Subject Forbidden City

Regarding the public hearing for the issuance of a permit for the restaurant Forbidden City, I would like to support the decision for the permit. I believe that this will just enhance the atmosphere of the restaurant. Living in the Apartments across from the restaurant Marina Pacifica Key 11, I have had no issues with the noise from this establishment. I truly hope that they receive the permit to enhance the dining experience at one of the best and friendliest restaurants in Long beach. The issue of this permit would simply bring them up to the same standards as the surrounding restaurants in the same area.
