THIS CONTRACT is made and entered, in duplicate, as of December 11, 2013 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting held on December 3, 2013, by and between JOHN S. MEEK COMPANY, INC., a California corporation ("Contractor"), whose address is 14732 S. Maple Avenue, Gardena, California 90805, and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, pursuant to a "Notice Inviting Bids for Dock 10 Replacement in the City of Long Beach, California," dated August 30, 2013, and published by City, bids were received, publicly opened and declared on the date specified in said Notice; and

WHEREAS, the City Manager accepted the bid of Contractor; and

WHEREAS, the City Council authorized the City Manager to enter a contract with Contractor for the work described in Project Plans and Specifications No. R-6910;

NOW, THEREFORE, in consideration of the mutual terms and conditions herein, the parties agree as follows:

1. SCOPE OF WORK. Contractor shall furnish all necessary labor, supervision, tools, materials, supplies, appliances, equipment and transportation for the work described in "Project Plans and Specifications No. R-6910 for Dock 10 Replacement in the City of Long Beach, California," said work to be performed according to the Contract Documents identified below. However, this Contract is intended to provide to City complete and finished work and, to that end, Contractor shall do everything necessary to complete the work, whether or not specifically described in the Contract Documents.

2. PRICE AND PAYMENT.

A. City shall pay to Contractor the amount(s) for materials and work identified in Contractor's "Bid for Dock 10 Replacement in the City of Long

1 Beach, California," attached hereto as Exhibit "A".

2 B. Contractor shall submit requests for progress payments and  
3 City will make payments in due course of payments in accordance with Section 9  
4 of the Standard Specifications for Public Works Construction (latest edition).

5 3. CONTRACT DOCUMENTS.

6 A. The Contract Documents include: The Notice Inviting Bids,  
7 Project Specifications No. R-6910 (which may include by reference the Standard  
8 Specifications for Public Works Construction, latest edition, and any supplements  
9 thereto, collectively the "Standard Specifications"); the City of Long Beach  
10 Standard Plans; the California Code of Regulations; the various Uniform Codes  
11 applicable to trades; the prevailing wage rates; Instructions to Bidders; the Bid; the  
12 bid security; the City of Long Beach Disadvantaged, Minority and Women-Owned  
13 Business Enterprise Program; this Contract and all documents attached hereto or  
14 referenced herein including but not limited to insurance; Bond for Faithful  
15 Performance; Payment Bond; Notice to Proceed; Notice of Completion; any  
16 addenda or change orders issued in accordance with the Standard Specifications;  
17 any permits required and issued for the work; approved final design drawings and  
18 documents; and the Information Sheet. These Contract Documents are  
19 incorporated herein by the above reference and form a part of this Contract.

20 B. Notwithstanding Section 2-5.2 of the Standard Specifications,  
21 if any conflict or inconsistency exists or develops among or between Contract  
22 Documents, the following priority shall govern: 1) Permit(s) from other public  
23 agencies; 2) Change Orders; 3) this Contract (including any and all amendments  
24 hereto); 4) Addenda (which shall include written clarifications, corrections and  
25 changes to the bid documents and other types of written notices issued prior to bid  
26 opening; 5) Project Specifications; 6) Project Plans (including drawings); 7) the  
27 City of Long Beach Standard Plans; 8) Standard Specifications (as identified in  
28 Section 3.A. hereof, the "Greenbook"); 9) other reference specifications; 10)

1 other reference plans; 11) the bid; and 12) the Notice Inviting Bids.

2 4. TIME FOR CONTRACT. Contractor shall commence work on a date  
3 to be specified in a written "Notice to Proceed" from City and shall complete all work  
4 within seventy-five (75) working days thereafter, subject to strikes, lockouts and events  
5 beyond the control of Contractor. Time is of the essence hereunder. City will suffer  
6 damage if the work is not completed within the time stated, but those damages would be  
7 difficult or impractical to determine. So, Contractor shall pay to City, as liquidated  
8 damages, the amount stated in the Contract Documents.

9 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The  
10 acceptance of any work or the payment of any money by City shall not operate as a  
11 waiver of any provision of any Contract Document, of any power reserved to City, or of  
12 any right to damages or indemnity hereunder. The waiver of any breach or any default  
13 hereunder shall not be deemed a waiver of any other or subsequent breach or default.

14 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently  
15 herewith, Contractor shall submit certification of Workers' Compensation coverage in  
16 accordance with California Labor Code Sections 1860 and 3700, a copy of which is  
17 attached hereto as Exhibit "B".

18 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time  
19 upon City by Contractor for and on account of any extra or additional work performed or  
20 materials furnished, unless such extra or additional work or materials shall have been  
21 expressly required by the City Manager and the quantities and price thereof shall have  
22 been first agreed upon, in writing, by the parties hereto.

