Section 2.

A. Organization shall provide supportive services in conjunction with housing, outreach and assessment, transitional housing and supportive services, and permanent housing to meet the long-term needs of the homeless in accordance with all the following, which are incorporated herein by this reference:

(1) 24 CFR Ch. V (4-1-21 Edition) Part 578 Homeless Emergency Assistance and Rapid Transition to Housing: Continuum of Care Program

(2) CFR Title 2, Subtitle A, Part 200 - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 1-1-21 Edition"; and

(3) The following exhibits, which are all attached hereto- Attachment "A" entitled "Scope of Work", Attachment "B" entitled "Budget", Attachment "C" entitled "Award Identification", Attachment "D" entitled "Health Information in Compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH Act) Business Associate Agreement", Attachment "E" entitled "Certification Regarding Debarment", and Attachment "F" entitled "Certification Regarding Lobbying", and

(4) The Long Beach Continuum of Care Grants Guidelines, which has been provided separately to Organization.

B. Organization shall be responsible for adherence to all policies, procedures, rules and regulations contained in the 2021 HUD Continuum of Care NOFO (Notice of Funding Opportunity), applicable OMB Circulars, Long Beach Continuum of Care Grants Guidelines, this Subcontract and attachments A-F, the City of Long Beach Consolidated Plan, the Grant Agreement, the Request for Proposal ("RFP") if applicable or renewal application and Organization's proposal in response to the RFP, incorporated herein by this reference.

1 Section 3. The term of this Subcontract shall be the Operational Year
2 beginning on July 1, 2022, and ending on June 30, 2023, including an additional 6-month
3 post-operational period, unless sooner terminated as provided herein.

4 Section 4.

5 A. Organization shall affirmatively and aggressively use its best
6 efforts to seek and obtain all possible outside funding, cash and/or in-kind match at
7 the rate required by 24 CFR 578.73, and mainstream resources available to
8 continue the services identified in this Subcontract. Further, Organization shall
9 maintain cash reserves equivalent to three (3) months of funding necessary to
10 provide services under this Subcontract.

11 B. Total disbursements made to Organization under this Contract
12 by the City shall not exceed Four Hundred Thirty Thousand, Eight Dollars
13 (\$430,008) over the term of this Subcontract. Upon execution of this Subcontract,
14 the City shall disburse funds payable hereunder in due course of payments following
15 receipt from Organization of billing statements in a form approved by the City
16 showing expenditures and costs identified in Attachment "B".

17 C. The City shall pay to Organization the amounts specified in
18 Attachment "B" for the categories, criteria and rates established in that Attachment.
19 Organization may, with the prior written approval of the Director of the City's
20 Department of Health and Human Services, or his designee, make adjustments
21 within and among the categories of expenditures in Attachment "B"; provided,
22 however, that such adjustment(s) shall not cause the amount of the total budget
23 stated in Attachment "B" to be exceeded.

24 D. Organization shall prepare monthly invoices and submit them
25 to the City within fifteen (15) days after the end of the month in which Organization
26 provided services. Organization shall attach cancelled checks and other
27 documentation supporting the charges and the amount of required matching funds
28 to each invoice. Failure to submit an invoice and its accompanying documentation

1 within the 15-day period may result in late payment from the City. Submission of
2 incorrect invoices or inadequate documentation shall result in a Disallowed Cost
3 Report. The Disallowed Cost Report was created to provide detail to Organization
4 for the purpose of communicating disallowed costs due to reasons of insufficient
5 source documentation, ineligible expenses, exceeded line items, and similar
6 reasons. In the event that an item is disallowed in the invoice, Organization will be
7 permitted to resubmit the disallowed costs along with adequate source
8 documentation, other eligible expenses, and the like in the next invoice. The City
9 reserves the right to refuse payment of an invoice (a) for non-allocable or ineligible
10 expenses; or (b) for the unauthorized expense of funds requiring written approval
11 for budget changes or modifications.

12 E. Within thirty (30) days of the date of this Subcontract first stated
13 herein, Organization shall submit to the City invoices, cancelled checks and other
14 documentation supporting the charges incurred and required matching funds for all
15 expenses incurred within the applicable Operational Year of this Subcontract and
16 related to this grant of funds.

