

1 Dollars (\$287,500) for a period of two (2) years, with the option to renew for three
2 (3) additional one-year periods, at the rates or charges shown in Exhibit "B", as such
3 Exhibit may be changed from time to time by Contractor as Contractor adjusts prices
4 generally for all of its customers.

5 B. City shall pay Contractor in due course of payments following
6 receipt from Contractor and approval by City of invoices showing the services or
7 task performed, the time expended (if billing is hourly), and the assigned
8 identification number of the animal treated. Contractor shall certify on the invoices
9 that Contractor has performed the services in full conformance with this Agreement
10 and is entitled to receive payment. Each invoice shall be accompanied by a
11 progress report indicating the progress to date of services performed and covered
12 by the invoice, including a brief statement of any EVS problems and potential causes
13 of delay in performance, and listing those services that are projected for
14 performance by Contractor during the next invoice cycle. Where billing is done and
15 payment is made on an hourly basis, the parties acknowledge that this arrangement
16 is either customary practice for Contractor's profession, industry or business, or is
17 necessary to satisfy audit and legal requirements which may arise due to the fact
18 that City is a municipality.

19 C. Contractor represents that Contractor has obtained all
20 necessary information on conditions and circumstances that may affect its
21 performance and has conducted site visits, if necessary.

22 D. By executing this Agreement, Contractor warrants that
23 Contractor (a) has thoroughly investigated and considered the scope of services to
24 be performed, (b) has carefully considered how the services should be performed,
25 and (c) fully understands the facilities, difficulties and restrictions attending
26 performance of the services under this Agreement. All services shall be performed
27 at Contractor's facility. Should Contractor discover any latent or unknown conditions
28 that will materially affect the performance of the services set forth in this Agreement,

1 Contractor must immediately inform the City of that fact and may not proceed except
2 at Contractor's risk until written instructions are received from the City.

3 E. Contractor must adopt reasonable methods during the life of
4 the Agreement to furnish professional services consistent with the standards of the
5 veterinary industry, including, but not limited to the standards of the California
6 Veterinary Medical Board .

7 F. CAUTION: Contractor shall not begin work until this
8 Agreement has been signed by both parties and until Contractor's evidence of
9 insurance has been delivered to and approved by City.

10 2. TERM. The term of this Agreement shall commence at midnight on
11 October 1, 2019, and shall terminate at 11:59 p.m. on September 30, 2021, unless sooner
12 terminated as provided in this Agreement. City shall have the option to extend the term of
13 this Contract for three (3) additional one-year periods, at the discretion of the City Manager.

14 3. COORDINATION AND ORGANIZATION.

15 A. Contractor shall coordinate its performance with City's
16 representative, if any, named in Exhibit "C", attached to this Agreement and
17 incorporated by this reference. Contractor shall advise and inform City's
18 representative of the work in progress on the EVS in sufficient detail so as to assist
19 City's representative in making presentations and in holding meetings on the EVS.
20 City shall furnish to Contractor information or materials, if any, described in Exhibit
21 "D", attached to this Agreement and incorporated by this reference, and shall
22 perform any other tasks described in the Exhibit.

23 B. The parties acknowledge that a substantial inducement to City
24 for entering this Agreement was and is the reputation and skill of Contractor's key
25 employee, named in Exhibit "E" attached to this Agreement and incorporated by this
26 reference. Contractor can replace that employee at any time for any reason and
27 there will be no effect on this Agreement.

28 4. INDEPENDENT CONTRACTOR. In performing its services,

1 Contractor is and shall act as an independent contractor and not an employee,
2 representative or agent of City. Contractor shall have control of Contractor's work and the
3 manner in which it is performed. Contractor shall be free to contract for similar services to
4 be performed for others during this Agreement; provided, however, that Contractor acts in
5 accordance with Section 9 and Section 11 of this Agreement. Contractor acknowledges
6 and agrees that (a) City will not withhold taxes of any kind from Contractor's compensation;
7 (b) City will not secure workers' compensation or pay unemployment insurance to, for or
8 on Contractor's behalf; and (c) City will not provide and Contractor is not entitled to any of
9 the usual and customary rights, benefits or privileges of City employees. Contractor
10 expressly warrants that neither Contractor nor any of Contractor's employees or agents
11 shall represent themselves to be employees or agents of City.

12 5. INSURANCE.

