29. (23-0832) Recommendation to conduct a Budget Hearing to receive and discuss an overview of the Proposed Fiscal Year 2024 Budget. (Citywide)	Max Rico	maxjrico@gmail.com		Did you know that a third of cyclist deaths in ALL of Southern California over the last year have occurred in Long Beach? Blood is on the city council's hands if you continue to ignore calls for building traffic calming measures and a connected network of protected bike lanes. Maintaining the car-centric status quo is a massive middle finger to the face of current and future generations dealing with traffic violence and a rapidly heating planet.	8/1/2023
PUBLIC COMMENT	Greg Magnuson	greg@edmgmtsolutions.com		On behalf of the Long Beach residents identified within, collectively "Friends of Alamitos Bay," please refer the letter submitted via email on July 31, 2023 to the Mayor, City Council and City Manager requesting that the City Council resolve to support and advocate for the proposed extension of the State Water Resources Control Board Policy amendment to extend the deadline for Once Through Cooling at the AES Alamitos generating station; Provide full funding for replacement pumps as identified by the Alamitos Bay Water Quality Enhancement Project; and provide for other activities to ensure continuing health of Alamitos Bay and public transparency of the environmental conditions in the Alamitos Bay.	7/31/2023
