THIS DEVELOPMENT AGREEMENT (“Agreement”) is entered into as of this \_\_\_\_ day of \_\_\_\_\_, 2022, pursuant to an action taken by the City Council of the City of Long Beach at its meeting held on \_\_\_\_\_, 2022, by and among the City of Long Beach, a California municipal corporation (“City”), and The River Park Project Owner, LLC, a Delaware limited liability company (“Owner”). City and Owner hereafter are referred to collectively as the “Parties” and individually as a “Party.”

**RECITALS**

1. City is authorized to enter into development agreements with persons having legal or equitable interests in real property for the development of such property pursuant to Article 2.5 of Chapter 4 of Division I of Title 7 of the California Government Code commencing with Section 65864 (the “Development Agreement Law”), and Article XI, Section 7 of the California Constitution.

2. City has enacted an ordinance, incorporated into the Long Beach Municipal Code as Title 21, Chapter 21.29 that establishes the procedures and requirements for its consideration of such development agreements upon application by, or on behalf of, persons having legal or equitable interests in real property pursuant to the Development Agreement Law and applicable City General and Specific Plans, policies and regulations.

3. Owner represents that it has an equitable interest in approximately twenty (20) acres of undeveloped real property in Long Beach, as more specifically described in Exhibit “A” (the “Subject Property”).

4. Owner has proposed a project for the Subject Property consisting of approximately 226 residential units, as well as a clubhouse, recreation area, publicly-accessible park, and pool area (the “Project”), which requires a zone change, vesting tentative tract map, street vacation, general plan conformity certification, lot line adjustment, and site plan review. The impacts of

the Project have been fully analyzed by the Long Beach River Park Residential Project Environmental Impact Report (SCH #2021020492). On \_\_\_\_\_, the Planning Commission of City, at a duly noticed public hearing, recommended, in Resolution \_\_\_\_\_, that the City Council certify the EIR (SCH #2021020492). The Planning Commission also recommended that the City Council approve the Project's vesting tentative tract map, street vacation, site plan, and other associated approvals in Resolution \_\_\_\_\_.

5. On \_\_\_\_\_, the City Council of City, at a duly noticed public hearing, adopted Resolution \_\_\_\_\_ certifying the Final Environmental Impact Report, SCH #2021020492 (the "Final EIR") for the Project and the related Mitigation Monitoring and Reporting Program and also adopted Resolution No. \_\_\_\_\_ ("Project Approvals").

6. The Parties concur that all of the requirements of the California Environmental Quality Act, contained in Division 13 of the California Public Resources Code, commencing with Section 21000, and implemented by the Guidelines contained in Chapter 3 of Title 14, commencing with Section 15000, of the California Code of Regulations ("CEQA") have been satisfied with respect to the Project.

7. On \_\_\_\_\_, after a duly noticed public hearing held pursuant to the Development Agreement Law and City's Municipal Code, the City Council of City approved the introduction of Ordinance No. \_\_\_\_\_ (the "Enacting Ordinance") that would approve and adopt this Agreement and authorize its execution on behalf of City. On \_\_\_\_\_ the City Council of City adopted the Enacting Ordinance.

8. The Parties intend that Owner will be permitted to proceed with development of the Subject Property pursuant to the Existing Land Use Regulations and Existing Development Approvals in existence on the Effective Date; provided, however, that the Parties also understand that new or different regulations and other requirements for development of the Subject Property may be imposed by laws or regulations of the Federal and/or State governments and/or various regional governmental agencies or entities with regulatory jurisdiction over aspects of the Project or Subject Property, all of which may, or may not, supersede the provisions of this Agreement.

Exhibit “D”	Assignment and Assumption Agreement
Exhibit “E”	Release of Development Agreement
Exhibit “F”	City of Long Beach Impact Fee Schedule

**ARTICLE 3. GENERAL PROVISIONS.**

3.1 **Binding Effect of Agreement.** From and following the Effective Date, Development of the Subject Property and City's actions on applications for Subsequent Development Approvals shall be subject to the terms and conditions of this Agreement.

3.2 **Ownership of Subject Property.** City and Owner acknowledge and agree that Owner has the requisite legal or equitable interest in the Subject Property, and thus Owner is qualified to enter into and be a party to this Agreement in accordance with Government Code Section 65865(b).

3.3 **Assignment Rights.** Owner shall have the right to sell, transfer, or assign the Subject Property in whole or in part (provided that no such parcel transfer shall violate the Subdivision Map Act, Government Code Section 66410, *et seq.*) and the rights and obligations under this Agreement to any person, partnership, joint venture, firm or corporation at any time during the term of this Agreement (collectively, "Assignment"); so long as (i) the assignee is an entity on the list attached hereto as Exhibit "C", as the same may be amended from time to time during the term of this Agreement with the concurrence of the Director of Development Services, and (ii) any such sale, transfer or assignment shall include an assignment and assumption of the rights, duties and obligations arising under or from this Agreement in form and substance reasonably similar to the form attached hereto as Exhibit "D". Any proposed assignee that does not satisfy clause (i), above, must first be reasonably approved by City after review by City of assignee's certified financial statements and any other documents City may request pertaining to the proposed assignee's ability to meet its obligations hereunder.

