HONORABLE MAYOR AND CITY COUNCIL

City of Long Beach

California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the hearing and grant a One-Year Short-Term Permit with conditions on the application of Michoacan Entertainment, a California corporation, DBA Copa Cabana Night Club, 2688 East South Street, for Entertainment with Dancing by Patrons. (District 8)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit is granted or denied.

The LBMC also requires that the City Council make a determination that the permit application is complete and truthful; the applicant and the officers and trustees of the entity are law-abiding persons who will operate and conduct the business activity in a lawful manner; and that public peace, welfare and safety will not be impaired. If this is so, the application shall be approved, a short-term entertainment permit shall be approved, or the application shall be denied.

The City Council has the authority to approve the following options: 1) grant the Permit, with or without conditions; or 2) grant a One-Year Short-Term Entertainment Permit, with or without conditions; or, 3) deny the Permit on the application.

City departments have conducted their investigation in accordance with the LBMC. Attached for your review are the departmental investigative reports, the business ownership and permit history, and the entertainment application.

The following summarizes their findings:

- The Police Department recommends that the permit for entertainment with dancing by patrons be approved as a One-Year Short-Term Entertainment Permit subject to conditions.
- The Fire Department finds that the building/location meets Department requirements for the proposed use.

HONORABLE MAYOR AND CITY COUNCIL

October 9, 2012

Page 2

- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Development Services Department finds that the building/location meets department requirements for the proposed use.

The Department of Financial Management, Business Relations Bureau, has reviewed all submitted department documents and correspondence and, after a thorough investigative process, recommends that the permit for entertainment with dancing by patrons be approved as a One-Year Short-Term Entertainment Permit subject to conditions (attached).

In the event that any of the recommended conditions are in conflict with other permits or licenses, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a restaurant with alcohol since November of 1974.

This matter was reviewed by Deputy City Attorney Amy R. Webber on September 17, 2012.

Recommended Conditions of Operation

Michoacan Entertainment a California Corporation, DBA Copa Cabana Night Club

2688 E. South Street

Application for Entertainment with Dancing

The Department of Financial Management recommends **approval** of a **One-Year Short-Term Permit** subject to the following conditions:

CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 21.15.110 LBMC shall be conducted on the permitted premises.
- 3) Entertainment activities indicated on page #7 of your entertainment application shall be restricted to between the hours of **4:00 PM and 1:30 AM** each day of the week.
- 4) No owner, operator or manager shall permit any person under the age of twenty-one (21) years within the premises, at any time, during the hours of operation.
- 5) This Entertainment Permit is accessory to the primary business, which is a restaurant. The authorization to provide entertainment on-site is subject to the use remaining as a restaurant, meaning a bona fide eating place serving actual and substantial meals.

"Meals" means the usual assortment of foods commonly ordered at various hours of the day; the service of such food only as sandwiches or salads shall not be deemed compliant with this requirement. Meals must consist of food prepared on the premises. Hours of sales of alcohol shall be limited to the hours when meals are available.

The premises must be equipped and maintained in good faith. The premises must possess working refrigeration, cooking equipment, utensils, menus, and enough food to make substantial meals.

In the event the primary business ceases operations, fails to operate as a bona fide eating place, fails to serve actual and substantial meals or otherwise fails to comply with this condition, the Entertainment Permit becomes null and void.

- 6) Due to the proximity of neighboring businesses and residences, all door(s) and windows shall be kept closed at all times during any entertainment, except in cases of emergency and to permit deliveries. Said door(s) is not to consist solely of a screen or ventilated security door. Sound shall not be audible beyond fifty feet (50') from the exterior of the premises in any direction.
- 7) The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10:00 PM and 7:00 AM.
- 8) The permittee shall provide a minimum of one (1) licensed security guard during all times that the entertainment activities are being conducted for crowds up to fifty (50) people. For crowds over fifty (50) people, the permittee shall provide a minimum of one (1) additional security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other visible form of identification. Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

- 9) In addition to the above security requirements, the permittee shall staff one (1) security guard in the parking lot between the hours of 10:00 PM and ½ hour after closing. The security guard shall ensure that patrons do not loiter in the parking lot or the immediate area. They shall also ensure the patrons enter and leave the parking lot in a peaceful manner as not to disturb any neighboring businesses or residents who live nearby. The Chief of Police may increase or relax this condition, based on calls-for-service related to problems in the parking lot.
- 10) The permittee shall install and maintain a video surveillance system that monitors no less than the front and rear of the business with full view of the public right-of-ways and any parking lot under the control of the permittee. The video system must be capable of delineating on playback the activity and physical features of persona and areas within the premises. Recordings shall be retained for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras.

- 11) The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by use of security guards and signage indicating words to the effect of, "Please respect our neighbors" or something similar.
- 12) Interior lighting shall be sufficient to make easily discernible the appearance and conduct of all persons and patrons inside the business.
- 13) At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the parking lot or the immediate area.
- 14) The permittee agrees to reimburse the City for all costs associated with excessive police services, as determined by the Chief of Police, required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
- 15) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request.
- 16) Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the licensee, shall be removed or painted over within 24 hours of being applied.
- 17) All promoters must have or obtain a City of Long Beach Business License **prior to** conducting entertainment activities governed by this permit. The permittee shall be responsible for all entertainment activities at the location, including those conducted by promoters.
- 18) The permittee must provide all promoters, independent contractors, and dancers, hired to conduct entertainment activities with a copy of the approved permit, which shall include a copy of the approved conditions of operation.
- 19) The business, its promoters, or agents, shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all agent and promoter's contracts, including names, addresses and phone numbers, on file at all times, and must be available for inspection at anytime.
- 20) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances and stated conditions. In the event of a conflict with the requirements of this permit, the more stringent regulation shall apply.

- 21) The permittee must submit an application for the renewal of the entertainment with dancing permit not later than June 9, 2013 or four (4) months prior to the One-Year Short-Term permit expiration date to continue to provide entertainment without a break.
- 22) The permittee, shall, within ninety (90) days of an approved entertainment permit, submit proof of attending the LEAD program offered by the Department of Alcoholic Beverage Control. In the event that the LEAD program class is not offered within this ninety-day period, the permittee shall attend the next available class. Proof of completion shall be submitted to the Long Beach Police Department Vice Investigations Section.
- 23) The use of any amplifying system or device in the patio is prohibited.

Subject: **Application for Entertainment with Dancing by Patrons at Copa Cabana Night Club, 2688 East South Street**

In regards to the above named applicant, the Police Department recommends approval of a **One-Year Short-Term Permit**, subject to the following twenty (20) conditions attached.

The Copa Cabana Night Club is located on the southwest corner of South Street and Paramount Avenue. The establishment has been in operation since 2006 and has had an Entertainment with Dancing Permit. The new owner, Maria de Lourdes Guzman, took over the business in 2010 and has been operating on a One-Year Short-Term Entertainment Permit. Her corporation currently holds a Type 48 (On Sale General Public Premises) Alcoholic Beverage Control license. On November 30, 2011, Copa Cabana Night Club applied for a new Entertainment with Dancing Permit requesting live amplified music, a disc jockey, and karaoke.

Based upon the Vice Section's investigation and North Division Patrol Commander Carroll's recommendation, the Long Beach Police Department has determined the public peace, safety, and welfare would not be adversely impacted by the issuance of this permit provided the appropriate conditions are imposed and observed by the applicant. The Police Department recommends a One-Year Short-Term Entertainment with Dancing Permit would be in the best interests of the surrounding community and the City of Long Beach.

CONDITIONS OF OPERATION

- (17) Downtown Dining & Entertainment District Conditions
- √ The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
- √ Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 21.15.110 LBMC shall be conducted on the permitted premises.
- √ Entertainment activities indicated on page #7 of your entertainment application shall be restricted between the hours of **4:00 P.M.** and **2:00 A.M.** each day of the week.
- Entertainment is permitted until _____ on holidays that fall on a Sunday through Thursday.
(time)
- Entertainment on the following holidays is permitted until _____ A.M.:
New Year's Eve, New Year's Day, St. Patrick's Day, Cinco De Mayo, Memorial Day Eve, July 3rd, Labor Day Eve, and Halloween Night.
- Patrons under twenty-one (21) years of age shall not be permitted to enter nor to remain on the premises after the restaurant (food services) portion of the establishment has closed, or **10 p.m., whichever comes first.** Private functions not open to the public are exempt from this condition.
- √ No owner, operator or manager shall permit any person under the age of twenty-one (21) years within the premises, at any time, during the hours of operation.
- This Entertainment Permit is accessory to the primary business, which is a restaurant. The authorization to provide entertainment on-site is subject to the use remaining as a restaurant, meaning a bona fide eating place serving actual and substantial meals.