13 A. As a condition precedent to the effectiveness of this
14 Agreement, Contractor shall procure and maintain, at Contractor's expense for the
15 duration of this Agreement, from insurance companies that are admitted to write
16 insurance in California and have ratings of or equivalent to A:V by A.M. Best
17 Company or from authorized non-admitted insurance companies subject to Section
18 1763 of the California Insurance Code and that have ratings of or equivalent to A:VIII
19 by A.M. Best Company, the following insurance:

20 (a) Commercial general liability insurance (equivalent in scope to
21 ISO form CG 00 01 11 85 or CG 00 01 10 93) in an amount not less than
22 \$1,000,000 per each occurrence and \$2,000,000 general aggregate. This
23 coverage shall include but not be limited to broad form contractual liability,
24 independent contractors liability, and products and completed operations
25 liability. City, its boards and commissions, and their officials, employees and
26 agents shall be named as additional insureds by endorsement (on City's
27 endorsement form or on an endorsement equivalent in scope to ISO form CG
28 20 10 11 85 or CG 20 26 11 85), and this insurance shall contain no special

1 limitations on the scope of protection given to City, its boards and
2 commissions, and their officials, employees and agents. This policy shall be
3 endorsed to state that the insurer waives its right of subrogation against City,
4 its boards and commissions, and their officials, employees and agents.

5 (b) Workers' Compensation insurance as required by the California
6 Labor Code and employer's liability insurance in an amount not less than
7 \$1,000,000. This policy shall be endorsed to state that the insurer waives its
8 right of subrogation against City, its boards and commissions, and their
9 officials, employees and agents.

10 (c) Professional liability or errors and omissions insurance in an
11 amount not less than \$1,000,000 per claim.

12 (d) Commercial automobile liability insurance (equivalent in scope
13 to ISO form CA 00 01 06 92), covering Auto Symbol 1 (Any Auto) in an amount
14 not less than \$500,000 combined single limit per accident.

15 B. Each insurance policy shall be endorsed to state that coverage
16 shall not be reduced, non-renewed or canceled except after thirty (30) days prior
17 written notice to City, shall be primary and not contributing to any other insurance
18 or self-insurance maintained by City, and shall be endorsed to state that coverage
19 maintained by City shall be excess to and shall not contribute to insurance or self-
20 insurance maintained by Contractor. Contractor shall notify City in writing within five
21 (5) days after any insurance has been voided by the insurer or cancelled by the
22 insured.

23 C. Prior to the start of performance, Contractor shall deliver to City
24 certificates of insurance and the endorsements for approval as to sufficiency and
25 form. In addition, Contractor shall, within thirty (30) days prior to expiration of the
26 insurance, furnish to City certificates of insurance and endorsements evidencing
27 renewal of the insurance. City reserves the right to require complete certified copies
28 of all policies of Contractor and at any time. Contractor shall make available to City's

1 Risk Manager or designee all books, records and other information relating to this
2 insurance, during normal business hours.

3 D. The procuring or existence of insurance shall not be construed
4 or deemed as a limitation on liability relating to Contractor's performance or as full
5 performance of or compliance with the indemnification provisions of this Agreement.

6 6. ASSIGNMENT AND SUBCONTRACTING. This Agreement
7 contemplates the personal services of Contractor and Contractor's employees, and the
8 parties acknowledge that a substantial inducement to City for entering this Agreement was
9 and is the professional reputation and competence of Contractor and Contractor's
10 employees. Contractor shall not assign its rights or delegate its duties under this
11 Agreement, or any interest in this Agreement, or any portion of it, without the prior approval
12 of City, except that Contractor may, with the prior approval of the City Manager of City,
13 assign any moneys due or to become due to Contractor under this Agreement. It is further
14 provided that Contractor may transfer this Agreement to any affiliate or to an entity that
15 acquires all or substantially all of the assets or equity of Contractor. Any attempted
16 assignment or delegation shall be void, and any assignee or delegate shall acquire no right
17 or interest by reason of an attempted assignment or delegation. Furthermore, Contractor
18 shall not subcontract any portion of its performance without the prior approval of the City
19 Manager or designee, or substitute an approved sub-Contractor or contractor without
20 approval prior to the substitution. Nothing stated in this Section shall prevent Contractor
21 from employing as many employees as Contractor deems necessary for performance of
22 this Agreement.

23 7. CONFLICT OF INTEREST. Contractor, by executing this Agreement,
24 certifies that, at the time Contractor executes this Agreement and for its duration,
25 Contractor does not and will not perform services for any other client which would create a
26 conflict, whether monetary or otherwise, as between the interests of City and the interests
27 of that other client..

