Scope of Work Agreement Amendment No. 3

Meal & Grocery Delivery

July 13, 2021 – September 30, 2021

This scope of work is between One in Long Beach (Contractor) and the City of Long Beach (City) during the program extension period of July 13, 2021 – September 30, 2021.

I. Overview of Service Responsibilities

The overarching objective in this Scope of Work (Scope) is to ensure that residents of Long Beach have the access to the nutritious foods needed to maintain their health and wellbeing during COVID-19. The strategies identified here include efforts to maximize reach to communities most impacted by COVID-19.

Services under this Scope must specifically serve older adults (aged 60 and over), adults aged 50-59 with underlying health conditions, and/or those who are COVID-19 positive or COVID-19 exposed.

One in Long Beach (Contractor) agrees to implement all activities in this Scope. To support populations disproportionately impacted by COVID-19, CONTRACTOR will partner with the priority population to conduct program outreach and enrollment and provide food and meal delivery.

II. Services to be Performed

Contractor will conduct the following three program elements:

- Program outreach, eligibility screening, and enrollment;
- Product procurement, packaging; and
- For grocery delivery, CONTRACTOR will provide biweekly delivery at minimum.

Contractor will conduct outreach and engagement within the target population(s) to reduce the impact of food insecurity during COVID-19. Enrollment must be based on the following criteria. An attestation form must be signed by all participants to confirm eligibility.

1. Aged 60 years or older
2. Aged 50- 59 years old with underlying health condition that poses significant risk for severe illness or death from COVID-19 as identified with one of the following health conditions:

- i. Cancer
- ii. Chronic Obstructive Pulmonary Disease
- iii. Serious Cardiovascular Disease (Heart Failure, Coronary Artery Disease, Cardiomyopathies)
- iv. Immunocompromised state from solid organ transplant
- v. Severe obesity (BMI > 30)
- vi. Diabetes -Type 2
- vii. Chronic Kidney Disease
- viii. Sickle Cell Disease

3. Tested positive for COVID-19 or were exposed to COVID-19 as documented by a state/local public health official or medical health professional will be allowed temporary enrollment for a period up to 4 weeks.

- AND also meet both of the following:
 - Difficulty preparing or obtaining meals. This includes difficulty obtaining groceries and preparing fresh, nutritious meals.
 - Reside in the City of Long Beach.

Contractor may experience variations in enrollment during the contract period. Contractor will adjust services to stay within overall program funding allocation.

Program Area	Implementation	Deliverables and Timeline
Enrollment	<ul style="list-style-type: none"> • Assess eligibility of program beneficiaries • Provide additional food resource and referrals to program beneficiaries 	<ul style="list-style-type: none"> • Enroll 20 eligible residents into the food program by conducting food security intake interviews and collecting related eligibility documents by August 15, 2021. • Distribute food resource handouts to all participants before September 30, 2021.
Food/Meal Delivery	<ul style="list-style-type: none"> • Weekly Instacart food distribution 	<ul style="list-style-type: none"> • Provide biweekly grocery delivery to 20 older adults for up to \$200/month through September 30, 2021.

III. City Responsibilities

City staff will also provide reporting templates to the Contractor for the monthly and final report. The City staff will provide an attestation form to document eligibility of program participants.

The City will appoint an employee to liaise between CONTRACTOR and the City of Long Beach to administer the grant. The City will provide an additional \$18,930 in funding for the delivery of services during the extension period through cost reimbursement with monthly invoicing and final payment method.

IV. Sub-Recipient Monitoring and Tracking

CONTRACTOR shall track program metrics internally on a weekly basis and provide monthly program metric updates to the City. CONTRACTOR is also required to submit monthly financial expenditures to the City. At contract closeout, CONTRACTOR shall submit the metrics met to date, a brief narrative explaining successes and barriers, and funds expended to date. The awarded organizations will be receiving support and communication with City staff throughout the process so that problems can be solved early. Any funds that may not be expended may be redirected to other non-profit(s) if metrics are not being met or funds are not being expended according to the plan.

Invoices shall be submitted to the City on a monthly basis. Services conducted after September 30, 2021 shall not be reimbursed under this agreement unless both parties agree to extend the contract. Invoices shall include a maximum of 5% for administrative expenses.

The City will track fund expenditures to ensure subcontractors expend funds according to proposed budgetary timelines. In the case that a subcontractor is not efficiently spending down their grant, this tracking process allows for the reallocation of funds to another subcontractor when necessary. Contractor will adjust services to stay within the overall program funding allocation. CONTRACTOR will report on the metrics below:
