment, upgrading, demotion
18 or transfer; recruitment or recruitment advertising; layoff or termination; rates of
19 pay or other forms of compensation; and selection for training, including
20 apprenticeship.

21 B. It is the policy of City to encourage the participation of
22 Disadvantaged, Minority and Women-Owned Business Enterprises in City's
23 procurement process, and Vendor agrees to use its best efforts to carry out this
24 policy in its use of sub-Vendors and contractors to the fullest extent consistent with
25 the efficient performance of this Agreement. Vendor may rely on written
26 representations by sub-Vendors and contractors regarding their status. City's
27 policy is attached as Exhibit "D" to this Agreement. Vendor shall report to City in
28 May and in December or, in the case of short-term agreements, prior to invoicing

1 for final payment, the names of all sub-Vendors and contractors hired by Vendor
2 for this Project and information on whether or not they are a Disadvantaged,
3 Minority or Women-Owned Business Enterprise, as defined in Section 8 of the
4 Small Business Act (15 U.S.C. Sec. 637).

5 23. NOTICES. Any notice or approval required by this Agreement shall
6 be in writing and personally delivered or deposited in the U.S. Postal Service, first class,
7 postage prepaid, addressed to Vendor at the address first stated above, and to City at
8 333 West Ocean Boulevard, Long Beach, California 90802, Attn: City Manager, with a
9 copy to the City Clerk at the same address. Notice of change of address shall be given in
10 the same manner as stated for other notices. Notice shall be deemed given on the date
11 deposited in the mail or on the date personal delivery is made, whichever occurs first.

12 24. WAIVER. The acceptance of any services or the payment of any
13 money by City shall not operate as a waiver of any provision of this Agreement or of any
14 right to damages or indemnity stated in this Agreement. The waiver of any breach of this
15 Agreement shall not constitute a waiver of any other or subsequent breach of this
16 Agreement.

17 25. CONTINUATION. Termination or expiration of this Agreement shall
18 not affect rights or liabilities of the parties which accrued pursuant to Sections 7, 10, 11,
19 18, 21 and 28 prior to termination or expiration of this Agreement.

20 26. TAX REPORTING. As required by federal and state law, City is
21 obligated to and will report the payment of compensation to Vendor on Form 1099-Misc.
22 Vendor shall be solely responsible for payment of all federal and state taxes resulting
23 from payments under this Agreement. Vendor's Employer Identification Number is [REDACTED]
24 [REDACTED] If Vendor has a Social Security Number rather than an Employer Identification
25 Number, then Vendor shall submit that Social Security Number in writing to City's
26 Accounts Payable, Department of Financial Management. Vendor acknowledges and
27 agrees that City has no obligation to pay Vendor until Vendor provides one of these
28 numbers.

1 27. ADVERTISING. Vendor shall not use the name of City, its officials
2 or employees in any advertising or solicitation for business or as a reference, without the
3 prior approval of the City Manager or designee.

4 28. AUDIT. City shall have the right at all reasonable times during the
5 term of this Agreement and for a period of five (5) years after termination or expiration of
6 this Agreement to examine, audit, inspect, review, extract information from and copy all
7 books, records, accounts and other documents of Vendor relating to this Agreement.

8 29. THIRD PARTY BENEFICIARY. This Agreement is not intended or
9 designed to or entered for the purpose of creating any benefit or right for any person or
10 entity of any kind that is not a party to this Agreement.

11 30. INTERPRETATION. The terms of this Agreement should be
12 construed in accordance with the meaning of the language used and should not be
13 construed for or against either party by reason of the authorship of this Agreement or any
14 other rule of construction that might otherwise apply.

15 31. VENDOR'S AUTHORITY TO EXECUTE. The persons executing this
16 Agreement on behalf of the Vendor warrant that (1) the Vendor is duly organized and
17 existing; (2) they are duly authorized to execute this Agreement on behalf of the Vendor;
18 (3) by so executing this Agreement, the Vendor is formally bound to the provisions of this
19 Agreement; and (4) the entering into this Agreement does not violate any provision of any
20 other Agreement to which the Vendor is bound.

Should any combination of the above violations of the Contract provisions occur three (3) times within a thirty (30) day period, the City may terminate the Primary Proposer and subsequently upgrade the Secondary Proposer to Primary Proposer status.

CONTRACT TERMINATION

The City, acting through the Contract Administrator, may terminate this Contract when there is reason to believe the Proposer has breached the Contract, or violated the rules and directives, terms and conditions of the Contract, or for violations of any City, State or Federal laws. Grounds for such termination include, but are not limited to, the following:

- a) Failure to safeguard impounded vehicles or their contents properly.
- b) Failure to replace substandard, unauthorized, or dangerous equipment.
- c) Failure to maintain any equipment required under this Contract.
- d) Failure to pay collected fees to the Fleet Tow Dispatcher by the end of shift.
- e) Failure to report allegations of any crime by the Proposer, or any owner, part owner, partner, business associate, principal party, officer, or director.
- f) Failure to respond to 80% of standard contract tow requests or 80% of flatbed tow requests received in a calendar month.
- g) The need to take prompt action to safeguard the interests of the City and its citizens requires the Proposer to agree that neither the City nor any of its agencies, employees, officers, agents, or the Contract Administrator shall be liable for any summary suspension or for any damages incurred by the Proposer as a result thereof.