28 8. MATERIALS. Contractor shall furnish all labor and supervision,

1 supplies, materials, tools, machinery, equipment, appliances, transportation and services
2 necessary to or used in the performance of Contractor's obligations under this Agreement,
3 except as stated in Exhibit "D".

4 9. OWNERSHIP OF DATA. All materials, information and data
5 prepared, developed or assembled by Contractor or furnished to Contractor in connection
6 with this Agreement, including but not limited to documents, estimates, calculations,
7 studies, maps, graphs, charts, computer disks, computer source documentation, samples,
8 models, reports, summaries, drawings, designs, notes, plans, information, material and
9 memorandum ("Data") shall be the joint property of City and Contractor. Data shall be
10 given to City, and City shall have the unrestricted right to use and disclose the Data in any
11 manner and for any purpose without payment of further compensation to Contractor.
12 Copies of Data may be retained by Contractor, but Contractor warrants that Data shall not
13 be made available to any person or entity for use without the prior approval of City. This
14 warranty shall survive termination of this Agreement for five (5) years.

15 10. TERMINATION. Either party shall have the right to terminate this
16 Agreement for any reason or no reason at any time by giving fifteen (15) calendar days
17 prior notice to the other party. In the event of termination under this Section, City shall pay
18 Contractor for services satisfactorily performed and costs incurred up to the effective date
19 of termination for which Contractor has not been previously paid. The procedures for
20 payment in Section 1.B. with regard to invoices shall apply. On the effective date of
21 termination, treatment records for City's animals shall be provided to the City by Contractor
22 upon request by the City.

23 11. CONFIDENTIALITY. Contractor shall keep all Data confidential and
24 shall not disclose the Data or use the Data directly or indirectly, other than in the course of
25 performing its services, during the term of this Agreement and for five (5) years following
26 expiration or termination of this Agreement. In addition, Contractor shall keep confidential
27 all information, whether written, oral or visual, obtained by any means whatsoever in the
28 course of performing its services for the same period of time. Contractor shall not disclose

1 any or all of the Data to any third party, or use it for Contractor's own benefit or the benefit
2 of others except for the purpose of this Agreement.

3 12. BREACH OF CONFIDENTIALITY. Contractor shall not be liable for a
4 breach of confidentiality with respect to Data that: (a) Contractor demonstrates Contractor
5 knew prior to the time City disclosed it; or (b) is or becomes publicly available without
6 breach of this Agreement by Contractor; or (c) a third party who has a right to disclose does
7 so to Contractor without restrictions on further disclosure; or (d) must be disclosed pursuant
8 to subpoena or court order.

9 13. ADDITIONAL SERVICES. The City has the right at any time during
10 the performance of the services, without invalidating this Agreement, to order extra work
11 beyond that specified in Exhibit "A" or make changes by altering, adding to or deducting
12 from the work. No extra work may be undertaken unless a written request is first given by
13 the City, incorporating any adjustment in the Agreement Sum, or the time to perform this
14 Agreement. Any increase in compensation of ten percent (10%) or less of the Agreement
15 Sum, or in the time to perform of One Hundred Eighty (180) days or less, may be approved
16 by the City Representative. Any greater increases, taken either separately or cumulatively,
17 must be approved by the City Council. It is expressly understood by Contractor that the
18 provisions of this paragraph do not apply to services specifically set forth in Exhibit "A" or
19 reasonably contemplated in Exhibit "A". Contractor acknowledges that it accepts the risk
20 that the services to be provided pursuant to Exhibit "A" may be more costly or time
21 consuming than Contractor anticipates and that Contractor will not be entitled to additional
22 compensation for the services set forth in Exhibit "A".

23 14. RETENTION OF FUNDS. Contractor authorizes the City to deduct
24 from any amount payable to Contractor (whether or not arising out of this Agreement) any
25 amounts the payment of which may be in dispute or that are necessary to compensate the
26 City for any losses, costs, liabilities or damages suffered by the City, and all amounts for
27 which the City may be liable to third parties, by reason of Contractor's acts or omissions in
28 performing or failing to perform Contractor's obligations under this Agreement. In the event

1 that any claim is made by a third party, the amount or validity of which is disputed by
2 Contractor, or any indebtedness exists that appears to be the basis for a claim of lien, the
3 City may withhold from any payment due, without liability for interest because of the
4 withholding, an amount sufficient to cover the claim. The failure of the City to exercise the
5 right to deduct or to withhold will not, however, affect the obligations of Contractor to insure,
6 indemnify and protect the City as elsewhere provided in this Agreement.

