

# DOCK PILING HOIST

NEWLY DEVELOPED

- Safely transfer sailors from their wheelchairs into and out of our sailing vessels
- Adjustable so as to operate safely with our tides.
- By being removable and transportable, and by utilizing our piling top-cap technology, a single hoist can be used in multiple locations.

Hansa 303

Sailability

- Manual sailing for paralyzed Sailors
- Electrical and goal-post technology
- ADA compliant
- On the water fun for all

# LimitUsLess

SIDEWALKS TO THE SEA

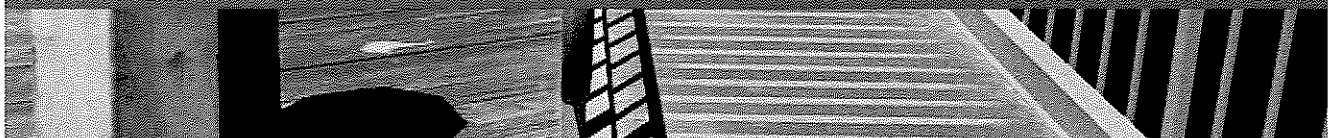

COMING 2021

# A NEW INTERNATIONAL MOVEMENT FOR MOBILITY

LimitUsLess strives to create and support accessibility opportunities for individuals who have experienced physical and financial obstacles that limit their ability to engage in recreational and general life activities.

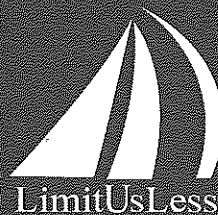

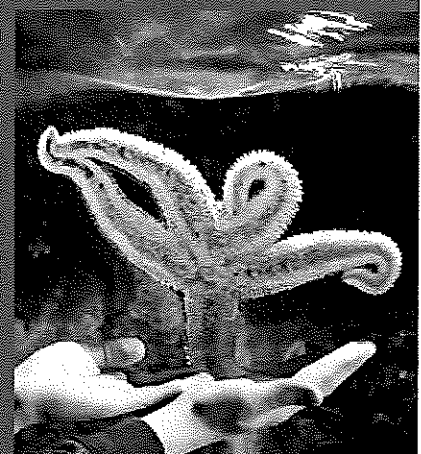

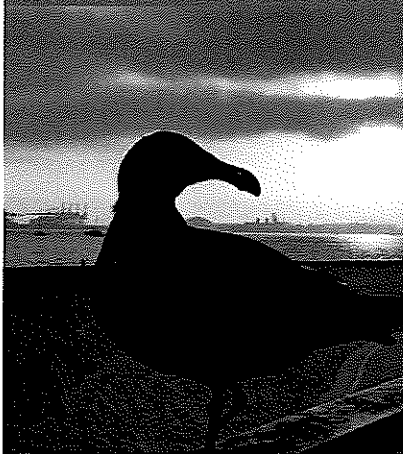

# Sidewalks to the Sea

## OUR MISSION

To enhance self-confidence,  
encourage self-reliance, and enrich  
wellbeing.

LimitUsLess is a non-profit organization, dedicated to safely providing unique inclusive recreational experiences to those with disabilities and social limitations. Our pilot program is an ADA compliant sailing program. By utilizing the newly developed dock piling hoist, we will securely transfer participants in and out of the ADA compliant sailboats.

LIMITUSLESS

## **WE CAN OPEN UP OPPORTUNITY**

- Opportunities for sailors of any age or walk of life.
- Sailors are invited to sail just for fun, or for competition.
- Competitive class sailors have an opportunity to now compete.
