<p>33. (22-1483) Recommendation to adopt resolution declaring a shelter crisis, suspending applicable provisions of local law, including zoning provisions contained in the Long Beach Municipal Code and regulations; and, authorize the operation of a Winter Shelter between the dates of December 16, 2022 and March 31, 2023; and</p> <p>Authorize City Manager, or designee, to execute a Lease Agreement, including any necessary ancillary documents and amendments, between MWN Community Hospital, LLC, a California limited liability company (Lessor) and the City (Lessee) and a Sublease between the City (Sublessor) and First to Serve Inc., a California nonprofit corporation (Sublessee), or its assignee, for approximately 81 beds within 18,140 rentable square feet of space at 1720 Termino Avenue, for use as a Winter Shelter; and, authorize the addition or reduction of security services at the Winter Shelter, as needed, at the discretion of the City Manager. (District 3)</p>	<p>Leslie Davis</p>	<p>leslielkd@gmail.com</p>		<p>The City of Los Angeles today declared a state of emergency on homelessness to expedite temporary to permanent housing. If Long Beach could do the same, the City could expedite and bypass much that slows and blocks progress on solving this issue. In other words, a winter shelter could become a permanent shelter. I would also like to urge you to consider that a temporary tent city be established while more permanent shelters can be located or built to alleviate the countless daily burdens placed on residents such as public safety, sanitation and overall quality of life issues in our neighborhoods that are worsening by the day.</p> <p>Thank you for your consideration.</p> <p>Leslie Davis Business Owner and Resident of Long Beach</p>	<p>12/12/2022</p>