7 15. AMENDMENT. This Agreement, including all Exhibits, shall not be
8 amended, nor any provision or breach waived, except in writing signed by the parties which
9 expressly refers to this Agreement.

10 16. LAW. This Agreement shall be construed in accordance with the laws
11 of the State of California, and the venue for any legal actions brought by any party with
12 respect to this Agreement shall be the County of Los Angeles, State of California for state
13 actions and the Central District of California for any federal actions. Contractor shall cause
14 all work performed in connection with EVS to be performed in compliance with (1) all
15 applicable laws, ordinances, rules and regulations of federal, state, county or municipal
16 governments or agencies related to the performance of veterinary services; and (2) all
17 reasonable directions, rules and regulations of any fire marshal, health officer, building
18 inspector, or other officer of every governmental agency now having or hereafter acquiring
19 jurisdiction. If any part of this Agreement is found to be in conflict with applicable laws, that
20 part will be inoperative, null and void insofar as it is in conflict with any applicable laws, but
21 the remainder of the Agreement will remain in full force and effect.

22 17. ENTIRE AGREEMENT. This Agreement, including all Exhibits,
23 constitutes the entire understanding between the parties and supersedes all other
24 agreements, oral or written, with respect to the subject matter in this Agreement.

25 18. INDEMNITY.
26 A. Contractor shall indemnify, protect and hold harmless City, its
27 Boards, Commissions, and their officials, employees and agents ("Indemnified
28 Parties"), from and against any and all liability, claims, demands, damage, loss,

1 obligations, causes of action, proceedings, awards, fines, judgments, penalties,
2 costs and expenses, including attorneys' fees, court costs, expert and witness fees,
3 and other costs and fees of litigation, arising or alleged to have arisen, in whole or
4 in part, out of or in connection with (1) Contractor's breach or failure to comply with
5 any of its obligations contained in this Agreement, or (2) negligent or willful acts,
6 errors, omissions or misrepresentations committed by Contractor, its officers,
7 employees, agents, subcontractors, or anyone under Contractor's control, in the
8 performance of work or services under this Agreement (collectively "Claims" or
9 individually "Claim").

10 B. In addition to Contractor's duty to indemnify, Contractor shall
11 have a separate and wholly independent duty to defend Indemnified Parties at
12 Contractor's expense by legal counsel approved by City, from and against all
13 Claims, and shall continue this defense until the Claims are resolved, whether by
14 settlement, judgment or otherwise. No finding or judgment of negligence, fault,
15 breach, or the like on the part of Contractor shall be required for the duty to defend
16 to arise. City shall notify Contractor of any Claim, shall tender the defense of the
17 Claim to Contractor, and shall assist Contractor, as may be reasonably requested,
18 in the defense.

19 C. If a court of competent jurisdiction determines that a Claim was
20 caused by the negligence or willful misconduct of Indemnified Parties, Contractor's
21 costs of defense and indemnity shall be (1) reimbursed in full if the court determines
22 sole negligence by the Indemnified Parties, or (2) reduced by the percentage of
23 willful misconduct attributed by the court to the Indemnified Parties.

24 D. The provisions of this Section shall survive the expiration or
25 termination of this Agreement.

26 19. FORCE MAJEURE. If any party fails to perform its obligations
27 because of strikes, lockouts, labor disputes, embargoes, acts of God, inability to obtain
28 labor or materials or reasonable substitutes for labor materials, governmental restrictions,

1 governmental regulations, governmental controls, judicial orders, enemy or hostile
2 governmental action, civil commotion, fire or other casualty, pandemic or other causes
3 beyond the reasonable control of the party obligated to perform, then that party's
4 performance will be excused for a period equal to the period of such cause for failure to
5 perform.

6 20. AMBIGUITY. In the event of any conflict or ambiguity between this
7 Agreement and any Exhibit, the provisions of this Agreement shall govern.

8 21. NONDISCRIMINATION. In connection with performance of this
9 Agreement and subject to applicable rules and regulations, Contractor shall not
10 discriminate against any employee or applicant for employment because of race, religion,
11 national origin, color, age, sex, sexual orientation, gender identity, AIDS, HIV status,
12 handicap or disability. Contractor shall ensure that applicants are employed, and that
13 employees are treated during their employment, without regard to these bases. These
14 actions shall include, but not be limited to, the following: employment, upgrading, demotion
15 or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or
16 other forms of compensation; and selection for training, including apprenticeship.