17 F. The City closes its fiscal year during the months of August and
18 September; Organization acknowledges and agrees that the City's payment of
19 invoices will be slightly slower during that time.

20 G. No later than thirty (30) days after the completion of the
21 Operational Year during the term of this Subcontract, Organization shall submit to
22 the City a final invoice and APR certified by one of Organization's officers or by its
23 Executive Director.

24 H. If the City is unable to draw down funds from HUD for
25 reimbursement to Organization due to failure of Organization to submit required final
26 invoice, certified APR, or fiscal and programmatic documents within thirty (30) days
27 after the end of the Operational Year, the City cannot guarantee payment to
28 Organization. For this reason, failure of Organization to submit the final invoice and

1 certified APR within thirty (30) days after the end of the Operational Year may result
2 in loss of reimbursement of funds.

3 I. The City reserves the right to withhold payment of an invoice
4 pending satisfactory completion of an audit, as determined by the City in its sole
5 discretion, or Organization's cure of a breach of this Subcontract, as determined by
6 the City in its sole discretion, after being notified of such breach by the City.

7 J. All reimbursement by the City is contingent upon the City's
8 receipt of funds from HUD. The City reserves the right to refuse payment of an
9 invoice until such time as it receives funds from HUD sufficient to cover the
10 expenses in the invoice.

11 K. The City has the option to unilaterally amend this subcontract
12 to reflect any increase or reduction of funds based on the Continuum of Care
13 Reallocation Policy and Procedures.

14 Section 5.

15 A. Organization's financial records relating to the performance of
16 this Subcontract shall be kept in accordance with generally accepted accounting
17 principles and in the manner prescribed by the City. Organization's records shall be
18 current and complete. The City and HUD, and their respective representatives, shall
19 have the right to examine, copy, inspect, extract from, and audit financial and other
20 records related, directly or indirectly, to this Subcontract during Organization's
21 normal business hours to include announced and unannounced site visits during the
22 term of the Subcontract and thereafter. If examination of these financial and other
23 records by the City and/or HUD reveals that Organization has not used these grant
24 funds for the purposes and on the conditions stated in this Subcontract, then
25 Organization covenants, agrees to and shall immediately repay all or that portion of
26 the grant funds which were improperly used. If Organization is unable to repay all
27 or that portion of the grant funds, then the City will terminate all activities of
28 Organization under this Subcontract and pursue appropriate legal action to collect

1 the funds. Alternatively, to the extent the City has been refusing payment of any
2 invoices, the City may continue to withhold such funds equal to the amount of
3 improperly used grant funds, regardless of whether the funds being withheld by the
4 City were improperly used.

5 B. In addition, Organization shall provide any information that the
6 City Auditor and other City representatives require in order to monitor and evaluate
7 Organization's performance hereunder. The City reserves the right to review and
8 request copies of all documentation related, directly or indirectly, to the program
9 funded by this Subcontract, including by way of example but not limited to, case
10 files, program files, policies and procedures. Organization shall provide all reports,
11 documents or information requested by the City within three (3) days after receipt of
12 a written or oral request from a City representative, unless a longer period of time is
13 otherwise expressly stated by the representative.

14 C. Organization shall comply with HUD's Homeless Management
15 Information System (HMIS) requirements and ensure full participation in the City's
16 HMIS. Organizations that provide domestic violence and legal services have been
17 permitted by HUD to use a comparable database to capture required data elements
18 that comply with HMIS data and HUD reporting requirements.

19 D. If Organization spends Seven Hundred Fifty Thousand Dollars
20 (\$750,000) or more in Federal funds in an Operational Year, then Organization shall
21 submit an audit report to the City in accordance with 2 CFR Part 200.501 (b) no later
22 than thirty (30) days after receipt of the audit report from Organization's auditor or
23 no later than nine (9) months after the end of the Operational Year, whichever is
24 earlier. If Organization spends less than Seven Hundred Fifty Thousand Dollars
25 (\$750,000) in Federal grant funds in an Operational Year, submission of the audited
26 financial statement is required in accordance with 2 CFR Part 200.501 (c)(d).

27 Section 6.

28 A. Organization will maintain the confidentiality of records

1 pertaining to any individual or family that was provided family violence prevention or
2 treatment services through the project.

