

PROCLAMATION

Litter-Free Long Beach

November 2005

Whereas, a clean and safe city attracts tourists and businesses, increases property values, and helps reduce crime; and

Whereas, taking pride in Long Beach is greatly influenced by the community's awareness of the impacts of litter; and

Whereas, the support of Long Beach businesses is vital to keeping Long Beach clean and its business corridors economically strong; and

Whereas, everyone in the City has the opportunity to take an active role in achieving a litter-free Long Beach,

Now, Therefore, I, Beverly O'Neill, Mayor of the City of Long Beach, on behalf of the Long Beach City Council, do hereby proclaim November 2005 as Litter-Free Long Beach Month in Long Beach, and commend the efforts of the residents, businesses and City staff who are helping to make Long Beach a cleaner and safer city.

Beverly O'Neill