PERFORMANCE

The Proposer must provide all tow operators with, and require that they use in the daily performance of required duties as described in this Contract, all safety equipment commonly considered a required towing industry standard.

PRE-TRIP INSPECTION

Each tow operator shall complete a daily pre-trip equipment and vehicle inspection form at the beginning and end of his/her shift. Records of inspections shall be provided upon request of the Contract Administrator.

INFRINGEMENT

All Proposers will refrain from recommending or promoting their tow business or other business services when performing tow requests for the City and its agents. All Fleet Tow dispatched requests for tow service will result in the towed vehicle being stored at the City of Long Beach Police Impound Yard, located at 3111 E. Willow Street. Exceptions to the delivery of tows to the impound yard are tow requests from vehicle owners to deliver a disabled vehicle to a residence or repair facility, at which point the appropriate Fleet Tow rate is applied. This fee is currently charged at one hundred ten dollars (\$110.00), and must be collected and delivered to Fleet Tow Dispatcher by the end of the Contract tow truck operator/driver's shift. The act of soliciting

and/or recommending a business or service for personal financial gain or when acting as an agent for a body shop, repair shop, or legal service is strictly forbidden.

FIELD RELEASE

When the Proposer is requested to release a vehicle at the scene of a tow or to tow a vehicle to a residence by the impounding agency or the vehicle owner, the Proposer shall collect the appropriate fees in accordance with City of Long Beach/Towing Operations posted fee schedule. The Proposer will pay and deliver said fee to Fleet Tow Dispatch at 3111 E. Willow St., Long Beach CA 90806, along with its invoice, by the end of the Contract tow truck operator/driver's shift.

PAYMENT REQUIREMENTS

The Proposer shall submit, upon completion of each tow service, an invoice and a Fleet Tow Storage Report describing the following: vehicle license plate, vehicle identification number (VIN), description of vehicle, description of work, Fleet Tow invoice number which is assigned to each request for towing service, cost of tow, and time spent on tow. The cost of the tow shall be indicated as a per hour of measurement. Any request for service exceeding one (1) hour shall include a written explanation to justify the extended service time.

BILLING

The Proposer shall submit an original plus one (1) copy of a Monthly Summary Invoice, which shall be on the Proposer's business stationery, by the tenth (10th) working day of each calendar month for tows completed during the previous month. It shall list the Proposer's individual invoice number, Fleet Tow's invoice number, cost for each tow, and the number of tows for the month, and a total cost for the month. One (1) copy of the individual invoices shall also be submitted with the Monthly Summary Invoice. The City will review summary invoice costs, after which the Contract Administrator shall process accurate Monthly Summary Invoice for payment in due course of payments.

CHARGES

Storage and towing charges will be made for the following categories:

- a. The towing charge will be for each tow truck per call:
- b. The towing charge must include services of the driver of the tow truck and any other required personnel.
- c. The towing charge must include cleaning up and clearing of the accident site.

DISPUTES

In the event that any dispute may arise concerning any such charge made by the Proposer, the dispute will be decided by the Towing Operations Contract Administrator.

DAMAGE CLAIMS

The Proposer will be liable for all damage resulting from the removal and transport of any vehicle during transport and entrusted to the Proposer. The owner of a damaged vehicle, upon approval by the City Clerk's Office, may select a repair facility of choice, providing the repair estimate is considered a fair market price and does not provide an unjust enrichment to the claimant.

DAMAGE TO REAL PROPERTY

The Proposer shall be responsible for all damage to buildings, walls, windows, fences, garage doors, landscape, hardscape, bollards, driveways, pavement, and curbs during the recovery and removal of impounded vehicles. The Proposer shall make every effort to limit damage to real property and shall be responsible for damage caused by negligent recovery procedures.

RECORDS

The Proposer must keep at his principal place of business, complete and accurate records of all vehicles towed, impounded, or stored at the request of the City.

The record system must be adequate to enable Proposer to locate and/or provide a written report of storage or tow by:

- a) Vehicle by incident number only.
- b) Vehicle by license number only.
- c) Vehicle by the make, color, date or location of tow.

All records required to be kept by the Proposer must be available for inspection at all reasonable times by representatives of the City of Long Beach and the California Highway Patrol. Written reports may be required from time to time.

Proposer agrees to permit the City of Long Beach's authorized representative (including auditors from a private auditing firm hired by the City) access during normal working hours to all books, accounts, records, reports, files, financial records, supporting documentation, including payroll and accounts payable/receivable records, and other papers or property of Proposer for the purpose of auditing or inspecting any aspect of performance under this contract. The inspection and/or audit will be confined to those matters connected with the performance of the contract including, but not limited to, the costs of administering the contract. The City will provide reasonable notice of such audit or inspection.

The City reserves the right to audit and verify the Contractor's records before payment is made.

Proposer agrees to maintain such records for possible audit for a minimum of three years after final payment, unless a longer period of records retention is stipulated under this Contract or by law. Proposer agrees to allow interviews of any employees or others who might reasonably have information related to such records. Should proposer cease to exist as legal entity, the proposer's records pertaining to this contract shall be forwarded to the surviving entity in a merger or acquisition or, in the event of liquidation, to the City's Contract Administrator.
