2. (20-050EC) Recommendation to receive and file a report on the current powers and duties of the Ethics Commission and discuss the development of future priorities and an Ethics Commission work plan.	Michelle Baker	michellebaker199@gmail.com	1900 E Ocean Blvd, 816				I have two concerns that need to be addressed: ETA was given contracts by the city, the mayor's office and other city agencies. Lena Gonzales husband, Adam Castillo was the VPRES of the company. This is a clear conflict of interest and moving forward, no city contracts should be awarded to companies where family members, spouses or partners of City Council members are involved. Also, Adam Castillo left ETA and should not be allowed to bid on city contracts. Also, we need video city council meetings. It's been too long.	11/10/2020
PUBLIC COMMENT	Michelle Baker	michellebaker199@gmail.com	1900 E Ocean Blvd, 816				City Concl members and the Mayor should be abiding by the city social media policy and not block LB constituents on twitter, facebook and instagram. Rex Richardson and the mayor are blocking people on twitter and saying its their personal twitter... Rex Richardson is using his personal twitter to specifically talk about city policies and issues which is against the city social media policy.	11/10/2020