3.3.1 **Release of Transferring Owner.** Notwithstanding any Assignment, a transferring Owner shall continue to be obligated under this Agreement unless such transferring Owner is given a release in writing by City, which release shall be provided by City upon the full satisfaction by such transferring Owner of all of the following conditions:

(a) Owner no longer has a legal or equitable interest in all or any part of the Subject Property;

(b) Owner is not then in default under this Agreement; and

(c) The assignee provides City with security equivalent to any security previously provided by Owner to secure performance of its obligations hereunder.

3.3.2 **Subsequent Assignment.** Any subsequent Assignment after an initial Assignment shall be made only in accordance with and subject to the terms and conditions of this Agreement.

**3.3.3 Partial Release of Purchaser, Transferee or Assignee of Parcel.** A purchaser, transferee or assignee of a lot which has been finally subdivided and for which a site plan for development of the lot has been finally approved (a "Parcel") may submit a request, in writing, to City to release said lot from the obligations under this Agreement by executing a form of Release of Development Agreement attached hereto as Exhibit "E." Within thirty (30) days following such request, City shall review, and if the conditions contained in Section 3.3.1 are satisfied, shall execute and deliver to the purchaser, transferee or assignee the appropriate form of Release. No such release approved pursuant to this Section 3.3.3 shall cause, or otherwise effect, a release of Owner from its duties and obligations under this Agreement.

**3.3.4 Termination of Agreement With Respect to Individual Parcels upon Sale to Public and Completion of Construction.** The provisions of Section 3.3 shall not apply to the sale or lease (for a period longer than one year) of any Parcel which has been finally subdivided and is individually (and not in "bulk") sold or leased to a member of the public or other ultimate user. Notwithstanding any other provisions of this Agreement, this Agreement shall terminate with respect to such Parcel and such Parcel shall be released and no longer be subject to this Agreement without the execution or recordation of any further document upon satisfaction of both of the following conditions:

(a) The Parcel has been finally subdivided and individually (and not in "bulk") sold or leased (for a period longer than one year) to a member of the public or other ultimate user; and,

(b) A final inspection card has been issued for a building on the Parcel, and the fees set forth under this Agreement have been paid.

For purposes of this Section 3.3.4, a transfer shall be deemed to be "in bulk" if it involves the conveyance of more than one Parcel and the transferee will not be the ultimate user of the Parcels. Notwithstanding the foregoing, Owner acknowledges that, unless and until an assignment of the Subject Property has occurred pursuant to Section 3.3 of this Agreement, Owner is responsible for (i) ensuring the completion of all Project conditions and (ii) the payment of all applicable fees to the extent any conditions are not satisfied or any fees remain unpaid following the transfer or development of a parcel.

**3.4 Term.** Unless earlier terminated as provided in this Agreement, this Agreement shall continue in full force and effect until the earlier of (i) the date of completion of the last portion of the Development, or (ii) the date that is ten (10) years from and after the Effective Date.

**3.5 Waiver of Estoppel Defenses by City.** Notwithstanding any legal authorities to the contrary concerning the doctrines of waiver and estoppel as applied to public entities and the actions or inactions of public agencies or public agency officers and officials, City acknowledges and agrees that Owner and its successors and assigns to all or any interest in the Subject Property is relying upon the contents of this Agreement and City's execution of this Agreement and the recordation hereof, and that in consideration of such material reliance, City shall now and forever be estopped from denying the validity of this Agreement and City knowingly and expressly waives any such claim or defense.

3.6 **No Obligations to Proceed with Project.** Nothing in this Agreement shall obligate Owner to proceed with any part of or the entirety of the Project. Owner maintains sole and absolute discretion over whether to commence and/or complete any portion of the Project or the Project in its entirety and nothing in this Agreement shall be construed to impose upon Owner an obligation to commence the construction of and/or complete the Project.

#### **ARTICLE 4. DEVELOPMENT OF THE SUBJECT PROPERTY**

4.1 **Vested Right to Develop.** Subject to and during the term of this Agreement, Owner shall have a vested right to develop the Subject Property in accordance with the Development Plan and this Agreement.

4.2 **Effect of Agreement on Land Use Regulations.** Except as otherwise provided under the terms of this Agreement, the rules, regulations and official policies governing permitted uses of the Subject Property, the density and intensity of use of the Subject Property, the maximum height and size of proposed buildings, and the design, improvement, and construction standards and specifications applicable to Development of the Subject Property, shall be only the Existing Land Use Regulations and those contained in the Development Plan.

4.3 **Subsequent Development Approvals / Minor Modifications.** To the extent applicable, City shall accept for processing, review and action all applications for Subsequent Development Approvals, and such applications shall be processed in the manner applicable to other residential property developments. City further agrees that, unless otherwise requested by Owner and provided that this Agreement has not terminated due to Owner default, City shall not amend or rescind any Subsequent Development Approvals respecting the Subject Property after such approvals have been granted by City. City agrees to allow modifications to the type, mix and layout of the Project's 226 residential units ("Minor Modifications") with approval from the Development Director. City further agrees to allow modifications to the Project's Site Plan with approval from the Development Director, provided that all modifications are in substantial conformance with the approved Site Plan attached to this Agreement as Exhibit "B". The modifications described in this Section 4.3 shall not require approval by the Planning Commission or the City Council.