3 B. The address or location of any family violence project assisted
4 with grant funds will not be made public, except with written authorization of the
5 person responsible for the operation of such project.

6 C. Organization will establish policies and practices that are
7 consistent with, and do not restrict, the exercise of rights provided by subtitle B of
8 title VII of the Homeless Emergency Assistance and Rapid Transition to Housing
9 (HEARTH) Act and other laws relating to the provision of educational and related
10 services to individuals and families experiencing homelessness.

11 D. In the case of a project that provides housing or services to
12 families, Organization will designate a staff person to be responsible for ensuring
13 that children being served in the program are enrolled in school and connected to
14 appropriate services in the community, including early childhood programs such as
15 Head Start, part C of the Individuals with Disabilities Education Act, and programs
16 authorized under subtitle B of title VII of the Act.

17 E. Organization, its officers, and employees are not debarred or
18 suspended from doing business with the Federal Government.

19 Section 7.

20 A. In the performance of this Subcontract, Organization shall not
21 discriminate against any employee, applicant for employment or service, or
22 subcontractor because of race, color, religion, national origin, sex, sexual
23 orientation, gender identity, AIDS, HIV Status, AIDS related condition, age, disability
24 or handicap. Organization shall take affirmative action to assure that applicants are
25 employed or served, and that employees and applicants are treated during
26 employment or services without regard to these categories. Such action shall
27 include but not be limited to the following: employment, upgrading, demotion or
28 transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or

1 other forms of compensation; and selection for training, including apprenticeship.

2 B. Organization shall permit access by the City or any other
3 agency of the County, State or Federal governments to Organization's records of
4 employment, employment advertisements, application forms and other pertinent
5 data and records for the purpose of investigation to ascertain compliance with the
6 fair employment practices provisions of this Subcontract.

7 Section 8.

8 A. In performing services hereunder, Organization is and shall act
9 as an independent contractor and not as an employee, representative, or agent of
10 the City. Organization's obligations to and authority from the City are solely as
11 prescribed in this Subcontract. Organization expressly warrants that it will not, at
12 any time, hold itself out or represent that Organization or any of its agents,
13 volunteers, subscribers, members, officers or employees are in any manner officials,
14 employees or agents of the City. Organization shall not have any authority to bind
15 the City for any purpose.

16 B. Organization acknowledges and agrees that (a) the City will not
17 withhold taxes of any kind from Organization's compensation, (b) the City will not
18 secure workers' compensation or pay unemployment insurance to, for or on
19 Organization's behalf, and (c) the City will not provide, and Organization and
20 Organization's employees are not entitled to any of the usual and customary rights,
21 benefits or privileges of City employees.

22 Section 9. This Subcontract contemplates the personal services of
23 Organization and Organization's employees. Organization shall not delegate its duties or
24 assign its rights hereunder, or any interest therein or any portion thereof, without the prior
25 written consent of the City. Any attempted assignment or delegation shall be void, and any
26 assignee or delegate shall acquire no right or interest by reason of such attempted
27 assignment or delegation.

Section 10.

A. Organization shall indemnify, protect and hold harmless the City, its Boards, Commissions, and their officials, employees and agents (“Indemnified Parties”), from and against any and all liability, claims, demands, damage, loss, obligations, causes of action, proceedings, awards, fines, judgments, penalties, costs and expenses, arising or alleged to have arisen, in whole or in part, out of or in connection with (1) Organization’s breach or failure to comply with any of its obligations contained in this Subcontract, or (2) negligent or willful acts, errors, omissions or misrepresentations committed by Organization, its officers, employees, agents, subcontractors, or anyone under Organization’s control, in the performance of work or services under this Subcontract (collectively “Claims” or individually “Claim”).

B. In addition to Organization’s duty to indemnify, Organization shall have a separate and wholly independent duty to defend Indemnified Parties at Organization’s expense by legal counsel approved by City, from and against all Claims, and shall continue this defense until the Claims are resolved, whether by settlement, judgment or otherwise. No finding or judgment of negligence, fault, breach, or the like on the part of Organization shall be required for the duty to defend to arise. City shall notify Organization of any Claim, shall tender the defense of the Claim to Organization, and shall assist Organization, as may be reasonably requested, in the defense.