23 8. CLAIMS. Contractor shall, upon completion of the work, deliver  
24 possession thereof to City ready for use and free and discharged from all claims for labor  
25 and materials in doing the work and shall assume and be responsible for, and shall  
26 protect, defend, indemnify and hold harmless City from and against any and all claims,  
27 demands, causes of action, liability, loss, costs or expenses for injuries to or death of  
28 persons, or damages to property, including property of City, which arises from or is

1 connected with the performance of the work.

2           9.     INSURANCE. Prior to commencement of work, and as a condition  
3 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence  
4 of all insurance required in the Contract Documents.

5           In addition, Contractor shall complete and deliver to City the form  
6 (“Information Sheet”) attached as Exhibit “C” and incorporated by reference, to comply  
7 with Labor Code Section 2810.

8           10.    WORK DAY. Contractor shall comply with Sections 1810 through  
9 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a  
10 penalty to City, the sum of Twenty-Five Dollars (\$25) for each worker employed by  
11 Contractor or any subcontractor for each calendar day such worker is required or  
12 permitted to work more than eight (8) hours unless that worker receives compensation in  
13 accordance with Section 1815.

14           11.    PREVAILING WAGE RATES. Contractor is directed to the  
15 prevailing wage rates. Contractor shall forfeit, as a penalty to the City, Two Hundred  
16 Dollars (\$200) for each laborer, worker or mechanic employed for each calendar day, or  
17 portion thereof, that such laborer, worker or mechanic is paid less than the prevailing  
18 wage rates for any work done by Contractor, or any subcontractor, under this Contract.

19           12.    COORDINATION WITH GOVERNMENTAL REGULATIONS.

20           A.     If the work is terminated pursuant to an order of any Federal  
21 or State authority, Contractor shall accept as full and complete compensation  
22 under this Contract such amount of money as will equal the product of multiplying  
23 the Contract price stated herein by the percentage of work completed by  
24 Contractor as of the date of such termination, and for which Contractor has not  
25 been paid. If the work is so terminated, the City Engineer, after consultation with  
26 Contractor, shall determine the percentage of work completed and the  
27 determination of the City Engineer shall be final.

28           B.     If Contractor is prevented, in any manner, from strict

1 compliance with the Plans and Specifications due to any Federal or State law, rule  
2 or regulation, in addition to all other rights and remedies reserved to the parties  
3 City may by resolution of the City Council suspend performance hereunder until  
4 the cause of disability is removed, extend the time for performance, make changes  
5 in the character of the work or materials, or terminate this Contract without liability  
6 to either party.

7 13. NOTICES.

8 A. Any notice required hereunder shall be in writing and  
9 personally delivered or deposited in the U.S. Postal Service, first class, postage  
10 prepaid, to Contractor at the address first stated herein, and to the City at 333  
11 West Ocean Boulevard, Long Beach, California 90802, Attn: City Manager. Notice  
12 of change of address shall be given in the same manner as stated herein for other  
13 notices. Notice shall be deemed given on the date deposited in the mail or on the  
14 date personal delivery is made, whichever first occurs.

15 B. Except for stop notices and claims made under the Labor  
16 Code, City will notify Contractor when City receives any third party claims relating  
17 to this Contract in accordance with Section 9201 of the Public Contract Code.

18 14. BONDS. Contractor shall, simultaneously with the execution of this  
19 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the  
20 form attached hereto and in the amount specified therein, conditioned upon the faithful  
21 performance of this Contract by Contractor, and a good and sufficient corporate surety  
22 bond, in the form attached hereto and in the amount specified therein, conditioned upon  
23 the payment of all labor and material claims incurred in connection with this Contract.

24 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor  
25 any of the moneys that may become due Contractor hereunder may be assigned by  
26 Contractor without the written consent of City first had and obtained, nor will City  
27 recognize any subcontractor as such, and all persons engaged in the work of  
28 construction will be considered as independent contractors or agents of Contractor and

1 will be held directly responsible to Contractor.

2 16. CERTIFIED PAYROLL RECORDS.

3 A. Contractor shall keep and shall cause each subcontractor  
4 performing any portion of the work under this Contract to keep an accurate payroll  
5 record, showing the name, address, social security number, work classification,  
6 straight time and overtime hours worked each day and week, and the actual per  
7 diem wages paid to each journeyman, apprentice, worker, or other employee  
8 employed by Contractor or subcontractor in connection with the work, all in  
9 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such  
10 payroll records for Contractor and all subcontractors shall be certified and shall be  
11 available for inspection at all reasonable hours at the principal office of Contractor  
12 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure  
13 to furnish such records to City in the manner provided herein for notices shall  
14 entitle City to withhold the penalty prescribed by law from progress payments due  
15 to Contractor.

