Date: March 20, 2018

To: Honorable Mayor and Members of the City Council

From: Councilwoman Suzie Price, Third District 
Councilmember Daryl Supernaw, Fourth District 

Subject: Fund Transfer for Fix Long Beach

RECOMMENDATION:

Increase appropriations in the General Fund (GF) in the Parks, Recreation and Marine Department (PR) by \$6,400, offset by the Third and Fourth Council District one-time infrastructure funds transferred from the Capital Projects Fund (CP) in the Public Works Department (PW) to support the Fix Long Beach event, a spay & neuter clinic, on April 14, 2018.

BACKGROUND:

The Third Council District wishes to partner with the Fourth Council District to provide spay and neuter services to 21 dogs on April 14, 2018

To qualify for Fix Long Beach's Program, a pet must meet residence, income, age, and size requirements. If the dog does not meet the size and age requirements, a \$50 voucher for surgery at a local veterinarian office is provided. As of October 2015, Long Beach has a mandatory spay/neuter law. Cats must be fixed by 4 months old and dogs must be fixed by 6 months old.

FISCAL IMPACT:

The total appropriation increase of \$6,400 in the General Fund (GF) in the Parks, Recreation and Marine Department (PR) is offset by a transfer of \$3,200 from each of the Third and Fourth Council Districts one-time infrastructure funds in the Capital Projects Fund (CP) in the Public Works Department (PW).