C. If a court of competent jurisdiction determines that a Claim was caused by the sole negligence or willful misconduct of Indemnified Parties, Organization’s costs of defense and indemnity shall be (1) reimbursed in full if the court determines sole negligence by the Indemnified Parties, or (2) reduced by the percentage of willful misconduct attributed by the court to the Indemnified Parties.

D. The provisions of this Section shall survive the expiration or termination of this Subcontract.

1 Section 11. Whether or not these services include (a) work with minors or
2 other vulnerable groups, (b) professional work, (c) use of vehicles, and/or (d) online
3 services. If any or all of these types of services are NOT included, the awardee would have
4 lesser insurance requirements (which would reduce their costs without hurting the City's
5 protections).

6 As a condition precedent to the effectiveness of this Subcontract,
7 Organization shall procure and maintain at Organization's sole expense for the duration of
8 the Subcontract and any extensions thereof from an insurance company that is admitted
9 to write insurance in the State or equivalent to a minimum of A:VIII by A.M. Best Company:

10 A. PROFESSIONAL LIABILITY INSURANCE covering the
11 profession or professions provided by the Subcontract in an amount of not less
12 than one million dollars (\$1,000,000) per claim. If a "claims-made" policy, it must
13 provide for an extended reporting period of not less than three (3) years.
14 Professional liability must be deleted from the additional insured endorsement
15 whenever your agency has a combined general professional liability policy.

16 B. WORKERS COMPENSATION as required by the Labor Code
17 of the State of California and employer's liability insurance in an amount not less
18 than One Million Dollars (\$1,000,000) per accident or occupational illness. The
19 policy shall be endorsed with a waiver of the insurer's right of subrogation against
20 the City of Long Beach, its Boards, and their officials, employees, and agents.

21 C. BLANKET HONESTY BOND or CRIME INSURANCE in an
22 amount of at least fifty percent of the amount of this Subcontract or twenty-five
23 thousand dollars (\$25,000), whichever is greater, and that names the City of Long
24 Beach loss payee as its interests may appear. This Section 11.C. requirement
25 may be waived if the Subcontract is awarded on a reimbursement-only, drawn-
26 down basis.

27 D. COMMERCIAL GENERAL LIABILITY INSURANCE
28 equivalent in coverage scope to ISO form CG 00 01 11 85 or 1 O 93 in an amount

1 not less than one million dollars (\$1,000,000) per occurrence and two million
2 dollars (\$2,000,000) in aggregate. Such insurance shall not exclude or limit
3 coverage for broad form contractual liability, cross liability protection, independent
4 contractors' liability, or products and completed operations liability, and, if minors
5 or other vulnerable parties (e.g., disabled persons or seniors) are served as part of
6 the scope, shall not exclude coverage for abuse and molestation. The City of Long
7 Beach, and its Boards, commissions, officials, agents, and employees shall be
8 added as additional insureds by an endorsement equivalent in coverage scope to
9 an ISO CG 20 26 11 85. This additional insured coverage shall contain no
10 limitations on the scope of protection afforded to the City, its Boards, commissions,
11 officials, employees, and agents. Professional liability must be deleted from the
12 additional insured endorsement whenever the Organization has a combined
13 general-professional liability policy.

14 E. COMMERCIAL AUTOMOBILE LIABILITY INSURANCE

15 equivalent in coverage scope to ISO form CA 00 01 06 92 in an amount not less
16 than One Million Dollars (US \$1,000,000) combined single limit (CSL) covering, as
17 applicable, Symbol 1 ("Any Auto") for any vehicle with 7 passengers or fewer, in an
18 amount not less than Five Million Dollars (US \$5,000,000) combined single limit
19 (CSL) covering Symbol 1 ("Any Auto") for any vehicle with 8 through 15
20 passengers, and in an amount not less than Ten Million Dollars (US \$10,000,000)
21 combined single limit (CSL) covering Symbol 1 ("Any Auto") for any vehicle with 16
22 passengers or more. If Organization owns no autos, Organization may provide
23 evidence of non-owned and fired auto insurance. This may be provided as an
24 addition to the General Liability policy.

25 F. ELECTRONIC DATA PROCESSING LIABILITY AND

26 CYBERSPACE/ONLINE LIABILITY INSURANCE in an amount not less than One
27 Million Dollars (\$1,000,000) per claim covering the services provided pursuant to
28 this Subcontract, if online services apply.

