## DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before a license or permit is granted or denied.

The LBMC also requires that the City Council make a determination that the application is complete and truthful; the applicant, the persons interested in the ownership and operation of the entity, and the officers and trustees of the entity are law-abiding persons who will operate and conduct the business activity in a lawful manner; and, that the public peace, welfare, and safety will not be impaired. If this is so, the application shall be approved; if not, it shall be denied.

Attached for your review is the application from CNR Holdings, LLC, DBA Belmont Station. Also attached are reports from various departments and a summary of those reports, as well as the license history of the establishment.

City departments have conducted their investigation in accordance with the LBMC. The following summarizes their findings:

- The Fire Department recommends that the permit for entertainment with dancing by patrons be approved.
- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).

- The Planning and Building Department recommends that the permit for entertainment with dancing by patrons be approved.

In the event that any of the recommended conditions attached to any permit or licenses are in conflict, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a restaurant with alcohol since August 1980.

**Subject:** **APPLICATION FOR ENTERTAINMENT WITH DANCING AT BELMONT STATION  
5300 EAST 2<sup>ND</sup> STREET**

---

In response to your request for a recommendation regarding the above named permit application for Entertainment With Dancing, the Police Department recommends **approval** of a **one-year short-term** permit, subject to the following fifteen (15) conditions of operation:

Because of strong public concern from residence with 100 feet, and corroborating calls for service, the Vice Investigations Section feels that a one-year short-term permit with conditions would better serve the community. After a year of operation with the below conditions, a new application may be submitted for evaluation.

**CONDITIONS OF OPERATION**

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 5.72.115(B) LBMC shall be conducted on the permitted premises.
- 3) Noise emanating from the permittee's premises shall not be audible 50 feet or more from the property line of the premises. The permittee shall be responsible for determining how to best meet this requirement, either by keeping doors and windows shut, limiting hours of entertainment or by offering non-amplified entertainment.
- 4) Patrons awaiting entry in a defined "queue" shall be restricted to 2<sup>nd</sup> Street and the line must extend east of the business. There shall be no "queue" allowed after 12 midnight, Sunday thru Wednesday nights, and 1 a.m. Thursday, Friday and Saturday nights. All persons gathering outside after the allowed hours shall be considered to be loitering. The public right of way (sidewalk), or an entrance to any business shall not be blocked at any time.

- 5) Patrons under twenty-one (21) years of age shall not be permitted to enter nor to remain on the premises after the restaurant (food services) portion of the establishment has closed, or 10 p.m. Private functions not open to the public are exempt from this condition.
- 6) The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10 p.m. and 7 a.m.
- 7) The permittee shall be responsible for maintaining an adequate security staff to supervise patrons inside the establishment and those waiting to enter. Potential patrons awaiting entry in a defined "queue" shall be counted toward the calculation of required security staffing levels. For crowds up to fifty (50) people, the permittee shall provide a minimum of one (1) uniformed security guard. For crowds over (50) fifty people, the permittee shall provide a minimum of one (1) additional uniformed security guard per fifty (50) people. Security guards must be identifiable as "Belmont Station employees." Should the permittee's operations give rise to a substantial increase in complaints/calls for service, or trash left in the parking lot, the permittee shall increase security as directed by the Chief of Police.
- 8) The permittee shall not allow any employee, patron or entertainer, to exit or loiter near the side door on Glendora, or the rear kitchen door after 10 p.m. The permittee and/or security shall also ensure that no employee, patron, or entertainer loiters in the parking lot to the rear of the business.
- 9) At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the parking lot or the immediate area.
- 10) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request. (LBMC section 18.48.320)
- 11) The permittee agrees to reimburse the City whenever excessive police services, as determined by the Chief of Police, are required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
- 12) The premises shall be maintained as a full service restaurant providing an assortment of full meals normally offered in such establishments. In the event that the restaurant ceases operations, the entertainment permit becomes null and void.

- 13) Belmont Station, its promoters, or agents, shall not distribute any advertising matter, such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all promoter contracts, including names, addresses and phone numbers, on file at all times, and must be available for inspection at anytime.
- 14) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances and stated conditions. In the event of a conflict between the requirements of this permit, your conditional use permit, or your Alcoholic Beverage Control license, the more stringent regulation shall apply.
- 15) The permittee, shall, within ninety (90) days of an approved entertainment permit, submit proof of attending the LEAD program offered by the Department of Alcoholic Beverage Control. In the event that the LEAD program class is not offered within this ninety day period, the permittee shall attend the next available class. Proof of completion shall be submitted to the Long Beach Police Department Vice Investigations Section.