“Meals” means the usual assortment of foods commonly ordered at various hours of the day; the service of such food only as sandwiches or salads shall not be deemed compliant with this requirement. Meals must consist of food prepared on the premises. Hours of sales of alcohol shall be limited to the hours when meals are available.

The premises must be equipped and maintained in good faith. The premises must possess working refrigeration, cooking equipment, utensils, menus, and enough food to make substantial meals.

In the event the primary business ceases operations, fails to operate as a bona fide eating place, fails to serve actual and substantial meals or otherwise fails to comply with this condition, the Entertainment Permit becomes null and void.

- The permittee shall not convert the restaurant, or any portion thereof, into a dance/night club. All entertainment activities shall be conducted in conjunction with regular dining or pre-planned banquet activities. A banquet is defined as a function held at a bonafide eating place wherein complete and substantial meals are provided to the persons in attendance by the management of the restaurant where the function is being held. Fast food, snacks, and hors d'oeuvres shall not constitute a complete and substantial meal.
- The establishment shall remain in compliance with all applicable sections of the Long Beach Noise Ordinance (LMBC Chapter 8.80).
- Noise emanating from the permittee's premises shall not be audible beyond fifty feet (50') from the property line of the premises. The permittee shall be responsible for determining how to best meet this requirement, either by keeping doors and windows closed, limiting hours of entertainment, or by offering non-amplified entertainment.
- The permittee shall comply with the requirements of LBMC Sec. 8.80 (Noise) at all times. In addition, in response to a complaint, the Police Department will enforce Penal Code Section 415 (disturbing the peace) and all other state and local provisions related to the “public peace.” Permittee shall conduct all aspects of his or her operation, including before and after-hours deliveries and maintenance, in consideration of residences located nearby. Permittee agrees that the following standard is reasonable: Noise emanating from Permittee's premises shall not be audible from the middle of the street adjoining the premises.
- √ Due to the proximity of neighboring businesses and residences, all door(s) and windows shall be kept closed at all times during any entertainment, except in cases of emergency and to permit deliveries. Said door(s) is not to consist solely of a screen or ventilated security door. **Sound shall not be audible beyond fifty feet (50') from the exterior of the premises in any direction.**
- Outdoor amplified entertainment is prohibited.
- There shall be no live entertainment or dancing permitted on the patio at any time.
- The use of any amplifying system or device is prohibited on the patio, and the use of any such system or device inside the premises shall not be audible outside the premises.

- There shall be no amusement machines, video game devices, dart games or pool tables maintained upon the patio at any time.
- Deliveries to and from the premises shall be limited to the hours of 8:00 AM to 10:00 PM.
- √ The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of **10:00 P.M.** and **7:00 A.M.**
- √ Interior lighting shall be sufficient to make easily discernible the appearance and conduct of all persons and patrons inside the business.
- √ The permittee shall provide a minimum of one (1) licensed security guard during all times that the entertainment activities are being conducted for crowds up to fifty (50) people. For crowds over fifty (50) people, the permittee shall provide a minimum of one (1) additional security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other visible form of identification. Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

- In addition to the above security requirements, the permittee shall staff one (1) "Security guard" on the boat dock anytime the banquet hall is used for entertainment purposes. Security guards assigned to the dock shall ensure that patrons do not loiter near the docks or the immediate area, and ensure that NO ALCOHOL is permitted on the boat dock. Security guards must be identifiable. The Chief of Police may increase or relax this condition, based upon calls for service related to problems on the boat dock.
- √ In addition to the above security requirements, the permittee shall staff one (1) security guard in the parking lot between the hours of 10:00 PM and ½ hour after closing. The security guard shall ensure that patrons do not loiter in the parking lot or the immediate area. They shall also ensure the patrons enter and leave the parking lot in a peaceful manner as not to disturb any neighboring businesses or residents who live nearby. The Chief of Police may increase or relax this condition, based on calls-for-service related to problems in the parking lot.
- The permittee shall employ his/her own discretion in determining the level of security necessary to prevent violations of law and any other disturbances arising out of or in connection with business operations. Should the permittee's operations give rise to a substantial increase in complaints/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.
- √ The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times

while open for business. This should be done by use of security guards and signage indicating words to the effect of, "Please respect our neighbors" or something similar.

- √ At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the parking lot or the immediate area.
- √ The permittee agrees to reimburse the City for all costs associated with excessive police services, as determined by the Chief of Police, required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
- √ The permittee shall install and maintain a video surveillance system that monitors no less than the front and rear of the business with full view of the public right-of-ways and any parking lot under the control of the permittee. The video system must be capable of delineating on playback the activity and physical features of persona and areas within the premises. Recordings shall be retained for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras.
- An identification card scanner shall be used for all patrons entering the establishment after 10:00 PM for the sole purposes of verifying patron age and/or authenticity of a patron's driver's license or identification card.
- √ Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request.
- √ Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the licensee, shall be removed or painted over within 24 hours of being applied.
- Promoters/Disc Jockeys/Contractors: In addition to the requirement that business owners obtain business licenses, entertainment promoters, disc jockeys or other contractors who have been engaged to market, advertise, conduct or otherwise perform services at an event, must obtain a separate city business license. [The promoter may obtain a temporary license for a single event for a period of three days or less pursuant to LBMC § 5.____]

Any monies collected as a door charge or other admission charge, including minimum drink orders, must be solely for the profit of the business owner.

[The failure of a promoter to obtain a business license for an event or location may be grounds for revocation of the business license of the facility where the event took place and denial of any future business license sought by the promoter.]

If the event is a charitable event, then the promoter must also comply with all applicable requirements of Chapter 5.28.

- The permittee shall not hire promoters with the intent to advertise/promote or hold any entertainment activities consistent with nightclub entertainment.
- √ All promoters must have or obtain a City of Long Beach Business License **prior to** conducting entertainment activities governed by this permit. The permittee shall be responsible for all entertainment activities at the location, including those conducted by promoters.
- √ The permittee must provide all promoters, independent contractors, and dancers, hired to conduct entertainment activities with a copy of the approved permit, which shall include a copy of the approved conditions of operation.
- √ The business, its promoters, or agents, shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all agent and promoter's contracts, including names, addresses and phone numbers, on file at all times, and must be available for inspection at anytime.
- √ The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances and stated conditions. In the event of a conflict with the requirements of this permit, the more stringent regulation shall apply.
- The permittee must submit an application for the renewal of the entertainment with dancing permit not later than _____ 2011 or four (4) months prior to the One-Year Short-Term permit expiration date to continue to provide entertainment without a break.
- √ The permittee, shall, within ninety (90) days of an approved entertainment permit, submit proof of attending the LEAD program offered by the Department of Alcoholic Beverage Control. In the event that the LEAD program class is not offered within this ninety-day period, the permittee shall attend the next available class. Proof of completion shall be submitted to the Long Beach Police Department Vice Investigations Section.
- There shall be no "queue" allowed after _____. Queue is defined as persons awaiting entry after the business is at capacity.

The Planning Bureau of the Department of Development Services has the following comments:

No CUPs or AUPs were found for the subject property; however, two CUP Exemptions were found approved for alcohol sales (CUP-EX No. 05-40 and 01-14).

The subject property was previously approved for an entertainment permit with dancing in May of 2010. Based on the floor plans submitted for the previous application and the current application there have been no significant changes to the floor plan. No additional parking is required.

Planning Bureau recommends that the entertainment permit with dancing for "The Copacabana Night Club" be approved.

If you have any questions regarding this response, please call Jorge Ramirez, Planner, at (562) 570-6952.
