## INSTRUCTIONS TO BIDDERS

### 1. PREPARATION OF BID:

The preparation of the Bid, including visits to the Site prior to submittal of the Bid, shall be at the expense of Bidder. All prices and notations must be typewritten or written in ink. Any markings in pencil shall not form part of the Bid and shall be disregarded by the City. Any changes or corrections in the Bid must be initialed in ink by the person signing the Bid. Bidder shall state brand name or make of each item bid. If not bidding on item as described, the manufacturer's name and catalog number of the substitute must be given. Bidder shall also attach specifications and furnish other data to establish the suitability of the substitute. Bidder shall quote separately on each item. Bidder shall quote his lowest price and best delivery date as no changes are permitted after the bid opening. Cash discounts offered for payment within fourteen (14) days or less will not be considered when evaluating bids. No telephonic, telegraphic or fax Bids are acceptable.

**NOTE: ALL PAGES OF THE INVITATION TO BID MUST BE RETURNED.**

### 2. EXAMINATION OF BID:

Bidder is responsible for examining the Invitation to Bid and submitting its Bid complete and in conformance with these instructions.

### 3. CONDITIONS OF WORK:

Bidder shall carefully examine the Site to become fully informed regarding all existing and expected conditions and matters, which could affect performance, cost or time of the Work.

### 4. DISCREPANCIES IN BID DOCUMENTS:

If Bidder finds discrepancies in or omissions from the Invitation to Bid, if the intent of the Invitation is not clear, or if provisions of the Specifications restrict Bidder from bidding, he may request in writing that the deficiency(s) be modified. Such request must be received by the City Purchasing Agent at least five (5) working days before bid opening date. Bidders will be notified by Addendum of any approved changes in the Invitation to Bid.

### 5. ORAL STATEMENTS:

The City of Long Beach shall not be bound by oral statements made by any employee or agent concerning this Invitation to Bid. If Bidder requires specific information, Bidder must request it in writing and obtain a reply in writing from the City.

### 6. BRAND NAMES AND SPECIFICATIONS:

The detailed specifications and/or brand names stated are descriptive only and indicate quality, design and construction of items required. **Offers will be considered to supply articles substantially the same as those described herein but with minor variations. Bidders must describe variations in the Bid. Substitute items must be equal in quality, utility and performance. The phrase "or approved equal" throughout the specifications means that the City in its sole and absolute discretion shall make the final determination whether or not the substitute items are equal.**

### 7. AWARD:

Bid shall be subject to acceptance by the City for a period of three (3) months unless a lesser period is prescribed in the quotation by Bidder. The City reserves the right to award all items to one Bidder, or to award separate items or groups of items to various Bidders, or to increase or decrease the quantities of any item. Bidder may submit alternate prices or name a lump sum or discount conditional on two or more items being awarded to him.

The City's purchases of goods and services are based on the City's actual needs and requirements. The City is obligated under this contract/purchase order to purchase and pay for only those goods and services that the City needs and requires, and that the City actually orders and receives. Any dollar amount identified as a "not to exceed:" amount in any City document is not a guaranteed payment amount to any contractor or service provider. Furthermore, the City may determine that its needs and requirements may be met by City labor or by a second contractor or service provider, even after an award is made to one contractor or service provider. An award is not a promise or guarantee of exclusivity.

Bidders are cautioned that comments and statements, whether oral or written, made by City employees regarding the validity of Bids, the waiver of deviations from Specifications, the possibility or probability of an award being made to a particular Bidder, and other similar matters are NOT binding on the City. Bidders should not order materials, obtain financing or take other actions based on such comments and statements. Only authorization of a Contract by the City Council or issuance of a Purchase Order is conclusive and binding on the City with respect to this Bid and its resulting Contract or Purchase Order. However, prior to authorization by the City Council or issuance of the Purchase Order, Bidders may rely on: (1) approval of an "equal" or "substitute" item which will be issued in writing, and (2) written notice of intent to award by the City Council, which is often issued prior to the authorization by the City Council so that a Bidder can order materials that have a long lead time.

### 8. PAYMENT:

Payment terms are NET/30 unless Bidder otherwise quotes. All Cash Discounts shall be taken and computed from the date of delivery or completion and acceptance of the material, or from date of receipt of invoice, whichever occurs last. Invoices must be submitted as specified at the time of shipping authorization. Partial payments may be made by the City on delivery & acceptance of goods and on receipt of goods and on receipt of Contractor's invoice.

In the event the Contract to be awarded hereunder, including specifications and other documents incorporated therein by reference, provides for the withholding of moneys by the City to ensure performance of such Contract, Contractor may deposit with the City, as a substitute for said withheld moneys, securities listed in Section 16430 of the California Government Code or bank or savings and loan certificates of deposit, or both, equivalent to the amount withheld, provided Contractor requests permission to make such substitution and bears all expenses in connection therewith.

