19. (18-0450) Recommendation to request City Council to censure Councilmember Jeannine Pearce for her conduct as a member of the City Council that has reflected poorly on the City of Long Beach and raises questions of potential sexual harassment, conflict of interest and failure to adhere to the City's Code of Ethics.	brian hernandez	bhernandez590@yahoo.com			Long Beach	CA	90815	Why has the rest of the city council members remained silent to Jeannine Pearce's corruption, special treatment and cover up. What else is being hidden? Why isn't there more scrutiny and what will it take for the city hall council to be accountable? The minutes should be approved and Jeannine Pearce should be held accountable. She's used up so much of our city's resources	5/22/2018

Tied up city resources with all this corruption and mishandling of information. Downright lies. This is just the tip of the iceberg when it comes to her. I thank the city council members who are not afraid to show transparency and voice their concern of this renegade council member. She has used up too much of our city's resources for her own corruption. Everyone knows that the CHP doesn't call the LBPD for a DUI on the freeway. Save our city!	5/22/2018

Michelle Baker	michellebaker199@gmail.com						Councilmember Pearce needs to be censured. She has engaged in poor behavior and unethical actions. We deserve honest representation and someone who is committed to ethical leadership. I think she should resign.	5/22/2018

Tommy Tso	tso_tommy@yahoo.com			Long Beach	CA	90802	As a longtime resident of the Second District, I am encouraged to see this action proposed by members of our City Council. While it has taken a long time to come to fruition, I do applaud and support those Councilmembers who will vote to censure Jeannine Pearce. Her actions have been nothing short of reckless and reprehensible. She has placed the City in legal jeopardy solely for her own benefit and deserves nothing less than censure.	5/22/2018

Gretchen Swanson	gretchen.swanson3@gmail.com						Dear Mayor Garcia and Attorney Parkin - I strongly urge you both to remove the censure item from the meeting agenda. Use of the Code of Ethics "failure to adhere to the City's Code of Ethics" without substantiation is itself problematic. Use of punitive measures for political intentions puts us all at risk. If the 2nd District Councilmember needs clarification regarding the Code of Ethics, then the response should include training not censure. Gretchen Swanson 621 Coronado Ave. Long Beach, Ca	5/22/2018

Leslie Smith	leslie@leslieslaw.com						Jeannine Pearce is not only an embarrassment to herself, her family and her constituents, but she is a disgrace to the entire City of Long Beach. She has exposed the City to substantial liability, and her brazen attempts to deflect from her own misconduct by playing the "victim," is disturbing to actual victims of sexual harassment. I not only support a censure of Ms. Pearce, but as part of the #MeToo movement, I urge Ms. Pearce to immediately step down from public office. We deserve better!!!	5/22/2018

MONIQUE DREIS	moecake@gmail.com			Long Beach	CA	90802	I am disgusted by the actions of Council-member Pearce. She got away with something a normal citizen would have been arrested for, on that fateful night off of the 710 fwy. The blatant hiring of her boyfriend Cotter, while she being a married woman, is unacceptable. The fact that the city had to pay Cotter when he was discharged is a disgrace to the city. Not to mention, the fact of her being recalled is eminent.	5/21/2018

Miles McNeeley	tucanilez@yahoo.com						This action against Councilmember Pearce is fueled by those opposed to her politics and her advocacy for workers rights. There is such irony in framing this as a concern for ethics. I hope we all can evaluate the ethical implications of assailing an elected official due to her exercising her independence, supporting labor movements, and supporting marginalized communities even when it is viewed as anti-business. With disagreement, let's debate the policy not the person. This is a slippery slope.	5/21/2018

Anne Proffit	anne@highpowermedia.com						Council should move beyond censure of Ms Pearce, who has shown no willingness to work with constituents in her district, fails to return phone calls or emails and runs her council office like it's party central. Her comportment in discharging her duties is willfully wasteful. She does not properly represent CD2 or the city of Long Beach. Demand her resignation before her inability to function involves everyone at 333 W Ocean.	5/21/2018

Debbie Lewis	debbieellen.lewis@gmail.com			Long Beach	CA	90802	I wholeheartedly support a City Council censure of Jeannine Pearce. It is long overdue and has cast a doubt on the ethical standards of all council members, who through their public silence have apparently seen nothing wrong with their peer's behavior. That a public official entrusted with the well-being and prosperity of our city would allow her troubled personal life to so blatantly spill over to her council responsibilities is completely abhorrent.	5/20/2018