4.4 **Timing of Development.** The Parties acknowledge that Owner cannot at this time predict when or the rate at which phases of the Subject Property will be developed. Such decisions depend upon numerous factors which are not within the control of Owner, such as market orientation of demand, interest rates, absorption, completion and other similar factors. Because the California Supreme Court held in *Pardee Construction Co. v. City of Camarillo* (1984) 37 Cal.3d 455, that the failure of the parties therein to provide for the timing of development resulted in a later adopted initiative restricting the timing of development to prevail over such parties' agreement, it is the Parties' intent to cure that deficiency by expressly acknowledging and providing that Owner shall have the right to develop the Subject Property, or to not develop the Subject Property, in such order and such rate and at such time as Owner deems appropriate within the exercise of its subjective business judgment in its sole and absolute discretion. In addition, to the extent Owner or its assignee decide to proceed with a phase of the development of the Subject Property, City shall cooperate with Owner or its assignee with respect to the phasing of the development of the Subject Property.

**4.5 Terms of Maps and Other Project Approvals.** Pursuant to California Government Code Sections 66452.6(1) and 65863.9, any subdivision or parcel map may be processed on all or any portion of the Subject Property and the term of each of the development approvals, including the Tentative Map and any future approvals, shall be extended for a period of time through the scheduled termination date of this Agreement, as set forth above.

**4.6 Changes and Amendments.** The Parties acknowledge that although Development of the Project may require Subsequent Development Approvals, such Development shall be in compliance with the Development Plan. The above notwithstanding, Owner may determine that changes are appropriate and desirable in the existing Development Approvals or Development Plan. In the event Owner finds that such a change is appropriate or desirable, Owner may apply in writing for an amendment to prior Development Approvals or the Development Plan to effectuate such change. The Parties acknowledge that City shall be permitted to use its sole and absolute discretion in deciding whether to approve or deny any such amendment request; provided, however, that in exercising the foregoing, City shall not apply a standard to Owner that is less favorable or different than applied by City to any other residential property developments. In addition, the Parties acknowledge and agree any modification to the Development that does not meet the thresholds set forth in 14 Cal. Code of Regs. Section 15162 shall be deemed to be a minor modification and shall not require any subsequent environmental review. Any change in the Development Approvals or Development Plan made pursuant to Owner's application and deemed a material change by City, shall require an amendment to this Agreement. Any such amendment shall be solely for the purpose of acknowledging the change to the Development Approvals or Development Plan, as the case may be.

**4.7 Reservation of Authority.**

**4.7.1 Limitations, Reservations and Exceptions.** Notwithstanding any other provision of this Agreement, the following Subsequent Land Use Regulations shall apply to the Development of the Subject Property:

(a) Processing fees and charges of every kind and nature imposed by City to cover the estimated actual costs to City of processing applications for Development Approvals or for monitoring compliance with any Development Approvals granted or issued.

(b) Procedural regulations consistent with this Agreement relating to hearing bodies, petitions, applications, notices, findings, records, hearing, reports, recommendations, appeals and any other matter of procedure.

(c) Changes adopted by the International Conference of Building Officials, or other similar body, as part of the then most current versions of the Uniform Building Code, Uniform Fire Code, Uniform Plumbing Code, Uniform Mechanical Code, or National Electrical Code, and also adopted by City as Subsequent Land Use Regulations.

(d) Regulations that are not in conflict with the Development Plan and this Agreement and do not impede the Development, or add to the cost of the Development of the Project.

(e) Regulations that are in conflict with the Development Plan provided Owner has given written consent to the application of such regulations to Development of the Subject Property at Owner's sole and absolute discretion.

(f) Federal, state, county, and multi-jurisdictional laws and regulations which City is required to enforce against the Subject Property or the Development of the Subject Property.

(g) Payment of development impact fees in effect at the time that certificates of occupancy are issued for the development or any portion thereof, except all of City's impact fees related to transportation, sewer, police, fire and public safety will be calculated based on the impact fees in effect as of the Effective Date, as more particularly described in Exhibit "F."

**4.7.2 Future Discretion of City.** This Agreement shall not prevent City, in acting on Subsequent Development Approvals, from applying subsequent Land Use Regulations that do not conflict with the Development Plan, nor shall this Agreement prevent City from denying or conditionally approving any Subsequent Development Approval on the basis of Existing Land Use Regulations or any Subsequent Land Use Regulation not in conflict with the Development Plan.

**4.7.3 Modification or Suspension by Federal, State, County, or Multi-Jurisdictional Law.** In the event that federal, state, county, or multi-jurisdictional laws or regulations, enacted after the Effective Date, prevent or preclude compliance with one or more of the provisions of this Agreement, such provisions of this Agreement shall be modified or suspended as may be necessary to comply with such federal, state, county, or multi-jurisdictional laws or regulations, and this Agreement shall remain in full force and effect to the extent it is not inconsistent with such laws or regulations and to the extent such laws or regulations do not render such remaining provision impractical to enforce.