### 9. SAFETY APPROVAL:

Where required by City Regulations, any items delivered must carry Underwriters Laboratories Approval or City of Long Beach City Safety Officer approval. Failure to so comply will be cause to reject Bid. Also, any equipment must conform with the Safety Orders of the California Division of Industrial Safety and OSHA regulations.

### 10. BUSINESS LICENSE:

The Long Beach Municipal Code (LBMC) requires all businesses operating in the City of Long Beach to pay a business license tax. In some cases the City may require a regulatory permit and/or evidence of a State or Federal license. Prior to issuing a business license, certain business types will require the business license application and/or business location to be reviewed by the Development Services, Fire, Health, and/or Police Departments. Contractor shall monitor products that fall within the EPP guidelines and document all criteria that qualifies the product as an EPP. Documentation from the manufacturer will be acceptable and may be required during the term of the Contract.

RE: Bid No.: PA-02410 City of Long Beach  
Small Business Enterprise Program Utilization Report

SBE Sub contractor Firms

NONE

Discussion:

To the best of the bidder's knowledge there are no eligible Small Business Enterprises which manufacture the materials required as per the bid specifications. Additionally, the interjection of an SBE into the supply chain adds no value to the University in the procurement of requested goods. As such, utilization of an SBE as a vendor or subcontractor is not possible. Based on the above, the bidder declares a "good faith effort" in meeting the required SBE attainment goals, as there exists no availability of SBE firms to do subcontracting work for the materials specified pursuant to the above referenced bid.

**DEPARTMENT OF FINANCIAL MANAGEMENT  
Business Relations Bureau**

## **SMALL BUSINESS ENTERPRISE (SBE) PROGRAM**

### **PARTICIPATION INSTRUCTIONS**

**Rev. July 28, 2009**

**PROJECT:**

## INSTRUCTIONS TO BIDDERS

### SUMMARY

This Small Business Enterprise (“SBE”) Program shall apply to all City Manager Departments, in accordance to Ordinance #ORD-09-0005, adopted April 7, 2009 and enacted on May 13, 2009 (Attachment A).

Each prospective bidder who is successful in a bid to provide goods or services to the City must comply with the City’s SBE policy.

#### I. Small Business Enterprise (SBE) Certification

Only those Small Business Enterprises certified by City of Long Beach Business Relations Bureau shall be eligible for the fulfillment of the SBE participation goal. SBE listings may be obtained from the Department of Financial Management, Business Relations Bureau, Purchasing Division. If a Small Business Enterprise elects to compete for city business without being certified as such, they may do so, but any bid submitted will not be counted towards fulfillment of the SBE participation goal.

An SBE desiring certification with the City of Long Beach must complete the online certification process. The online certification process can be viewed and completed at the following link:

**<http://www.longbeach.gov/purchasing>**

Upon receipt, the Business Relations Bureau will review the application and determine SBE certification status. In addition, the vendor will be eligible to receive notices to bid on their selected commodities or services.

#### II. SBE Participation Goal

The Long Beach City Council has established an overall 20% goal in all procurement categories for Small Business Enterprise program participation with the following City Manager Departments:

- Department of Public Works
- Department of Gas & Oil
- Department of Parks, Recreation and Marine

The exception of goals established by the Manager of Business Relations Bureau on a contract-by-contract basis based on market availability and useful function within the contract.

**The SBE Participation goal can be achieved in the following manner(s):**

- a) **Non-SBE prime contractors/consultants** shall meet the combined SBE/VSBE/LSBE participation goal, or document and submit an acceptable good faith effort, for their bid or proposal to be deemed responsive.
- b) **SBE & LSBE prime contractors/consultants** are deemed to have met the SBE component of the combined SBE/LSBE participation goal, but shall meet the VSBE component of the goal, or document and submit an acceptable good faith effort, for their bid or proposal to be deemed responsive.
- c) **VSBE prime contractors/consultants** are deemed to have met both components of the combined SBE/VSBE participation goal.

## Small Business Enterprises – Eligibility Requirements

### I. SBE, VSBE and LSBE Eligibility

- a) **SBE** eligibility is determined utilizing federal U.S. Small Business Administration (SBA) size standards either by the average gross annual revenue or by the number of employees, based on North American Industrial Classification System (NAICS) codes. The current table of size standards can be accessed on the SBA website at [www.sba.gov/ca/la](http://www.sba.gov/ca/la). Examples of maximum gross annual revenue averaged over the past three years to qualify as an SBE: general contractor \$33.5 million; specialty trade contractor \$14.0 million; engineering services \$4.5 million.
- b) **VSBE** eligibility is determined utilizing maximum allowable annual gross revenues consistent with those of the State of California's Department of General Services' "micro-business" designation. The current guidelines for this designation can be accessed on the State of California's website at <http://www.pd.dgs.ca.gov/smbus/default.htm>.
- c) Local Small Business Enterprise (**LSBE**) eligibility shall be determined by the criteria established in Municipal Code section 2.84.030, subdivisions (1) and (2), <http://www.municode.com/resources/gateway.asp?pid=16115&sid=5> in addition to the SBE eligibility criteria described in section a, above.

