Subject Roxanne's Permit for dancing.

My name is Cynthia Spivey, I live at 3446 Cerritos Ave.—directly across from the parking lot in the rear of Roxanne’s. We already suffer with noise and commotion at 2:00 a.m. from Roxanne’s patrons closing down the bar each night—I can’t even imagine the noise and commotion that would result from live music and dancing in that same establishment! Not to mention the impossible parking situation of having all those patron’s park on our street. We have tolerated our inconveniences due to the successful businesses that have sprung up on Wardlow Rd. and Orange because we understand that it adds to the feeling of neighborhood that Cal Heights is so known for, but this would be overkill in regards to crowds of people, parking, and noise pollution. I am totally against it!