1 NOTICE OF CANCELLATION - Each insurance policy shall be
2 endorsed to state that the coverage shall not be suspended, voided, changed or
3 terminated except after twenty (20) days prior written notice has been given to the
4 City. This must be unqualified and may not include the usual qualifying language
5 (“Endeavor to” and “but failure to ... representatives.”).

6 DEDUCTIBLES AND SELF-INSURED RETENTIONS - All
7 deductibles above \$1000 or self-insured retentions shall be reported to and
8 approved by the City's Risk Manager or designee. Any self-insurance program or
9 self-insurance retention must be approved separately in writing by City and shall
10 protect the City of Long Beach and its officials, employees, and agents in the same
11 manner and to the same extent as they would have been protected had the policy
12 or policies not contained retention provisions and shall be primary and not
13 contributing to any other insurance or self-insurance maintained by City.

14 NO LIMITATIONS ON LIABILITY - City makes no representation that
15 the limits or forms of coverage of insurance specified herein are adequate to cover
16 contractor's liability or obligations under the grant. Any modification or waiver of the
17 insurance requirements herein shall be made only with the written approval of the
18 City's Risk Manager or designee.

19 SUBCONTRACTORS TO SUBCONTRACTOR. Any subcontractors
20 which Organization may use in the performance of this Subcontract shall be required
21 to indemnify the City to the same extent as the Contractor and to maintain insurance
22 in compliance with the provisions of this section.

23 OTHER. Organization shall deliver to City certificates of insurance
24 and original endorsements for approval as to sufficiency and form prior to the start
25 of performance hereunder. The certificates and endorsements for each insurance
26 policy shall contain the original signature of a person authorized by that insurer to
27 bind coverage on its behalf. “Claims-made” policies are not acceptable unless City
28 Risk Manager determines that “Occurrence” policies are not available in the market

1 for the risk being insured. In a "Claims-made" policy is accepted, it must provide for
2 an extended reporting period of not less than three years. Such insurance as
3 required herein shall not be deemed to limit Organization's liability relating to
4 performance under this Subcontract. City reserves the right to require complete
5 certified copies of all said policies at any time. Any modification or waiver of the
6 insurance requirements herein shall be made only with the approval of City Risk
7 Manager. The procuring of insurance shall not be construed as a limitation on
8 liability or as full performance of the indemnification provisions of this Subcontract.

9 Section 12.

10 A. Organization certifies that, if grant funds are used for
11 renovation or conversion of the building for which the grant funds will be used, then
12 the building must be maintained as a shelter for or provide supportive services to
13 homeless individuals for not less than ten (10) years nor more than fifteen (15) years
14 according to a written determination delivered to Organization by the City, and such
15 determination shall state when the applicable period of time shall commence and
16 terminate in accordance with 24 CFR Part 578.81.

17 B. Organization certifies that the building for which the grant funds
18 will be used for supportive services, assessment and/or homeless prevention
19 services shall be maintained as a shelter or provider of programs for homeless
20 individuals during the term of this Subcontract.

21 C. Organization shall comply with all requirements of the City's
22 Municipal Code relating to building code standards in undertaking any activities or
23 renovations using grant funds.

24 D. Organization shall not commence services until the City's
25 Development Services has completed an environmental review under 24 CFR Part
26 50, and Organization shall not commence such services until the City informs
27 Organization of the completion and conditions of said environmental review.

28 E. Organization shall provide information, including, but not limited

1 to reports and data, as required by the City and HUD and as required in this
2 Subcontract and applicable laws and regulations.

3 F. In addition to, and not in substitution for, other terms of this
4 Subcontract regarding the provision of services or the payment of operating costs
5 for supportive services only or housing pursuant to 24 CFR Part 578, and except as
6 described in Section 12.G below, Organization shall not:

7 (1) Represent that it is, or may be deemed to be, a religious
8 or denominational institution or organization or an organization operated for
9 religious purposes that is supervised or controlled by or in connection with a
10 religious or denominational institution or organization.