## SBE/VSBE/LSBE Good Faith Effort

### Good Faith Effort Evaluation Criteria for Contracts

A proposer whose proposal/SOQ fails to meet the SBE, VSBE or LSBE participation goal shall be found responsive if an acceptable Good Faith Effort (GFE) is demonstrated. The GFE should be submitted in a letter or memo showing the following information and attaching the related documentation in the bid packet. The following criteria shall be used in evaluating a proposer's GFE:

1. **Attend Pre-Proposal Meeting:** The proposer submitted written evidence that he/she attended the pre-proposal conference.

*Tip: To receive credit for attending the pre-proposal meeting, the attendee must be a person who will be directly involved with the project, i.e., owner, project manager, etc. A copy of the sign-in sheet must be submitted. If no pre-proposal meeting is held, the proposer will receive 10 points credit for this criterion.*

2. **Subdivide the Work:** The proposer prepared and followed a plan to subdivide the work into disciplines or work elements that could be economically performed by small businesses. It is the proposer's responsibility to demonstrate that sufficient work was made available to SBEs, VSBEs and LSBEs to meet contract requirements (combined SBE/VSBE/LSBE goal established for that contract).

*Tip: The work should be subdivided into categories or disciplines to allow for maximum SBE, VSBE and LSBE participation. For example:*

<i>Name of Project:</i>	<i><u>Pipeline Relocation Design</u></i>
<i>Work Elements:</i>	<i>Civil engineering – 70%</i>
	<i>Geotechnical – 10%</i>
	<i>Structural engineering – 10%</i>
	<i>Mechanical engineering – 10%</i>

3. **Advertise:** The proposer submitted written evidence of commercial advertising for small business subconsultants, subcontractors, vendors and/or suppliers at least 14 calendar days prior to the proposal/SOQ due date. A copy of the advertisement, showing the advertisement date(s), name of publication, type of work and amount of work being solicited, must be provided.

*Tip: A copy of the advertisement must be provided, including the date(s) of advertisement and name of the publication.*

4. **Use Public Databases:** The proposer submitted written evidence of using the City's SBE/VSBE/LSBE database, small business, minority business, and

women-owned business associations, and chambers of commerce to help solicit small businesses. In addition, databases from the agencies below are available.

- Metropolitan Water District  
<http://www.mwdh2o.com/mwdh2o/pages/business/business01.html>
- Los Angeles Community College District  
[http://www.build-laccd.org/bidding\\_and\\_contracting/index.asp?pg=oao](http://www.build-laccd.org/bidding_and_contracting/index.asp?pg=oao)

5. **Provide Relevant Information to Small Businesses:** The proposer submitted written evidence that he/she has provided interested small businesses with information about the requirements of the contract at least 14 calendar days prior to the proposal/SOQ due date.

*Tip:* Submitting the information included in the ad copy and also in direct written solicitations satisfies this requirement.

6. **Directly Solicit Small Businesses:** The proposer submitted written evidence of directly soliciting small business subconsultants. A copy of the written notices sent directly to SBEs, VSBEs and LSBEs must be provided. A direct solicitation should include the type of work, amount of work, and a brief specific description of the work being solicited.

*Tip: Written evidence must include the following information: name of agency, name of project, company name, scope of work required, date of contact, method of contact (in-person, phone, fax, email), person contacted, result of contact (waiting for response, waiting for proposal/SOQ, left message, no answer, etc.).*

7. **Conduct Follow-Up:** The proposer submitted written evidence of specific activities used to follow up initial solicitations in preparing the proposal/SOQ.

*Tip: Follow-up activities must include documentation of repeat contact efforts if the first contact was unsuccessful.*

8. **Offer Assistance:** The proposer demonstrated that he/she has offered to assist small businesses in obtaining bonding, insurance or equipment.

*Tip: Negotiations include give-and-take by both parties with the intention of reaching a mutually satisfactory agreement. This includes responding in writing to proposals/SOQs from small businesses.*

9. **Negotiate:** The proposer submitted written evidence that he/she has negotiated in good faith with interested small businesses. Documentation must include company name, contact person, method of contact, and specific items that were

negotiated (scope of work, materials, equipment, insurance, bonding, personnel, timing of project, etc.)

*Tip: Submitting the offer to assist with bonding/insurance/equipment included in the ad copy and also in direct written solicitations satisfies this requirement.*

- 10. Document proposal (price) and negotiation results:** For any negotiations which were unsuccessful and/or proposals received but not accepted, the proposer submitted the unsuccessful proposer's company name, telephone number, contact person, price proposed, and the reason for rejecting the proposal. If price was the reason for rejecting the proposal, the proposer listed the price proposed by both the SBE/VSBE and the low proposer for that element of work.