**4.8 Future Voter Actions.** It is the intent of the Parties that future voter actions adopting Subsequent Land Use Regulations shall not apply to the Project unless such voter actions promote, advance, or otherwise further the intent and expeditious development of the Project pursuant to and consistent with the terms and conditions of this Agreement.

**4.9 Financing District Formation.** City and Owner agree to cooperate in the formation of a financing district in order to finance, at Owner's sole election, some or all of certain improvements and obligations required of Owner pursuant to the Existing Development Approvals and this Agreement.

**4.10 Conditions of Approval.** Owner shall comply with the Project conditions of approval.

**4.11 Covenants, Conditions and Restrictions.** Owner agrees to declare Covenants, Conditions and Restrictions ("CC&Rs") applicable to the entire Project, which will be administered by a Homeowners Association ("HOA") to be established by Owner.

**4.12 Payment of Impact Fees.** Los Angeles County and School Developer Fees and the Long Beach Water Department's Sewer Capacity Fee are due and payable prior to the issuance

of a building permit in connection with the Project. The City's applicable developer impact fees are due and payable prior to final building inspection or issuance of a certificate of occupancy, whichever comes first.

4.13 **Affordable Housing.** Owner or its assignee shall provide either (i) no less than five percent (5%) of the total housing units for very low income households as defined in Section 50105 of the California Health & Safety Code, or (ii) no less than ten percent (10%) of the total housing units for lower income households as defined in Section 50079.5 of the California Health & Safety Code.

## **ARTICLE 5. PUBLIC BENEFITS**

5.1 **Vacation of Baker Street Right of Way.** The Owner has applied for the vacation of Baker Street west of the prolongation of the western right of way line of Golden Avenue to the eastern edge of the Los Angeles County Flood Control District-owned parcel located immediately to the west of the Subject Property (the "District Parcel"). ## **ARTICLE 6. REVIEW FOR COMPLIANCE**

**6.1 Periodic Review.** The City Council shall review this Agreement annually, on or before the anniversary of the Effective Date, in order to ascertain the good faith compliance by Owner with the terms of this Agreement. As part of that review, Owner shall submit an annual monitoring review statement describing its actions in compliance with this Agreement, in a form acceptable to the Development Director or his/her authorized designee, at least thirty (30) days prior to each anniversary of the Effective Date. The statement shall be accompanied by an annual review and administration fee sufficient to defray the estimated costs of review and administration of this Agreement during the succeeding year. The amount of the annual review and administration fee shall be set by resolution of the City Council. No failure on part of City to conduct or complete the review as provided herein shall have any impact on the validity of this Agreement.

**6.2 Special Review.** The City Council may, in its sole and absolute discretion, order a special review of compliance with this Agreement at any time at City's sole cost. Owner shall cooperate with City in the conduct of such special reviews.

6.3 **Procedure.** Each Party shall have a reasonable opportunity to assert matters which it believes have not been undertaken in accordance with this Agreement, to explain the basis for such assertion, and to receive from the other Party a justification of its position on such matters.

6.3.1 If on the basis of the Parties' review of any terms of this Agreement, either Party concludes that the other Party has not complied in good faith with the terms of this Agreement, then such Party may issue a written "Notice of Non-Compliance" specifying the grounds therefor and all facts demonstrating such non-compliance.

6.3.2 The Party receiving a Notice of Non-Compliance shall have thirty (30) days to cure or remedy the non-compliance identified in the Notice of Non-Compliance, or if such cure or remedy is not reasonably capable of being completed within such thirty (30) days period, to commence to cure or remedy the non-compliance and to diligently and in good faith prosecute such cure or remedy to completion.

6.3.3 If the Party receiving the Notice of Non-Compliance does not believe it is out of compliance and contests the Notice, it shall do so by responding in writing to said Notice of Non-Compliance within thirty (30) days after receipt of the Notice.

6.3.4 If the response to the Notice of Non-Compliance has not been received in the offices of the Party alleging the non-compliance within the prescribed time period, the Notice of Non-Compliance shall be presumed to be valid unless good cause exists for not responding within the time period.

6.3.5 If a Notice of Non-Compliance is contested, the Parties shall, for a period of not less than fifteen (15) days following receipt of the response, seek to arrive at a mutually acceptable resolution of the matter(s) occasioning the Notice of Non-Compliance. In the event that a cure or remedy is not timely effected or, if the Notice of Non-Compliance is contested and the Parties are not able to arrive at a mutually acceptable resolution of the matter(s) by the end of the fifteen (15) day period, the party alleging the non-compliance may thereupon pursue the remedies provided in Article 6 of this Agreement.

6.3.6 Neither Party hereto shall be deemed in breach if the reason for non-compliance is due to a "force majeure" as defined in, and subject to the provisions of, Section 12.9.