16 B. Upon completion of the work, Contractor shall submit to the  
17 City certified payroll records for Contractor and all subcontractors performing any  
18 portion of the work under this Contract. Certified payroll records for Contractor  
19 and all subcontractors shall be maintained during the course of the work and shall  
20 be kept by Contractor for up to three (3) years after completion of the work.

21 C. The foregoing is in addition to, and not in lieu of, any other  
22 requirements or obligations established and imposed by any department of the  
23 City with regard to submission and retention of certified payroll records for  
24 Contractor and subcontractors.

25 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to  
26 the contrary in the Standard Specifications, Contractor shall have the responsibility, care  
27 and custody of the work. If any loss or damage occurs to the work that is not covered by  
28 collectible commercial insurance, excluding loss or damage caused by earthquake or

1 flood or the negligence or willful misconduct of City, then Contractor shall immediately  
2 make the City whole for any such loss or pay for any damage. If Contractor fails or  
3 refuses to make the City whole or pay, then City may do so and the cost and expense of  
4 doing so shall be deducted from the amount due Contractor from City hereunder.

5 18. CONTINUATION. Termination or expiration of this Contract shall not  
6 terminate the rights or liabilities of either party which rights or liabilities accrued or existed  
7 prior to termination or expiration of this Contract.

8 19. TAXES AND TAX REPORTING.

9 A. As required by federal and state law, City is obligated to and  
10 will report the payment of compensation to Contractor on Form 1099-Misc.  
11 Contractor shall be solely responsible for payment of all federal and state taxes  
12 resulting from payments under this Contract. Contractor shall submit Contractor's  
13 Employer Identification Number (EIN), or Contractor's Social Security Number if  
14 Contractor does not have an EIN, in writing to City's Accounts Payable,  
15 Department of Financial Management. Contractor acknowledges and agrees that  
16 City has no obligation to pay Contractor until Contractor provides one of these  
17 numbers.

18 B. Contractor shall cooperate with City in all matters relating to  
19 taxation and the collection of taxes, particularly with respect to the self-accrual of  
20 use tax. Contractor shall cooperate as follows: (i) for all leases and purchases of

26 of Equalization for the Work site. "Qualified" means that the Contractor purchased  
27 at least \$500,000 in tangible personal property that was subject to sales or use tax  
28 in the previous calendar year.

1 C. Contractor shall create and operate a buying company, as  
2 defined in State of California Board of Equalization Regulation 1699, subpart (h),  
3 in City if Contractor will purchase over \$10,000 in tangible personal property  
4 subject to California sales and use tax.

5 D. In completing the form and obtaining the permit(s), Contractor  
6 shall use the address of the Work site as its business address and may use any  
7 address for its mailing address. Copies of the form and permit(s) shall also be  
8 delivered to the City Engineer. The form must be submitted and the permit(s)  
9 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not  
10 order any materials or equipment over \$100,000 from vendors outside California  
11 until the form is submitted and the permit(s) obtained and, if Contractor does so, it  
12 shall be a material breach of this Contract. In addition, Contractor shall make all  
13 purchases from the Long Beach sales office of its vendors if those vendors have a  
14 Long Beach office and all purchases made by Contractor under this Contract  
15 which are subject to use tax of \$500,000 or more shall be allocated to the City of  
16 Long Beach. Contractor shall require the same cooperation with City, with regards  
17 to subsections B, C and D under this section (including forms and permits), from

24 20. ADVERTISING. Contractor shall not use the name of City, its  
25 officials or employees in any advertising or solicitation for business, nor as a reference,  
26 without the prior approval of the City Manager, City Engineer or designee.

27 21. AUDIT. If payment of any part of the consideration for this Contract  
28 is made with federal, state or county funds and a condition to the use of those funds by

1 City is a requirement that City render an accounting or otherwise account for said funds,  
2 then City shall have the right at all reasonable times to examine, audit, inspect, review,  
3 extract information from, and copy all books, records, accounts and other information  
4 relating to this Contract.

5           22. NO PECULIAR RISK. Contractor acknowledges and agrees that the  
6 work to be performed hereunder does not constitute a peculiar risk of bodily harm and  
7 that no special precautions are required to perform said work.

8           23. THIRD PARTY BENEFICIARY. This Contract is intended by the  
9 parties to benefit themselves only and is not in any way intended or designed to or  
10 entered for the purpose of creating any benefit or right of any kind for any person or entity  
11 that is not a party to this Contract.

