RE. 1826-1828 1/2 East 1st Street- Proj. No. 400279

City Clerk,

Pursuant to the Notice of Board Determination letter dated 2-17-05, I am writing to preserve my right of appeal. Procedural errors which denied me and my agents from rebutting witness testimony against me is the primary reason. There are many others. Documents presented by Code Enforcement contained misleading statements based not on fact but speculation. I have been denied access to the minutes of the Board of Appeals hearing; a public record. Further issues may be forthcoming.

Thank you in advance for your prompt attention.

Sincerely,

Natalie Kotsch
