Updates: Timing of Commission Agendas/Materials

Climate Pollution Reduction Grant (CPRG)

- Grant awarded by US Environmental Protection Agency to the Los Angeles–Long Beach–Anaheim (LA-OC) Metropolitan Statistical Area (MSA)
- Grant purpose is to develop a Priority and a Comprehensive Climate Action Plan to reduce greenhouse gas emissions and air pollution
- Authorized through Federal Inflation Reduction Act 2022
- Objectives:
 - Tackle climate change while supporting the creation of job and lowering energy costs
 - Accelerate environmental injustice and community driven solutions
 - Deliver cleaner air by reducing air pollution
- Two phases:
 - Phase 1: Formula grant to develop a Priority Climate Action Plan (PCAP), a Comprehensive Climate Action Plan (CCAP), and a report
 - Phase 2: Competitive implementation grants based on State and or MSA PCAP

Next Meeting

- Revised October Commission Date
 - Proposed for Thursday October 19 (instead of Thursday October 26)
 - Topics Covered: Building & Energy, Waste