*Note: For successful proposals/SOQs, Contractor must submit the name of the successful proposer(s) on COLB Form SBE-2P - SBE/VSBE Commitment Plan for Professional Services Contracts. Please refer to the ITB or RFP for submittal deadlines.*

**Each of the 10 criteria will be assigned 10 points and will be graded with 0 or 10 points; there is no partial credit. The proposer must achieve a score of 70 out of a possible 100 points in order for the SBE Administrator to determine that the proposer has made an acceptable GFE.**

## **SBE/VSBE/LSBE Commitment Plan**

For SBE designated contracts, prime contractors must submit a completed SBE Commitment Plan Form (Attachment B) to the City of Long Beach, Business Relations Bureau listing information for each SBE used for contract goal satisfaction or a good faith effort explaining why the goal could not be reached. The Business Relations Bureau will approve the initial SBE commitment or good faith effort submitted by the prime contractor. The Business Relations Bureau office is responsible for approving any revisions to the contract SBE commitment approved by City of Long Beach.

For a prime contractor to request a revision to its approved contract SBE commitment, it must submit a Substitution Replacement Form (Attachment C) to the City for approval. (Contact Business Relations Bureau at [562] 570-6200 for more information on this form.) Upon receipt of this form, the City will implement the following procedure:

1. Contact the SBE subcontractor being terminated or replaced to verify information provided by the prime contractor.
2. Do not consider a more advantageous subcontract with another subcontractor as a valid reason for SBE subcontractor termination or replacement.
3. Ensure the substitution procedure outlined in the contract SBE Special Provision is followed prior to approving the termination or substitution of an approved SBE subcontractor.
4. Obtain a completed SBE Commitment Plan form from the prime contractor with original prime contractor and SBE subcontractor signatures, for any new or replacement SBE subcontractors to be added to the previously approved contract SBE commitment. Ensure the following information is included with the SBE Commitment Plan form:
  - o items and quantity of work to be performed
  - o materials being supplied
  - o dollar value of subcontract, materials or services
  - o total amount of SBE commitment
  - o if the SBE is a material supplier, an explanation of the function performed
5. Notify the prime contractor and the Business Relations Bureau of the approval or denial of the SBE commitment revision. Forward the COLB Substitution/Change Form, the appropriate letter, and any file documentation to the prime contractor and BOP.

Notify the Business Relations Bureau if the SBE commitment revision request is not approved, and the prime contractor is in non-compliance with the contract SBE requirements.

## EXHIBIT A

The City of Long Beach Small Business Enterprises (SBE), Very Small Business Enterprises (VSBE) and Local Small Business Enterprise (LSBE) Pilot Program (the "Program").

### **1.0 Applicability**

The Program shall apply to all applicable construction contracts, professional services contracts, and procurement activities undertaken by City of Long Beach Departments of Public Works and Parks, Recreation and Marine, funded with City general fund revenues and/or federal funds, except those subject to 49 CFR 26, "Disadvantaged Business Enterprises (DBE) Program" or those requiring compliance with the City's Section 3 program, and the Department of Gas and Oil, funded with gas or oil revenue. The Program shall not apply to projects or purchases using Tidelands funds or funds from the South East Resource Recovery Facility (SERRF) or projects performed by oil contractors Thums and Tidelands.

### **2.0 Policy**

2.1 The City shall promote utilization of Small Business Enterprises (SBEs), Very Small Business Enterprises (VSBEs) and Local Small Business Enterprises (LSBEs) on construction contracts, professional services contracts, and purchase orders.

2.2 The goal of the Program is to provide the City with more competition, lower costs, and better community participation by reducing barriers to small and local business participation in the City's contracting and procurement process.

2.3 The Program shall be administered in a streamlined and cost effective manner by the City's Business Services Manager, operating under the appropriate bureau managing director, division director, and section manager.

2.4 For the Department of Parks, Recreation and Marine, VSBE participation will not be tracked separately from SBE participation, due to the large number of small contracts (less than \$100,000) and the administrative costs of tracking SBEs and VSBEs separately.

### **3.0 Program Structure**

The Program was established by an ordinance adopted on \_\_\_\_\_, 2009 by the City Council of the City of Long Beach, and became effective on \_\_\_\_\_, 2009.

### **4.0 Program Applicability to Non-SBE Firms, SBE Firms and VSBE Firms**

4.1 Non-SBE prime contractors/consultants/vendors shall meet the combined SBE/VSBE/LSBE participation goal, or document and submit an acceptable Good Faith Effort, for their bid or proposal to be deemed responsive.

4.1.1 The Department of Public Works shall identify and may exempt from the requirements of this Program any project requiring compliance with the City's Section 3 Program, established by federal court consent decree. In cases where a determination is made to exempt a project due to the Section 3 requirements, submission of a Good Faith Effort shall not be required for a bid or proposal to be deemed responsive.

4.2 SBE prime contractors/consultants/vendors, certified through the City's online SBE/VSBE/LSBE database and verified by the City, are deemed to have met the SBE component of the combined SBE/VSBE/LSBE participation goal, but shall meet the VSBE component for the goal, or document and submit an acceptable Good Faith Effort, for their bid or proposal to be deemed responsive.

