HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Refer to a Hearing Officer the business license application denial appeal by Long Beach Cannabis Club, at 5752 East 2nd Street. (District 3)

DISCUSSION

On May 31, 2017, the Department of Financial Management denied the business license application for Long Beach Cannabis Club to operate a medical cannabis dispensary at 5752 East 2nd Street (Attachment A), due to the proposed business location being within 1,000 feet from a beach and 600 feet from a public park, which would be in violation of Long Beach Municipal Code (LBMC) Section 5.90.030 (Attachment B). On June 8, 2017, Long Beach Cannabis Club filed an appeal of the business license application denial (Attachment C).

Pursuant to LBMC Section 3.80.421.6, an applicant for a business license whose application for such license has been denied by the Director of Financial Management may appeal such denial to the City Council.

Whenever it is provided that a hearing shall be heard by the City Council, the City Council may, in its discretion, conduct the hearing itself or refer it to a hearing officer, in accordance with LBMC 2.93.050(A). If referred, upon selection of a hearing officer, the matter will be heard not less than 30 days thereafter.

This matter was reviewed by Deputy City Attorney Monica J. Kilaita on June 21, 2017.

TIMING CONSIDERATIONS

If referred, upon selection of a hearing officer, the matter will be heard not less than thirty (30) days thereafter.

FISCAL IMPACT

There is no fiscal or local job impact associated with this recommendation.

Re: Notice of Appeal
Long Beach Cannabis Club Application Denial
Applicant: MJ21701137, Proposed Location: 5752 2nd Street

Reason for Appeal: The City of Long Beach has denied Long Beach Cannabis Club's Medical Marijuana Dispensary Business License Application on the basis that the proposed location (5752 2nd Street) violates the following buffer zones: 1,000 feet from a beach and 600 feet from a public park. However, the reason for this appeal is that the proposed location not does not violate said buffer zones for the reasons discussed below.

Grounds for Appeal:

- **1,000 feet beach buffer zone:** The proposed location does not violate the 1,000 feet buffer zone because Mother's Beach is not designated as a beach. Rather, Mother's Beach is actually Marine Park. The longbeach.gov's website designates Mother's Beach as Marine Park, and the website further states that Marine Park is known as "Mother's Beach." See printout of longbeach.gov webpage attached hereto as Attachment "1." Even under the designation that Mother's Beach is Marine Park, the proposed location still meets the 600 feet park buffer zone requirement (see further discussion below.) Further, Attachment "A" to the City's denial of the application states: "Marine Park (Mother's Beach)." This further shows that Mother's Beach is Marine Park by indicating in parenthesis that Mother's Beach is actually Marine Park. Therefore, the proposed location does not violate the 1,000 feet beach buffer zone requirement because Mother's Beach is actually not a beach, but rather is a park.
- **600 feet park buffer zone:** The proposed location does not violate the 600 feet buffer zone from Marine Park because according to the method of measurement as designed by the LBMC of "horizontal distance measured in a straight line from the property line of the school, park or library to the closest property line of the lot on which the Medical Marijuana Business is located," (LBMC 5.90.030) the distance is actually over 600 feet. Based on this standard of measurement, the horizontal distance from Marine Park to the proposed location is approximately 670 feet as seen on Attachment "2" attached hereto. Therefore, the proposed location exceeds the 600 feet park buffer zone requirement.

- **Naples Canals:** Attachment "A" to the City's denial of the application states that the proposed location is within 600 feet of the following parks, and the "park" listed is "Naples Canals." Naples Canals is not designated as a park (or a beach), and further is not utilized as a park (or a beach). Further, canals are not listed under LBMC 5.90.030 as a restricted buffer zone. LBMC 5.90.030 only states that "[n]o Medical Marijuana Business may be operated in an area zoned exclusively for residential use, or be located within a one-thousand (1,000) foot radius of a public or private school (as defined in Health and Safety Code § 1136268(h)) or public beach, or within a six hundred (600) foot radius of a public park or public library." Therefore, the proposed location does not violate the 600 feet park buffer zone requirement with respect to Naples Canals because Naples Canals is not utilized as a park or designated as such.
