(District 2)</p>	Mark Edmondson	raven00420@hotmail.com			Long Beach	California	90802	I'm not against this development if more parking is required. This site will take away a much needed parking lot in an impacted area. The current plan doesn't provide enough parking for retail commercial and tenants.	11/14/2017

(District 2)</p>	james goodin	jimgoodin@aol.com						I am opposed to the approval of the 7-story, 77-unit residential construction at 320 Alamitos. I am against any new construction the exacerbates parking for downtown residents. This project eliminates current parking for residents and at the same time builds an apartment building with insufficient parking for the new residents. It will require on street parking where there is no on street parking.	11/14/2017

(District 2)	Anne Proffit	anne@highpowermedia.com						Planning commission didn't like this project and asked staff why it and DT Plan couldn't be revisited for density, height and PARKING issues inherent. Thanks to invisible-government loving "development services" we're here today. They want blanket approvals; we want accountability. NO PROGRAM EIR/CEQA; GET OUT OF SCAG; NO MORE CALLOUS DISREGARD FOR THE PUBLIC INTEREST. You work for people, not projects. Just say NO to 320 Alamitos.	11/14/2017
14. (17-1029) Recommendation to receive and file the application of Sweet Dixie Kitchen, Incorporated, dba Sweet Dixie Kitchen, for an original application of an Alcoholic Beverage Control License, at 401 East 3rd Street. (District 1)	Anne Proffit	anne@highpowermedia.com						This is a problem business with an owner who can't keep staff. It would not be the best thing for the neighborhood to allow this business an ABC permit. Please vote no. Thank you.	11/14/2017

(Citywide)</p>	Mark Edmondson	raven00420@hotmail.com			Long Beach	California	90802	Please do not ban the sale of recreational marijuana. Restrictions and regulations, but the city needs the tax base.	11/14/2017

(Citywide)</p>	Thomas Jenkins	tommy.jenkins@gmail.com			Long Beach	California	90805	<p>With the discussion of adult-use marijuana, I would like to see all aspects of it legalized. Instead of creating more dispensaries, allow only the 32 medical dispensaries to sell. I also support the ability to cultivate, manufacture, distribute, and provide laboratory testing throughout the City. Please request the City Attorney to draft regulations for implementation.</p> <p>Regards, Tom Jenkins District 8 resident</p>	11/13/2017