4.3 City-certified SBE prime contractors/consultants/vendors who also qualify as a Very Small Business Enterprise (VSBE) based upon the Business Services Manager's review of qualifying information are deemed to have met both components of the combined SBE/VSBE/LSBE participation goal.

4.4 The City encourages all prime contractors/consultants/vendors to utilize small business subcontractors and subconsultants, whether at a first tier or lower tier sub level, as well as vendors and suppliers. Lower tier subs and vendors/suppliers must provide services/materials directly related to the project or they will not qualify to meet the goal.

## **5.0 SBE, VSBE and LSBE Eligibility**

5.1 SBE eligibility is determined utilizing federal U.S. Small Business Administration (SBA) size standards, based on North American Industrial Classification System (NAICS) codes. The current table of size standards can be accessed on the SBA website at [www.sba.gov/ca/la](http://www.sba.gov/ca/la). Examples of maximum gross annual revenue averaged over the past three years to qualify as an SBE: general contractor \$31.0 million; specialty trade contractor \$13.0 million; engineering services \$4.5 million.

5.2 VSBE eligibility is determined utilizing maximum allowable annual gross revenues consistent with those of the State of California's Department of General Services' "micro-business" designation.

5.3 Local Small Business Enterprise (LSBE) eligibility shall be determined by the criteria established in section 2.84.030, subdivisions (1) and (2), in addition to the SBE eligibility criteria described in section 5.1, above.

## **6.0 Annual SBE/VSBE/LSBE/LSBE Goals, Individual Contract Goals, Division Goals**

6.1 For the first year of the Program, annual City-wide SBE/VSBE/LSBE goals for participation shall be twenty percent (20%) for procurement and contracting of services, which include ten percent (10%) general SBE participation; five percent (5%) LSBE participation and five percent (5%) VSBE participation.

6.2 In order to meet the established goals, the Program Manager for each contract will consult with the Business Services Manager. Goals may be adjusted due to the number of qualified SBE/VSBE/LSBE firms available to provide the required services. If the dollar value of the work elements of a contract that can be performed by SBEs, VSBEs and/or LSBEs is high, the contract will have a higher SBE, VSBE and/or LSBE participation goal than one where only a small portion of the work could be competitively performed by SBEs, VSBEs or LSBEs.

6.3 The following is a method for determining SBE/VSBE/LSBE contract goals. Starting with a detailed cost estimate for each contract, the contract Program Manager will identify the types and amounts of work to be performed in the contract using universal codes established by the North American Industrial Classification System (NAICS). The Business Services Manager will research government and City databases and locate potential small

businesses for each work discipline. The goals are then established based on two factors: (1) the number of SBEs/VSBEs/LSBEs available to perform a work discipline; and (2) the amount of work in the contract scope that the discipline represents.

6.4 For City contracts that do not have an assigned contract-specific SBE/VSBE/LSBE goal, additional targeted outreach to SBEs/VSBEs/LSBEs will be conducted, and every effort will be made to award the work to a small business.

6.5 Certain categories of work are exempted from the Program requirements for compelling reasons after consultation with the Business Services Manager and approval by appropriate division director.

#### **7.0 Definitions of "Subcontractor" and "Vendor/Supplier"**

7.1 A "Subcontractor" is defined as an individual, firm, or entity having a direct contract with the prime contractor or with any other subcontractor to perform a portion of the subject contract. A subcontractor must have a valid State of California Contractor's License to the extent required by law.

7.2 A "Vendor/Supplier" is defined as an individual, firm, or entity providing materials or supplies directly to the subject contract. For a prime contractor to receive participation credit for utilizing an SBE/VSBE/LSBE vendor or supplier under the City's SBE/VSBE/LSBE Program, the materials/supplies must be directly applicable to the subject contract or City facility.

#### **8.0 City's SBE/VSBE/LSBE Database: Vendor Registration and SBE Certification**

8.1 All firms (large and small) wishing to do business with the City are strongly encouraged to register with the City's online database. Vendor registration is relatively simple and quick. A link to vendor registration is provided from the SBE/VSBE/LSBE Program page on the City's website.

8.2 All SBE/VSBE/LSBE firms listed on a City contract (prime contractor/consultant, subcontractors/subconsultants, vendors and suppliers) are required to register with, and obtain SBE certification from, the City's online vendor database, in order to receive credit toward the established SBE/VSBE/LSBE goal for that contract.

8.3 For the prime contractor/consultant to receive credit for a small business as part of the prime's commitment to meeting the established SBE/VSBE/LSBE goal for a contract, the SBE must be certified by the due date of the prime's SBE/VSBE/LSBE Commitment Plan (COLB Form SBE- or SBE- ).

8.4 To apply for VSBE status, the small business must check the "VSBE" box on its online SBE certification application. Separate VSBE certifications will not be issued. The City will determine VSBE eligibility at the time of review of the prime contractor's/consultant's SBE/VSBE/LSBE Commitment Plan.