17 22. EQUAL BENEFITS ORDINANCE. Unless otherwise exempted in
18 accordance with the provisions of the Ordinance, this Agreement is subject to the
19 applicable provisions of the Equal Benefits Ordinance (EBO), Section 2.73 et seq. of the
20 Long Beach Municipal Code, as amended from time to time.

21 A. During the performance of this Agreement, the Contractor
22 certifies and represents that the Contractor will comply with the EBO. The
23 Contractor agrees to post the following statement in conspicuous places at its place
24 of business available to employees and applicants for employment:

25 "During the performance of a contract with the City of Long Beach, the
26 Contractor will provide equal benefits to employees with spouses and its
27 employees with domestic partners. Additional information about the City of
28

1 Long Beach's Equal Benefits Ordinance may be obtained from the City of
2 Long Beach Business Services Division at 562-570-6200."

3 B. The failure of the Contractor to comply with the EBO will be
4 deemed to be a material breach of the Agreement by the City.

5 C. If the Contractor fails to comply with the EBO, the City may
6 cancel, terminate or suspend the Agreement, in whole or in part, and monies due or
7 to become due under the Agreement may be retained by the City. The City may
8 also pursue any and all other remedies at law or in equity for any breach.

9 D. Failure to comply with the EBO may be used as evidence
10 against the Contractor in actions taken pursuant to the provisions of Long Beach
11 Municipal Code 2.93 et seq., Contractor Responsibility.

12 E. If the City determines that the Contractor has set up or used its
13 contracting entity for the purpose of evading the intent of the EBO, the City may
14 terminate the Agreement on behalf of the City. Violation of this provision may be
15 used as evidence against the Contractor in actions taken pursuant to the provisions
16 of Long Beach Municipal Code Section 2.93 et seq., Contractor Responsibility.

17 23. NOTICES. Any notice or approval required by this Agreement shall
18 be in writing and personally delivered or deposited in the U.S. Postal Service, first class,
19 postage prepaid, addressed to Contractor at 800 W. Cesar Chavez Street, #B-100, Austin,
20 Texas, 78701, Attn: Chief Legal Officer, , and to City at 411 West Ocean Boulevard, Long
21 Beach, California 90802, Attn: City Manager, with a copy to the City Clerk at the same
22 address. Notice of change of address shall be given in the same manner as stated for
23 other notices. Notice shall be deemed given on the date deposited in the mail or on the
24 date personal delivery is made, whichever occurs first.

25 24. COVENANT AGAINST CONTINGENT FEES. Contractor warrants
26 that Contractor has not employed or retained any entity or person to solicit or obtain this
27 Agreement and that Contractor has not paid or agreed to pay any entity or person any fee,
28 commission or other monies based on or from the award of this Agreement. If Contractor

1 breaches this warranty, City shall have the right to terminate this Agreement immediately
2 notwithstanding the provisions of Section 10 or, in its discretion, to deduct from payments
3 due under this Agreement or otherwise recover the full amount of the fee, commission or
4 other monies.

5 25. WAIVER. The acceptance of any services or the payment of any
6 money by City shall not operate as a waiver of any provision of this Agreement or of any
7 right to damages or indemnity stated in this Agreement. The waiver of any breach of this
8 Agreement shall not constitute a waiver of any other or subsequent breach of this
9 Agreement.

10 26. CONTINUATION. Termination or expiration of this Agreement shall
11 not affect rights or liabilities of the parties which accrued pursuant to Sections 7, 10, 11,
12 17, 20 and 27 prior to termination or expiration of this Agreement.

13 27. TAX REPORTING. As required by federal and state law, City is
14 obligated to and will report the payment of compensation to Contractor on Form 1099-Misc.
15 Contractor shall be solely responsible for payment of all federal and state taxes resulting
16 from payments under this Agreement. Contractor shall submit Contractor's Employer
17 Identification Number (EIN), or Contractor's Social Security Number if Contractor does not
18 have an EIN, in writing to City's Accounts Payable, Department of Financial Management.
19 Contractor acknowledges and agrees that City has no obligation to pay Contractor until
20 Contractor provides one of these numbers.

21 28. ADVERTISING. Contractor shall not use the name of City, its officials
22 or employees in any advertising or solicitation for business or as a reference, without the
23 prior approval of the City Manager or designee.

24 29. AUDIT. City shall have the right at all reasonable times during the
25 term of this Agreement and for a period of two (2) years after termination or expiration of
26 this Agreement to examine, audit, inspect, review, extract information from and copy all
27 books, records, accounts and other documents of Contractor specifically relating to this
28 Agreement.