6.4 **Certificate of Agreement Compliance.** If, at the conclusion of a periodic or special review, Owner is found to be in compliance with this Agreement, City shall, upon request by Owner, issue a Certificate of Compliance with Development Agreement in the form attached hereto as Exhibit "G" ("Certificate") to Owner stating that after the most recent periodic or special review and based upon the information known or made known to the City Council that (1) this Agreement remains in effect and that (2) Owner is in compliance. The Certificate, whether issued after a Periodic or Special Review, shall be in recordable form, shall contain information necessary to communicate constructive record notice of the finding of compliance, and shall state that the Certificate expires upon the earlier of (i) one (1) year from the date thereof, or (ii) the date of recordation of a notice of termination of development agreement. Owner may record the Certificate with the County Recorder. Additionally, Owner may at any time request from City a

Certificate stating, in addition to the foregoing, which obligations under this Agreement have been fully satisfied with respect to the Subject Property, or any lot or parcel within the Subject Property.

## **ARTICLE 7. DEFAULT AND REMEDIES**

**7.1 Specific Performance Available.** The Parties acknowledge and agree that specific performance is the preferred remedy available for the enforcement of this Agreement. However, nothing in the foregoing shall be construed to constitute a waiver of the right to obtain monetary damages from the other Party by reason of default of this Agreement. Subject to the cure rights set forth in Section 6.3, any material default by Owner or City of this Agreement or any of the conditions of approval of any of the Development Approvals that is not timely cured by Owner or City shall be deemed a material default by Owner or City of this Agreement.

### **7.2 Termination of this Agreement.**

**7.2.1 Termination of Agreement for Default of Owner.** City may terminate this Agreement for any failure of Owner to perform any duty or obligation of Owner hereunder or to comply in good faith with the terms of this Agreement (hereinafter referred to as “default” or “breach”); provided, however, City may terminate this Agreement pursuant to this Section only after following the procedure set forth in Section 6.3.

**7.2.2 Termination of Agreement for Default of City.** Owner may terminate this Agreement for any default by City; provided, however, Owner may terminate this Agreement pursuant to this Section only after following the procedure set forth in Section 6.3 and thereafter providing written notice by Owner to City of the default setting forth the nature of the default and the actions, if any, required by City to cure such default and, where the default can be cured, the failure of City to cure such default within thirty (30) days after the effective date of such notice or, in the event that such default cannot be cured within such thirty (30) day period, the failure of City to commence to cure such default within such thirty (30) day period and to diligently proceed to complete such actions and to cure such default.

**7.2.3 Rights and Duties Following Termination.** Upon the termination of this Agreement, no Party shall have any further right or obligation hereunder except with respect to (i) any obligations to have been performed prior to said termination, (ii) any default in the performance of the provisions of this Agreement which has occurred prior to said termination, or (iii) restoration of any portion of the Subject Property owned by City to its general condition prior to the Effective Date.

**7.3 Institution of Legal Action.** Subject to notice of default and opportunity to cure under Section 6.3, in addition to any other rights or remedies, any Party to this Agreement may institute legal action to cure, correct, or remedy any default, to enforce any covenants or agreements herein, to enjoin any threatened or attempted violation hereof, or to obtain any other remedies consistent with this Agreement. If a legal action or proceeding is brought by any Party to this Agreement because of default, or to enforce a provision hereof, the prevailing Party shall be entitled to reimbursement of all costs and expenses, including attorneys’ fees, incurred in prosecuting such legal action or proceeding. This provision is separate and severable, and shall survive the merger of this Agreement into any judgment on this Agreement.

## **ARTICLE 8. THIRD PARTY LITIGATION**

The City shall promptly notify Owner of any claim, action, or proceeding filed and served against the City to challenge, set aside, void, annul, limit or restrict the approval and continued implementation and enforcement of this Agreement. Owner agrees to fully defend and indemnify the City for all costs of defense and/or judgment obtained in any such action or proceeding. This indemnification clause shall only apply if Owner approves of the selection of defense counsel for the City, which approval shall not unreasonably be withheld. The City and Owner agree to cooperate in the defense of such action(s).

## **ARTICLE 9. MORTGAGEE PROTECTION**

9.1 The Parties hereto agree that this Agreement shall not prevent or limit Owner, in any manner, at Owner's sole discretion, from encumbering the Subject Property or any portion thereof or any improvement thereon by any mortgage, deed of trust or other security device securing financing with respect to the Subject Property. City acknowledges that the lenders providing such financing may require certain Agreement interpretations and modifications and agrees upon request, from time to time, to meet with Owner and representatives of such lenders to negotiate in good faith any such request for interpretation or modification. Subject to compliance with applicable laws, City will not unreasonably withhold its consent to any such requested interpretation or modification provided City determines such interpretation or modification is consistent with the intent and purposes of this Agreement.

9.2 Any Mortgagee of the Subject Property shall be entitled to the following rights and privileges:

(a) Neither entering into this Agreement nor a breach of this Agreement shall defeat, render invalid, diminish or impair the lien of any mortgage on the Subject Property made in good faith and for value, unless otherwise required by law.

(b) The Mortgagee of any mortgage or deed of trust encumbering the Subject Property, or any part thereof, which Mortgagee has submitted a request in writing to City in the manner specified herein for giving notices, shall be entitled to receive written notification from City of any default by Owner in the performance of Owner's obligations under this Agreement.