8.5 Prior to contract award, SBE, VSBE and LSBE status shall be verified and may be audited by the City.

#### **9.0 Bidders' Commitment to Meeting the Established SBE/VSBE/LSBE Participation Goals**

9.1 All construction contract bidders shall submit a completed SBE/VSBE/LSBE Commitment Plan for Construction Contracts indicating the dollar value and percentage of SBE/VSBE/LSBE contract participation.

9.2 The City may, in its discretion, allow bidders up to three (3) additional business days to submit Good Faith Effort documentation. A bidder that does not meet the SBE/VSBE/LSBE participation goals and does not submit its GFE documentation is declared non-responsive and may forfeit its bidder's bond.

9.3 If all three lowest bidders are declared non-responsive, the fourth-lowest bidder shall submit its SBE/VSBE/LSBE Commitment Plan (COLB Form SBE- ) within 48 hours of written request by the City. The bidder's Commitment Plan will be evaluated by the Business Services Manager. If the bidder does not meet the combined SBE/VSBE/LSBE participation goal established for that contract, the bidder shall submit its Good Faith Effort documentation within 48 hours of request by the City.

9.4 Bidders that do not meet the SBE, VSBE or LSBE participation goal shall be deemed non-responsive unless they demonstrate that they have made an acceptable Good Faith Effort to meet the SBE/VSBE/LSBE participation goals.

9.5 Within three business days of being informed by the City that a firm is non-responsive because it has failed to meet the SBE/VSBE/LSBE participation goal and has not documented an acceptable Good Faith Effort (GFE), the bidder may request administrative reconsideration. The bidder shall make this request in writing to appropriate Managing Director who will serve as the SBE Reconsideration Official. The SBE Reconsideration Official will not be involved in the initial evaluation of the bidder's GFE. Contractors shall forfeit their right for reconsideration if they fail to act within three business days.

9.6 The reconsideration process provides an opportunity for the affected bidder to meet with the SBE Reconsideration Official to discuss the basis of the City's determination of non-responsiveness. The SBE Reconsideration Official will send the affected bidder a written decision on reconsideration, via certified mail, explaining the basis for finding that the bidder did or did not meet the participation goal or demonstrate an acceptable Good Faith Effort.

## **10.0 Proposers' Compliance with SBE/VSBE/LSBE Participation Goals**

10.1 All proposers shall submit, with their proposal or Statement of Qualifications, a completed COLB Form SBE- : SBE/VSBE/LSBE Commitment Plan for Professional Services Contracts, indicating the estimated dollar value and percentage of SBE/VSBE/LSBE contract participation. This will demonstrate the proposer's ability or intent to meet the SBE/VSBE/LSBE participation goals.

10.2 If, during the evaluation process, the City finds that the proposer was unable to show ability or intent to meet the SBE/VSBE/LSBE goals assigned to the project, the proposer will be required to submit a Good Faith Effort in order to continue in the selection process.

10.3 Consultants shall indicate SBE/VSBE/LSBE participation levels prior to receiving authorization for a work task.

10.4 After negotiations have been completed and the Consultant contract is executed, achieving the SBE/VSBE/LSBE goal is a contractual commitment and can only be altered with

written approval of the appropriate City division director, for unusual instances such as a change in scope of services.

#### **11.0 Bidder and Proposer Compliance with Good Faith Effort Evaluation Criteria**

A bidder/proposer whose bid or proposal fails to meet the SBE, VSBE or LSBE participation goal shall be found responsive if an acceptable Good Faith Effort is demonstrated. The following criteria shall be used in evaluating a bidder's/proposer's GFE:

11.1 Attend Pre-Bid/Pre-Proposal Meeting: The bidder/proposer submitted written evidence that he/she attended the pre-bid conference or pre-proposal meeting.

11.2 Subdivide the Work: The bidder/proposer prepared and followed a plan to subdivide the work into disciplines or work elements that could be economically performed by small businesses. It is the bidder's/proposer's responsibility to demonstrate that sufficient work was made available to SBEs, VSBEs and LSBEs to meet contract requirements.

11.3 Advertise: The bidder/proposer submitted written evidence of commercial advertising for small business subcontractors/subconsultants at least 14 calendar days prior to the bid/proposal due date. A copy of the advertisement showing the advertisement date(s), name of publication, type of work and amount of work that is being solicited, must be provided.

11.4 Use Public Databases: The bidder/proposer submitted written evidence of using the City's SBE/VSBE/LSBE database, shall business, minority business, and women-owned business associations, and chambers of commerce to help solicit subcontractors.

11.5 Provide Relevant Information to Small Businesses: The bidder/proposer submitted written evidence that he/she has provided interested small business with information about the requirements of the contract, and how to obtain plans and specifications, at least 14 calendar days prior to the bid/proposal due date.

