RESOLUTION NO. HD- 2236

RESOLUTION OF THE BOARD OF HARBOR  
COMMISSIONERS OF THE CITY OF LONG BEACH  
ESTABLISHING A GREEN PORT POLICY

WHEREAS, the Board of Harbor Commissioners of the City of Long Beach wishes to establish a Green Port Policy to distinguish the Harbor Department as a leader in environmental stewardship and guide its day-to-day activities; and

WHEREAS, the Board wishes to establish a framework to promulgate and monitor the progress of the Policy; and

WHEREAS, any general rules and regulations that may be needed to implement particular measures pursuant to the Policy will have to be adopted by ordinance pursuant to Section 1206 of the City of Long Beach Charter; and

WHEREAS, certain implementation measures may be beyond the independent jurisdiction of the Board, in which case the Board may work cooperatively with applicable local, state and federal authorities.

NOW THEREFORE, the Board of Harbor Commissioners of the City of Long Beach hereby adopts the following in furtherance of a Green Port Policy. Within the limits of its jurisdiction, the Harbor Department shall endeavor in its activities to:

1. Protect the local community and the environment from harmful effects of port operations.
2. Employ best available control technology to minimize environmental impact and continue to explore the most advanced technology to reduce harmful emissions.
3. Promote sustainability in terminal design, development and operations by meeting present needs without compromising the ability of future generations to meet their own needs.