(c) If City timely receives a request from a Mortgagee requesting a copy of any notice of default given to Owner under the terms of this Agreement, City shall make a good faith effort to provide a copy of that notice to the Mortgagee within ten (10) days of sending the notice of default to Owner. The Mortgagee shall have the right, but not the obligation, to cure the default during the period that is the longer of (i) the remaining cure period allowed such Party under this Agreement, or (ii) thirty (30) days.

(d) Any Mortgagee who comes into possession of the Subject Property, or any part thereof, pursuant to foreclosure of the mortgage or deed of trust, or deed in lieu of such foreclosure, shall take the Subject Property, or part thereof, subject to the terms of this Agreement. Notwithstanding any other provision of this Agreement to the contrary, no Mortgagee shall have an obligation or duty under this Agreement to perform any of Owner's obligations or other affirmative covenants of Owner hereunder, or to guarantee such performance; except that (i) to the

extent that any covenant to be performed by Owner is a condition precedent to the performance of a covenant by City, the performance thereof shall continue to be a condition precedent to City's performance hereunder, and (ii) in the event any Mortgagee seeks to develop or use any portion of the Subject Property acquired by such Mortgagee by foreclosure, deed of trust, or deed in lieu of foreclosure, such Mortgagee shall strictly comply with all of the terms, conditions and requirements of this Agreement and the Development Plan applicable to the Subject Property or such part thereof so acquired by the Mortgagee.

#### **ARTICLE 10. INDEMNITY**

Owner agrees to and shall indemnify, defend, and hold harmless City and City's officers, officials, members, employees, agents, and representatives (collectively, "Indemnified Parties"), from and against any and all claims, liabilities, damages, and losses, including without limitation reasonable attorneys' fees and litigation expenses, including court costs and expert witness fees (collectively, "Claims"), due to the death or personal injury of any person, or physical damage to any person's real or personal property, caused by the construction of improvements by, or construction-related activities of, Owner or Owner's employees, agents, representatives, servants, invitees, consultants, contractors, or subcontractors (collectively, "Owner's Representatives") on the Subject Property, or for any construction defects in any improvements constructed by Owner or Owner's Representatives on the Subject Property or for any other work related to this Agreement; provided, however, that the foregoing indemnification shall not apply to the extent such Claims are proximately caused by the negligence or willful misconduct of City, or City's officers, officials, members, employees, agents, or representatives, subject to any immunities which may apply to City with respect to such Claims. The foregoing indemnification provision shall survive the termination of this Agreement.

#### **ARTICLE 11. COMPLIANCE WITH APPLICABLE LAW**

11.1 **Compliance with Laws.** Owner shall cause all work performed in connection with construction of the Project to be performed in compliance with (a) all applicable laws, ordinances, rules and regulations of federal, state, county or municipal governments or agencies (including, without limitation, all applicable federal and state labor standards, including the prevailing wage provisions of Section 1770, *et seq.* of the California Labor Code), and (b) all directions, rules and regulations of any fire marshal, health officer, building inspector, or other officer of every governmental agency now having or hereafter acquiring jurisdiction. Owner shall indemnify, defend and hold the Indemnified Parties harmless from any and all Claims based upon or arising from the failure of any work related to the Project to comply with all such applicable legal requirements, including, without limitation, any such Claims that may be asserted against or incurred by any of the Indemnified Parties with respect to or in any way arising from the Project's compliance with or failure to comply with applicable laws, including all federal and state labor requirements including, without limitation, the requirements of California Labor Code Section 1770, *et seq.*

11.2 **Public Works.** Owner agrees that all public work (as defined in California Labor Code Section 1720) performed pursuant to this Agreement (the "Public Work") shall comply with the requirements of California Labor Code Section 1770, *et seq.* City makes no representation or

statement that the Project, or any portion thereof, is or is not a “public work” as defined in California Labor Code Section 1720.

**11.3 Public Work Contracts.** In all bid specifications, contracts and subcontracts for any Public Work, Owner (or its general contractor, in the case of subcontracts) shall obtain the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work in this locality for each craft, classification or type of worker needed to perform the Public Work, and shall include such rates in the bid specifications, contract or subcontract. Such bid specifications, contract or subcontract must contain the following provision: “It shall be mandatory for the contractor to pay not less than the said prevailing rate of wages to all workers employed by the contractor in the execution of this contract. The contractor expressly agrees to comply with the penalty provisions of California Labor Code Section 1775 and the payroll record keeping requirements of California Labor Code Section 1771.”

This Article 11 shall survive the termination of this Agreement.

## **ARTICLE 12. MISCELLANEOUS PROVISIONS**

**12.1 Recordation of Agreement.** A fully-executed original of this Agreement shall be deposited into Escrow directing that this Agreement shall be recorded immediately after recordation of the grant or other deed to Owner by which Owner acquires the Property. Pursuant to Government Code Section 65868.5, upon recordation, the burdens of this Agreement and each of its provisions shall be binding upon, and the benefits of this Agreement shall inure to, all successors in interest to the Parties. **12.3 Severability.** If any term, provision, covenant or condition of this Agreement shall be determined invalid, void or unenforceable, the invalid provision shall be deemed to be severable from the remaining provisions contained within this Agreement. The Parties hereby state and acknowledge they would have adopted each provision contained within this Agreement notwithstanding the presence of an invalid provision.