11.6 Directly Solicit Small Businesses: The bidder/proposer submitted written evidence of directly soliciting for small business subcontractors/subconsultants. A copy of the written notices sent directly to SBEs, VSBEs and LSBEs must be provided. A direct solicitation should include the type of work, amount of work, and a brief specific description of the work being solicited.

11.7 Conduct Follow-Up: The bidder/proposer submitted written evidence of specific activities used to follow up initial solicitations in preparing the bid/proposal.

11.8 Offer Assistance: The bidder/proposer demonstrated that he/she has offered to assist small businesses in obtaining bonding, insurance or equipment.

11.9 Negotiate: The bidder/proposer submitted written evidence that he/she has negotiated in good faith with interested small businesses. Documentation must include company name, contact person, method of contact, and specific items that were negotiated (scope of work, materials, equipment, insurance, bonding, personnel, timing of project, etc.).

11.10 Document Bid and Negotiation Results: For any negotiations which were unsuccessful and/or bids/proposals received but not accepted, the bidder/proposer submitted the unsuccessful bidder's/proposer's company name, telephone number, contact person, price bid (if applicable), and the reason for rejecting the bid or proposal. If price is the reason for

rejecting the bid/proposal, list the price bid by both the SBE/VSBE/LSBE and the low bidder for that element of work.

Each of the 10 criteria will be assigned 10 points. The bidder/proposer must achieve a score of 70 out of a possible 100 points in order for the Business Services Manager to determine that the bidder/proposer has made an acceptable Good Faith Effort (GFE).

## **12.0 Utilization/Substitution of SBEs/VSBEs/LSBEs on Construction Contracts**

12.1 During the term of the contract, the prime Contractor shall be required to utilize all Subcontractors (as defined in Section 7.0 of this document) listed on its SBE/VSBE/LSBE Commitment Plan (COLB Form SBE- ), in the amount and percentage specified on the form. Any SBE/VSBE/LSBE subcontractor substitution will require prior written approval by the appropriate City division director, and must meet all State laws and statutes.

12.2 All Subcontractors listed on COLB Form SBE- , who defined work is greater than ½ of one percent of the prime contract value, must be listed on the bidder's list of Subcontractors submitted with the bid documents. If an SBE/VSBE/LSBE Subcontractor is added after submittal of the bidder's list of Subcontractors, the bidder shall follow Subcontractor listing/substitution procedures pursuant to Public Contract Code 4107 et al.

12.3 If a prime Contractor substitutes an SBE/VSBE/LSBE vendor/supplier, the Contractor shall provide proof, to the satisfaction of the appropriate City division director, that a good faith effort was made to replace that vendor's/supplier's participation percentage with another SBE/VSBE/LSBE firm, to meet the combined SBE/VSBE/LSBE participation percentage specified on the Contractor's SBE/VSBE/LSBE Commitment Plan (COLB Form SBE- ). At project close-out, if the prime Contractor fails to meet the combined SBE/VSBE/LSBE participation percentage specified on its SBE/VSBE/LSBE Commitment Plan, or fails to provide proof that it made a good faith effort to do so, the Contractor may be considered to be in material breach of contract (refer to Section 16.0).

## **13.0 Utilization/Substitution of SBEs/VSBEs/LSBEs on Professional Services Contracts**

13.1 During the term of the contract, the prime Consultant shall be required to utilize all subconsultants listed on its SBE/VSBE/LSBE Commitment Plan (COLB form SBE- ), unless the City approves a change in scope of work that would eliminate or reduce the utilization of an SBE, VSBE or LSBE subconsultant. Any SBE/VSBE/LSBE subconsultant substitutions require prior written approval by the appropriate City division director.

13.2 If a prime Consultant substitutes an SBE/VSBE/LSBE vendor/supplier, the Consultant shall provide proof, to the satisfaction of the appropriate City division director, that a good faith effort was made to replace that vendor's/supplier's participation percentage with another SBE/VSBE/LSBE firm, to meet the combined SBE/VSBE/LSBE participation percentage specified on the Consultant's SBE/VSBE/LSBE Commitment Plan.

## **14.0 Contract Amendments**

If the City approves a change order or contract amendment, the SBE/VSBE/LSBE participation goals may, at the sole discretion of the appropriate City division director, apply to the change

order or contract amendment. If the additional work can be performed by SBEs, VSBEs or LSBEs that are already part of the Contractor's/Consultant's team, the SBE/VSBE/LSBE participation goals shall apply to the entire contract, including the amendment.

## **15.0 Contract Monitoring**

15.1 The prime Contractor/Consultant shall report the dollar value of payments to small businesses at project close-out. This data will be verified. Construction contractors shall submit a completed COLB Form SBE- (SBE/VSBE/LSBE Monthly Utilization Report for Construction Contracts), and consultants shall submit a completed COLB Form SBE- (SBE/VSBE/LSBE Monthly Utilization Report for Professional Services Contracts).

15.2 If a firm's SBE, VSBE or LSBE status changes prior to contract award, the firm will not receive SBE/VSBE/LSBE status for that City contract.