11 (2) In connection with costs of services hereunder, engage
12 in the following conduct:

13 (a) discriminate against any employee or applicant
14 for employment on the basis of religion;

15 (b) discriminate against any person seeking housing
16 or related supportive services only on the basis of religion and will not
17 limit such services or give preference to persons on the basis of
18 religion;

19 (c) provide religious instruction or counseling,
20 conduct religious worship or services, engage in religious
21 proselytizing, or exert other religious influence in the provision of
22 services or the use of facilities and furnishings;

23 (3) In the portion of the facility used for housing or
24 supportive services only assisted in whole or in part under this Subcontract
25 or in which services are provided that are assisted under this Subcontract,
26 contain sectarian religious symbols or decorations.

27 G. Organizations that are religious or faith-based are eligible, on
28 the same basis as any other organization, to participate in the Continuum of Care

1 Homeless Assistance program. However, an organization that participates in a
2 HUD funded program shall comply with the following provisions if it is deemed to be
3 a religious or faith-based organization.

4 (1) Organization may not engage in inherently religious
5 activities, such as worship, religious instruction, or proselytization, as part of
6 the programs or services funded under this Subcontract.

7 If Organization conducts such activities, the activities must be
8 offered separately, in time or location, from the programs or services funded
9 under this Subcontract, and participation must be voluntary for the
10 beneficiaries of the HUD funded programs or services.

11 (2) A religious or faith-based organization will retain its
12 independence from Federal, State, and local governments, and may continue
13 to carry out its mission, including the definition, practice, and expression of
14 its religious beliefs, provided that it does not use direct HUD funds to support
15 any inherently religious activities, such as worship, religious instruction, or
16 proselytization.

17 A religious or faith-based organization may use space in their
18 facilities to provide HUD funded services, without removing religious art,
19 icons, scriptures, or other religious symbols.

20 A religious or faith-based organization retains its authority over
21 its internal governance, and it may retain religious terms in its organization's
22 name, select its board members on a religious basis, and include religious
23 references in its organization's mission statements and other governing
24 documents.

25 (3) A religious or faith-based organization shall not, in
26 providing program assistance, discriminate against a program beneficiary or
27 prospective program beneficiary on the basis of religion or religious belief.

28 (4) HUD funds may not be used for the acquisition,

construction or rehabilitation of structures to the extent that those structures are used for inherently religious activities.

HUD funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this Section. Where a structure is used for both eligible and inherently religious activities, HUD funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the program requirements applicable to HUD funds herein. Sanctuaries, chapels, or other rooms that a HUD funded religious Organization uses as its principal place of worship, however, are ineligible for HUD funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to 2 CFR Part 200.311(c) regulations governing real property dispositions.

H. Organization shall provide homeless individuals and/or families with assistance in obtaining:

(1) Appropriate supportive services, including transitional housing, permanent housing, physical health treatment, mental health treatment, counseling, supervision and other services essential for achieving independent living; and

(2) Other Federal, State, and local private assistance available for such individuals, including mainstream resources.

I. Organization certifies that it will comply with all documents, policies, procedures, rules, regulations and codes identified in Sections 2 and 12 of this Subcontract and such other requirements as from time to time may be promulgated by HUD.

J. Organization shall execute a Certification Regarding Debarment in the form shown on Attachment "E".

1 K. Organization shall execute a Certification Regarding Lobbying
2 in the form shown on Attachment "F".

3 Section 13. Organization certifies that it has established a Drug-Free
4 Awareness Program in compliance with Government Code Section 8355, that it has given
5 a copy of said Program to each employee who performs services hereunder, that
6 compliance with the Program is a condition of employment, and that it has published a
7 statement notifying employees that unlawful manufacture, distribution, dispensation,
8 possession or use of a controlled substance is prohibited and action will be taken for
9 violation.

10 Section 14. Solid Waste. Organization shall comply with the requirements
11 of Section 6002 of the Solid Waste Disposal Act. Under Section 6002, and accompanying
12 Environmental Protection Agency rules (40 CFR 247), Organization shall procure items
13 that contain the highest percentage of recovered materials practicable, consistent with
14 maintaining a satisfactory level of competition, where the purchase price of the item
15 exceeds Ten Thousand Dollars (\$10,000) or the value of the quantity acquired in the
16 preceding fiscal year exceeded Ten Thousand Dollars (\$10,000); shall procure solid waste
17 management services in a manner that maximizes energy and resource recovery; and shall
18 have established an affirmative procurement program for procurement of recovered
19 materials identified in the EPA Guidelines.