**12.4 Interpretation and Governing Law.** This Agreement and any dispute arising hereunder shall be governed and interpreted in accordance with the laws of the State of California. This Agreement shall be construed as a whole according to its fair language and common meaning to achieve the objectives and purposes of the Parties, and the rule of construction to the effect that ambiguities are to be resolved against the drafting party or in favor of City shall not be employed in interpreting this Agreement, all Parties having been represented by counsel in the negotiation and preparation hereof.

12.5 **Section Headings.** All section headings and subheadings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

12.6 **Singular and Plural.** As used herein, the singular of any word includes the plural.

12.7 **Waiver.** Failure of a Party to insist upon the strict performance of any of the provisions of this Agreement by the other Party, or the failure by a Party to exercise its rights upon the default of the other Party, shall not constitute a waiver of such Party's right to insist and demand strict compliance by the other Party with the terms of this Agreement thereafter.

12.8 **No Third Party Beneficiaries.** This Agreement is made and entered into for the sole protection and benefit for the Parties and their successors and assigns. No other person shall have any right of action based upon any provision of this Agreement.

12.9 **Force Majeure.** Neither Party shall be deemed to be in default where failure or delay in performance of any of its obligations under this Agreement is caused by earthquakes, the acts of God, fires, wars, riots or similar hostilities, strikes and other labor difficulties beyond the party's control (including the Party's employment force), court actions (such as restraining orders or injunctions), or other causes beyond the Party's reasonable control. If any such events shall occur, the term of this Agreement and the time for performance shall be extended for the duration of each such event, provided that the term of this Agreement shall not be extended under any circumstances for more than five (5) years.

12.11 **Counterparts.** This Agreement may be executed by the Parties in counterparts, which counterparts shall be construed together and have the same effect as if all of the Parties had executed the same instrument.

12.12 **Litigation.** Any action at law or in equity arising under this Agreement or brought by any Party hereto for the purpose of enforcing, construing or determining the validity of any provision of this Agreement shall be filed and tried in the Superior Court of the County of Los Angeles, State of California, or such other appropriate court in said county, and the Parties hereto waive all provisions of law providing for the filing, removal or change of venue to any other court. Service of process on City shall be made in accordance with California law. Service of process on Owner shall be made in any manner permitted by California law and shall be effective whether served inside or outside California. In the event of any action between City and Owner seeking enforcement of any of the terms and conditions to this Agreement, the prevailing party in such action shall be awarded, in addition to such relief to which such party entitled under this Agreement, its reasonable litigation costs and expenses, including without limitation its expert witness fees and reasonable attorney's fees.

12.13 **Covenant Not To Sue.** The Parties to this Agreement, and each of them, agree that this Agreement and each term hereof is legal, valid, binding, and enforceable. The Parties to this Agreement, and each of them, hereby covenant and agree that each of them will not commence, maintain, or prosecute any claim, demand, cause of action, suit, or other proceeding against any

**12.14 Project as a Private Undertaking.** It is specifically understood and agreed by and between the Parties that the Development of the Subject Property is a private development, that neither Party is acting as the agent of the other in any respect hereunder, and that each Party is an independent contracting entity with respect to the terms, covenants and conditions contained in this Agreement. No partnership, joint venture or other association of any kind is formed by this Agreement. The only relationship between City and Owner is that of a government entity regulating the Development of private property, on the one hand, and the holder of a legal or equitable interest in such property and as future holder of fee title to such property, on the other hand.

**12.15 Further Actions and Instruments.** Each of the Parties shall cooperate with and provide reasonable assistance to the other to the extent contemplated hereunder in the performance of all obligations under this Agreement and the satisfaction of the conditions of this Agreement. Upon the request of either Party at any time, the other Party shall promptly execute, with acknowledgment or affidavit if reasonably required, and file or record such required instruments and writings and take any actions as may be reasonably necessary under the terms of this Agreement to carry out the intent and to fulfill the provisions of this Agreement or to evidence or consummate the transactions contemplated by this Agreement.

The Parties shall cooperate in good faith with respect to any amendment proposed in order to clarify the intent and application of this Agreement, and shall treat any such proposal on its own merits, and not as a basis for the introduction of unrelated matters. Minor, non-material modifications may be approved by the City Manager in consultation with the City Attorney.

**ASSIGNMENT AND ASSUMPTION AGREEMENT**

THIS ASSIGNMENT AND ASSUMPTION AGREEMENT (“Agreement”) is made and entered into as of \_\_\_\_\_, 20\_\_ by and among \_\_\_\_\_ (“Assignor”), and \_\_\_\_\_ (“Assignee”).

**RECITALS:**

A. Assignor entered into that certain Development Agreement No. \_\_\_\_\_ executed by City of Long Beach (“City”) and the Assignor on \_\_\_\_\_ and recorded on \_\_\_\_\_ (the “Development Agreement”) in the Official Records of Los Angeles, California as Document No. \_\_\_\_\_.