12           24. SUBCONTRACTORS. Contractor agrees to and shall bind every  
13 subcontractor to the terms of this Contract; provided, however, that nothing herein shall  
14 create any obligation on the part of City to pay any subcontractor except in accordance  
15 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply  
16 with this Section shall be deemed a material breach of this Contract. A list of  
17 subcontractor(s) submitted by Contractor in compliance with Public Contract Code  
18 Sections 4100 et seq. is attached hereto as Exhibit "D" and incorporated herein by this  
19 reference.

21 and City shall not have any duty to inspect, correct, warn of or investigate any condition  
22 arising from Contractor's work hereunder, or to insure compliance with laws, rules or  
23 regulations relating to said work. If City does inspect or investigate, the results thereof  
24 shall not be deemed compliance with or a waiver of any requirements of the Contract  
25 Documents.

26           26. GOVERNING LAW. This Contract shall be governed by and  
27 construed pursuant to the laws of the State of California (except those provisions of  
28 California law pertaining to conflicts of laws).

1           27.    INTEGRATION. This Contract, including the Contract Documents  
2 identified in Section 3 hereof, constitutes the entire understanding between the parties  
3 and supersedes all other agreements, oral or written, with respect to the subject matter  
4 herein.

5           28.    NONDISCRIMINATION. In connection with performance of this  
6 Contract and subject to federal laws, rules and regulations, Contractor shall not  
7 discriminate in employment or in the performance of this Contract on the basis of race,  
8 religion, national origin, color, age, sex, sexual orientation, gender identity, AIDS, HIV  
9 status, handicap or disability. It is the policy of the City to encourage the participation of  
10 Disadvantaged, Minority and Women-Owned Business Enterprises, and the City  
11 encourages Contractor to use its best efforts to carry out this policy in the award of all  
12 subcontracts.

13           29.    EQUAL BENEFITS ORDINANCE. Unless otherwise exempted in  
14 accordance with the provisions of the Ordinance, this Contract is subject to the applicable  
15 provisions of the Equal Benefits Ordinance ("EBO"), section 2.73 et seq. of the Long  
16 Beach Municipal Code, as amended from time to time.

17           A.    During the performance of this Contract, the Contractor  
18 certifies and represents that the Contractor will comply with the EBO. The  
19 Contractor agrees to post the following statement in conspicuous places at its  
20 place of business available to employees and applicants for employment:

23 employees with domestic partners. Additional information about the City of  
24 Long Beach's Equal Benefits Ordinance may be obtained from the City of  
25 Long Beach Business Services Division at 562-570-6200."

26           B.    The failure of the Contractor to comply with the EBO will be  
27 deemed to be a material breach of the Contract by the City.

28           C.    If the Contractor fails to comply with the EBO, the City may

1 cancel, terminate or suspend the Contract, in whole or in part, and monies due or  
2 to become due under the Contract may be retained by the City. The City may also  
3 pursue any and all other remedies at law or in equity for any breach.

4 D. Failure to comply with the EBO may be used as evidence  
5 against the Contractor in actions taken pursuant to the provisions of Long Beach  
6 Municipal Code 2.93 et seq., Contractor Responsibility.

7 E. If the City determines that the Contractor has set up or used  
8 its contracting entity for the purpose of evading the intent of the EBO, the City may  
9 terminate the Contract on behalf of the City. Violation of this provision may be  
10 used as evidence against the Contractor in actions taken pursuant to the  
11 provisions of Long Beach Municipal Code section 2.93 et seq., Contractor  
12 Responsibility.

15 any Contract Document, failure to pay any penalties, fines or charges assessed against  
16 Contractor by any public agency, failure to pay any charges or fees for services  
17 performed by the City, and if Contractor has substituted any security in lieu of retention,  
18 then default shall also include City's receipt of a stop notice. If default occurs and  
19 Contractor has substituted any security in lieu of retention, then in addition to City's other  
20 legal remedies, City shall have the right to draw on the security in accordance with Public  
21 Contract Code Section 22300 and without further notice to Contractor. If default occurs  
22 and Contractor has not substituted any security in lieu of retention, then City shall have  
23 all legal remedies available to it.

**USE TAX DIRECT PAYMENT PERMIT**  
(General Information and Filing Instructions)

Revenue and Taxation Code section 7051.3 authorizes the State Board of Equalization to issue a *Use Tax Direct Payment Permit* to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a *Use Tax Direct Payment Exemption Certificate* which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a *Use Tax Direct Payment Permit*, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
  - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
  - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed *Application for Use Tax Direct Payment Permit*, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a *Use Tax Direct Payment Permit* and a *Use Tax Direct Payment Exemption Certificate* will be mailed to the applicant.

If you would like additional information regarding the *Use Tax Direct Payment Permit* or need assistance in completing this application, you can call 916-445-5167, or write to the Board of Equalization, Compliance Policy Unit, P.O. Box 942879, Sacramento, CA 94279-0040.
