The ONE LOVE Beach Club formerly occupying the space at 2767 East Broadway Long Beach California 90803 is asking for your help in re-establishing our medical marijuana dispensary.

We have tried very hard to be a good neighbor and add value and vitality to the neighborhood. Additionally, we are mindful of security concerns and have never had any incidents or problems with any of our neighbors past or present, nor have we had any issues with the Long Beach Police Department.

We ask you to please join us in respectfully submitting this request to the City of Long Beach City Council and in particular to Dr. Suja Lowenthal, Council Member overseeing the second district.

The ONE LOVE family thanks you in advance for your support.