B. The Development Agreement vested Assignor’s rights to develop 226 residential units, (the “Project”) on real property in Long Beach, California, as more specifically described in Exhibit “A” to the Development Agreement (the “Subject Property”).

C. Section 3.3 of the Development Agreement allows Assignor to sell, transfer, or assign the Subject Property in whole or in part to any person, partnership, joint venture, firm or corporation at any time during the term of that Development Agreement, provided that any such sale, transfer or assignment includes an assignment and assumption of the rights, duties and obligations arising under or from the Development Agreement. This Agreement is intended to serve as the instrument that effects that assignment and assumption of the rights, duties and obligations arising under or from the Development Agreement, in order to comply with Section 3.3 of the Development Agreement.

D. The Assignor and Assignee have entered into a purchase and sale agreement (“Purchase Agreement”) whereby Assignor is selling all of its interest in the Subject Property to the Assignee, which is scheduled to close concurrently with the recordation of this Agreement (the “Effective Date”).

E. As part of its sale of the Subject Property, Assignor desires to assign, and Assignee desires to be assigned, all of Assignor’s interest in the Development Agreement.

NOW, THEREFORE, in consideration of the foregoing recitals and for valuable consideration, receipt of which is hereby acknowledged, the parties agree as follows:

1. Assignment of Development Agreement.

(a) As of the Effective Date (as defined below), Assignor hereby transfers and assigns to Assignee, all right, title and interest under the Development Agreement (“Assignment”). The “Effective Date” shall be the date on which the Assignee acquires the Subject Property.

(b) Assignor represents and warrants that it has complied in all material respects with its obligations under the Development Agreement arising prior to the Effective Date.

(c) Notwithstanding Section 3.3.1 of the Development Agreement, Assignor shall remain liable to City for the full and proper performance of all the obligations under the Development Agreement only for the period prior to the Effective Date of this Agreement.

(d) Assignor has not received notice of any default under the Development Agreement from the City and, to Assignor’s knowledge, neither Assignor nor the City is in default in any material respect thereunder. Assignor represents and warrants that it has not assigned any interest in the Development Agreement and that it will defend its interest under the Development Agreement. Except as stated above, and except for such representations and warranties as may expressly survive the execution of this Agreement pursuant to the terms of the Purchase Agreement, Assignor’s right, title and interest in, to and under the Development Agreement and the Subject Property covered thereby are assigned hereunder without representation or warranty of any kind or nature whatsoever, whether statutory, express or implied.

2. Assumption of Development Agreement.

(a) The undersigned Assignee (i) hereby accepts said Assignment as of the Effective Date; (ii) hereby assumes all of Assignor’s burdens and obligations under the Development Agreement from and after the Effective Date; (iii) hereby agrees to and for the benefit of City to keep, perform, and be bound by all of the terms, covenants and conditions contained in said Development Agreement on the part of the Owner therein to be kept and performed from and after the Effective Date, to all intents and purposes as though the undersigned Assignee was the original Owner thereunder; and (iv) hereby agrees to be subject to all of the terms and conditions of the Development Agreement applicable to the Subject Property, in each case to the extent that such burdens, obligations or duties arise from and after the Effective Date.

(b) Pursuant to Section 3.3.1(c) of the Development Agreement, the Assignee shall provide the City with security equivalent to any security previously provided by the Assignor to secure performance of Assignee’s obligations as the Owner under the Development Agreement.

(c) As between the Assignee and the Assignor, the delivery of this Agreement shall not affect, enlarge, diminish or otherwise impair any of the terms or provisions of the Purchase Agreement or the rights or obligations of the parties thereunder. In the event of a conflict between the terms and provisions of this Agreement and the terms and provisions of the Purchase Agreement, the terms and provisions of this Agreement shall govern and control. In the event of a conflict between (i) the Development Agreement and this Agreement, and/or (ii) the

Development Agreement and the Purchase Agreement, the terms and provisions of the Development Agreement shall, as between the City, on the one hand, and the Assignor and Assignee, on the other hand, govern and control.

(d) The undersigned Assignee further covenants and agrees that it has examined the Subject Property and that no representation or warranties have been made by Assignor, the City or by any person or agent acting for the Assignor or the City in connection with the Subject Property. Assignee accepts the Subject Property "AS IS".

(e) On or before the Effective Date, Assignee further agrees to provide City evidence of insurance in the manner required by Article 9 of the Development Agreement.

(f) Any default under this Agreement by Assignee shall be a concurrent default under the Development Agreement.

3. Development Agreement. Assignee has reviewed all of the provisions of the Development Agreement, has sought legal counsel where necessary, and fully understands all of the terms and conditions of the Development Agreement that are allocated to the Subject Property and assumed by Assignee by this Agreement.

4. No Amendment to Development Agreement. Assignor and Assignee acknowledge and agree that the Development Agreement shall continue to be in full force and effect notwithstanding the Assignment thereof with respect to the Subject Property, and shall continue to govern the rights and obligations of Assignee as the assignee of the "Owner" of the Subject Property, as provided by this Agreement and the Development Agreement.

5. Recording. This Agreement may be recorded.

6. Counterparts. This Agreement may be executed in counterparts, each of which when taken together shall constitute the one original.
