HONORABLE MAYOR AND CITY COUNCIL  
City of Long Beach  
California

## RECOMMENDATION:

Receive and file Annual Report of the Downtown Long Beach Parking and Business Improvement Area, approve the proposed budget for Fiscal Year 2007 (FY 07) and authorize the City Manager to execute a contract with the Downtown Long Beach Associates for the period of October 1, 2006 through September 30, 2007. (Districts 1 and 2)

## DISCUSSION

Downtown Long Beach Associates (DLBA) has three routine sources of revenue that pass through the City to the organization. They are: business operator assessments, property owner assessments and downtown parking meter revenue sharing. This action relates to business operator assessment funds used to promote and market downtown Long Beach on behalf of businesses located in the Downtown Long Beach Parking and Business Improvement Area (DLBPBIA). The City Council approves the property owner assessment separately each December. Annual parking revenue is shared as approved by City Council on June 21, 2005 (Item R35).

The proposed contract with DLBA requires the City to transmit all DLBPBIA assessment funds collected from downtown businesses to the DLBA every other month. This City Council action addresses DLBPBIA assessment revenue of \$570,000 for the contract period of October 1, 2006 through September 30, 2007. The DLBA's 2006-2007 Annual Budget and Management Report is attached. The DLBA will provide quarterly reports to the City on expenditures and submit an annual report summarizing FY 07 activities.

This letter was reviewed by Assistant City Attorney Heather Mahood on August 23, 2006, Budget Management Officer David Wodynski on September 8, 2006, and the City Treasurer's Office on August 30, 2006.

TIMING CONSIDERATIONS

The DLBA contract year began on October 1, 2006. City Council action is requested on October 17, 2006 to renew the contract in a timely manner.

FISCAL IMPACT

Sufficient funding to cover the proposed budget of \$570,000 is included in the FY 07 budget in the Parking and Business Improvement Fund (SR 132) in the Department of Community Development (CD). There will be no impact on the General Fund.

SUGGESTED ACTION:

Approve recommendation.

## **OPERATIONS WORK PLAN**

### **FY 2006-07**

#### **INTRODUCTION**

The Downtown Long Beach Associates (DLBA) Operations Department is dedicated to the security and maintenance of the 85-block assessment district in the Downtown via the Downtown Clean Team and Downtown Guides.

#### **DOWNTOWN CLEAN TEAM**

**\$569,461**

The Clean Team ensures the central business district remains attractive, clean and appealing for the visitor seven days a week. In order to consistently deal with maintenance issues, a multi-dimensional approach was developed consisting of: sidewalk maintenance, alley maintenance, graffiti removal, sidewalk scrubbing and pressure washing, trash collection, landscape maintenance, paper sign and handbill removal, and maintenance problems requiring third party intervention.

- **Sidewalk Maintenance**  
Uniformed, radio-equipped personnel sweep litter, debris and refuse from sidewalks and gutters within the District.
  
- **Alley Maintenance**  
The Downtown Clean Team and Downtown Guides each have responsibility in this area. The Downtown Guides address owner and tenant compliance with City code issues on cleanliness of sidewalks, alleys and illegal dumping. The Downtown Clean Team works with Long Beach Energy to remove debris from the alley when a responsible party can not be found for illegal dumping or other violations.
  
- **Graffiti Removal**  
The Downtown Clean Team removes graffiti by using solvents and pressure washing. The District maintains a zero tolerance graffiti policy. All tags will be removed within 24 hours. For those tags that the Downtown Clean Team is unable to remove, a list is sent via fax to the Graffiti Abatement Team with the City of Long Beach, which sends a graffiti removal team out.
  
- **Sidewalk Pressure Washing**  
Pressure washers service 12 - 15 blocks per day, seven days a week. The District standard is to have all sidewalks cleaned every six weeks, with Premium areas cleaned weekly.
  
- **Sidewalk Scrubbing**  
Sidewalk scrubbers service multiple blocks per day, seven days a week. The District standard is to have all sidewalks scrubbed every week.

- **Trash Collection**  
The District truck collects the bags of trash left in pre-arranged locations by the Sweepers each morning and afternoon. The bags are deposited in a large trash bin assigned to the DLBA.
- **Landscape Maintenance**  
Public landscape areas, tree wells and planters are maintained and kept free of litter and weeds.
- **Paper Sign and Handbill Removal**  
Paper signs and handbills that have been scotch-taped or glued on public property, utility boxes, poles and telephones are removed by hand or when necessary, by high pressure hose.
- **Maintenance Problems Requiring Third Party Intervention**  
Problems are monitored that create blighted or unsafe conditions in the District, but are outside of the jurisdiction of the DLBA personnel to repair. Requests are made to the responsible party for repair. Types of problems include blocked or damaged sewers or drains, damaged sidewalks, streets, and/or alleys, non-operating street lights, damaged or missing street signs, etc.

## **DOWNTOWN GUIDES**

**\$501,335**

The District mission for the Downtown Guides is to support the police department, property owners and tenants in overall crime prevention efforts and reduction in neighborhood street disorder, while offering customer service orientation to pedestrians. They provide highly visible neighborhood security and are intended to supplement, not supplant individual building security and the Long Beach Police Department (LBPB). They assist with quality of life issues, and participate in outreach programs.

- **Integration with the Long Beach Police Department**  
The Downtown Guides work closely with the LBPB and integrate the District security program with that of the LBPB, whose officers are active in the development and training of the Downtown Guides.
- **Bicycle Patrol**  
The Bike Patrol deters aggressive panhandling and other unsuitable street behavior. Their presence is a deterrent to theft and burglary from motor vehicles; however the service does not completely prevent these crimes. They also deter and report illegal street vending, illegal dumping and street code violations. They handle a myriad of quality of life problems including: drinking in public, urinating in public, indecent exposure, trespassing, scavenging and shopping cart confiscation. They perform goodwill gestures such as escorting employees, helping lost persons and giving directions. Bike Patrols also assist with traffic control in case of accidents, fires or unusual occurrences.

Bike patrols are assigned routes evenly, covering all property equally on any route in the District. They are professional, assertive, friendly, courteous, people oriented individuals in excellent physical condition. The Bike Patrol officers complete 32 hours of customized classroom district training and 16 hours of field training.

- **Foot Patrol**

The Foot Patrol concentrates on the highest pedestrian-use corridors such as Pine Avenue, the Promenade, City Place and The Pike at Rainbow Lagoon. The Foot Patrol has the same mission and receives the same training as the Bike Patrol.

- **Personal Data Assistants (PDAs)**

Downtown Long Beach Associates will continue to contract with Eponic, Inc. to provide on-line user management and report tools as well as support and service of the PDAs for the Downtown Guide Program.

- **Integration with Homeless Service Providers**

The Downtown Guides are accompanied on bike patrol by an Outreach Worker from the Multi-Service Center on pre-arranged days. The Guides have learned from the Outreach Workers and have become more empathetic and understanding of the needs of the homeless person as well as more confident in referring these individuals to local service providers.

## **OUTREACH & ADVOCACY**