15.3 If an SBE, VSBE or LSBE firm listed on a prime Contractor's/Consultant's SBE/VSBE/LSBE Commitment Plan (POLB Form SBE-2C or SBE-2P) loses its SBE or VSBE status prior to contract award, the Contractor/Consultant shall replace the affected SBE/VSBE/LSBE dollar amount/percentage and shall submit for approval, a revised COLB Form SBE- or SBE- , in order to proceed with contract award.

15.4 If a firm's SBE, VSBE or LSBE status changes during the term of a contract, work performed on that contract after the firm loses its certification will continue to be credited toward meeting the SBE, VSBE or LSBE participation goal. However, the firm will not be able to receive SBE/VSBE/LSBE status on subsequent City projects unless the firm is subsequently re-certified as an SBE, VSBE or LSBE.

15.5 Substitution of any SBE, VSBE or LSBE subcontractor/subconsultant listed on a prime Contractor's/Consultant's SBE/VSBE/LSBE Commitment Plan must be approved by the appropriate City division director.

15.6 {For Construction Contracts only} Nothing herein shall be construed to supersede or limit the requirements for contractor substitutions provided in Section 4100 et seq. of the California Public Contract Code.

15.7 The Construction Manager, Program Manager, Business Services Manager, or their designee may conduct site visits and subcontractor/subconsultant/vendor/supplier interviews and telephone calls to verify proper and full utilization of SBEs, VSBEs and LSBEs to meet contract requirements. Prime contractors/consultants/vendors and SBEs/VSBEs/LSBEs shall fully cooperate with such monitoring.

## **16.0 Contract Compliance**

16.1 The Prime Contractor/Consultant may be considered in material breach of contract for any one or more of the following violations:

16.1.1 Failure to submit, in a timely manner, a SBE/VSBE/LSBE Monthly Utilization Report (COLB Form SBE- or SBE- );

16.1.2 Failure to correct discrepancies found on COLB Form SBE- or SBE- ;

16.1.3 Falsifying or misrepresenting any information provided to the City, including information provided on the City's online SBE/VSBE/LSBE database;

16.1.4 Substituting a SBE/VSBE/LSBE subcontractor/subconsultant without prior written City approval; and/or

16.1.5 Failure to meet the committed SBE/VSBE/LSBE participation percentage as listed on the prime's COLB Form SBE- or SBE-

16.2 In addition to any other remedy the City may have under the Contract or by operation of law, the City, in its sole discretion, may impose any or all of the following provisions against Contractor/Consultant determined to be in breach of contract.

16.2.1 Assess the cost of the City's audit of the books and records of the Contractor/Consultant, subcontractors/subconsultants, and all other firms claiming SBE, VSBE or LSBE status, where such audit is necessary because the Contractor has failed to timely submit a required SBE, VSBE or LSBE program report;

16.2.2 Withhold payment up to ten percent of a monthly progress payment until the Contractor/Consultant is brought into compliance.

16.3 Within three business days of written notification of the intent to enforce any of the measure described above, the Contractor/Consultant may submit in writing a request for an administrative hearing conducted by the City's SBE Reconsideration Official, as defined in Section 9.0.

## **17.0 Small Business Facilitation**

17.1 To the extent practicable, the City will endeavor to disassemble larger construction and procurement projects into contract packages of \$15 million or less. This amount is estimated to be the current bonding limit of heavy construction SBEs.

17.2 The City will conduct pre-bid meetings for individual construction projects between advertisements and bid openings. These will provide opportunities to raise questions about the SBE/VSBE/LSBE Program, plans and specifications, and will also provide an opportunity for primes, subcontractors, vendors and suppliers to meet.

17.3 The City will conduct training forums for SBEs, VSBEs and LSBEs interested in providing contracting and/or consulting services to the City.

17.4 The City will conduct periodic Good Faith Effort/small business outreach training for prime contractors/consultants/vendors interested in working with the City.

17.5 The City will cooperate with other agencies in providing SBE/VSBE/LSBE contractor and consultant training.

17.6 The City will provide referral information to SBE/VSBE/LSBE contractors and consultants on available loan, insurance, and bonding programs that could assist small businesses.

17.7 The City will coordinate outreach activities with the appropriate divisions of the City of Long Beach.

17.8 The City will participate in business and vendor fairs directed at local and small businesses.

**18.0 Periodic Review**

18.1 City staff will seek periodic comments from City contractors, consultants, and small businesses on the effectiveness of the SBE/VSBE/LSBE Program.

18.2 The Program is a pilot program, and shall be in effect for one year from the date of adoption of the ordinance, unless extended by action of the City Council. As soon as practicable following the conclusion of the initial year, City staff shall report to the City Council on the effectiveness and progress of the Program. The report shall include data on contracts issued in the preceding twelve months and payments to all SBE, VSBE and LSBE contractors, consultants, vendors and suppliers. To the extent possible, the cost effectiveness of the Program, including City staff costs, will also be measured.