20 Section 15. The City shall facilitate the submission of all reports required by
21 HUD based on information submitted by Organization to the City. The City shall act as the
22 primary contact for Organization to HUD for services provided under this Subcontract. The
23 City shall facilitate directly to HUD the submission of any information related to all financial
24 and programmatic matters in this Subcontract, including but not limited to reimbursements
25 of grant funds, requests for changes to Organization's budget, requests for changes to
26 Organization's application for grant funds and requests for changes to Organization's

Scope of Work**

Agency: Volunteers of America of Los Angeles Project Name: CH Healthy Homes
 HUD Grant: CA1359U9D062105 CLB Contract: PENDING
 Primary Place of Performance: Scattered Site Project
3600 Wilshire Blvd., Suite 1500, Los Angeles, CA 90010 (Admin. Site)

Project Description: CH Healthy Homes serves individuals who are homeless and have one or more disabling conditions. Participants will be identified through CES. VOALA will conduct assessments using the VI-SPDAT to identify each household's strengths and barriers to maintaining housing. Households for whom PSH is an appropriate intervention will be enrolled in the project and assigned to a Case Manager. The Case Manager and Housing Coordinator will work with the HH to identify an appropriate unit and will conduct a HQS inspection and rent reasonableness test. Upon passing inspection, staff will help households review lease terms to ensure understanding. Staff will help with utility hook-up and other move-in arrangements and offer training in tenant rights. HH will receive rental assistance that is indefinite in duration, with participants paying up to 30% of their monthly adjusted income in rent. Case management will continue seamlessly after housing placement. The Case Manager will work with the HH to connect to the community, enroll in benefits, and connect to support services. Case Managers will also teach participants life skills related to HH management, financial literacy, nutrition, etc.

The project will be measured with the following performance objectives:

- 1) No. of persons served;
- 2) % of participants exiting to permanent housing;
- 3) No. of persons exiting with unknown destination;
- 4) Occupancy Rate;
- 5) No. of persons exiting with no financial resources;
- 6) Length of time between client's project start date and move-in date;
- 7) % of persons exiting back into homelessness;
- 8) % of participants who maintain or increase total income (earned plus benefits);
- 9) Cost effectiveness;
- 10) Retention rate

VOALA is an active member of the CES and maintains partnerships with numerous providers throughout the LB area, detailed above under the plan to coordinate social services. CoC support is needed to support staffing, leasing costs, and operating costs incurred in providing PSH.

NOW, THEREFORE, in consideration of the mutual terms covenants, and conditions in this Agreement, the parties agree as follows:

1. DEFINITIONS. Terms used, but not otherwise defined, in this Agreement shall have the same meaning as those terms in the HIPAA Regulations, including the Privacy Rule and the Security Rule codified in Title 45, Sections 160-164 of the Code of Federal Regulations, and under the HITECH Act.

CERTIFICATION REGARDING DEBARMENT

By signing and submitting this document, the recipient of federal assistance funds is providing the certification as set out below:

1. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the recipient of federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
2. The recipient of Federal assistance funds shall provide immediate written notice to the person to which this agreement is entered, if at any time the recipient of Federal Assistance funds learns that its certification was erroneous, when submitted or has become erroneous by reason of changed circumstance.
3. The terms "covered transaction", "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
4. The recipient of Federal assistance funds agrees by submitting this document that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the departmental or agency with which this transaction originated.
5. The recipient of Federal assistance funds further agrees by submitting this document that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
6. A participant in a covered transaction may rely upon a certification of participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the list of parties excluded from procurement or non-procurement programs.
7. Nothing contained in the foregoing shall be constructed to require establishment of a system of records in order to render in good faith the certification required by this clause. The

knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

- 8. Except for transactions authorized under Paragraph 4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which the transaction originated may pursue available remedies, including suspension and/or debarment.

The regulations implementing Executive Order 12549, Debarment and Suspension, 24 CFR Part 24 Section 24.510, Participants' Responsibilities require this certification.

- 1. The recipient of Federal assistance funds certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- 2. Where the recipient of Federal assistance funds is unable to certify to any of the statements in this certification, such participants shall attach an explanation to this document.
