Re: Agenda item 13

To whom it may concern,

I whole heartedly like to voice our support to rename the long beach-dog beach after Justin Rudd's English Bulldog Rosie, who sadly passed away recently.

Justin Rudd's community actions to help better the city of Long Beach are something that my wife and I follow closely. His "giving back" to the community is above and beyond.

Please consider this action on your agenda. It would be a small but meaningful celebration of what Just Rudd has done for the Long Beach community.

Very Sincerely,

Steven & Tamy Sullivan

Hi, I would like to show my support in renaming the Long Beach dog beach after Rosie the Bulldog. Justin Rudd and Rosie have done so much for the community, it is the least we do could for them. I live across the bridge in San Pedro, but the many events that Justin has hosted have brought me over to your town to spend my money. I have discovered what wonderful city Long Beach is, because of Justin and Rosie. Please let me know if there is anything else I can do, to show my support.

Councilmember DeLong,

Thank you for bringing forward he motion to rename dog zone after Rosie the Bulldog. As a Long Beach resident I'm so happy I have a place, right here in my own City, where I can take my dog Maximus who LOVES the water. We would not have that little oasis were it not for the efforts of Justin Rudd. And Justin would not have made that effort had it not been for his beloved Rosie.

I thank you again, and hope you have the support of the entire City Council.

To Whom It May Concern:

I'd like to write in support of Ralph Millero and his suggestion to rename the dog beach to something (Justin Rudd's bulldog that passed in January). Justin Rudd has done SO much for the community something in honor of him. Renaming the dog beach after Rosie would warm Justin's heart, as he l

I was born and raised in Long Beach but I now live in Los Alamitos on the border of Long Beach (Lc Justin's newsletters and have participated in the Long Beach Loser Contest he organized, his Turke a 10K for the first time!) and his Operation Easter. I know that there are others outside of Long Bea what he organizes. In fact, during the Long Beach Losers challenge, there were people driving from Corona Del Mar to participate. He not only affects the lives of people in Long Beach, he also affect not live in the city.

There are very few out there that do so much without expecting anything in return and Justin Rudd i everything he has done for the city, this is the LEAST the city of Long Beach can do for him.

Hello,

I understand that the decision whether or not to rename the dog beach in Rosie's honor will be made by Belmont Shore. I support this idea. Both Justin Rudd and his beloved friend Rosie are symbols of our community and are symbolic of the values our community holds such as keeping our beaches clean, giving to others in need, and being a good neighbor.

So please allow our dog beach to be named in Rosie's honor. She was the inspiration for all the positive things that have happened in our community.

Since the dog beach was inspired by a vision by Justin, so that all dog owners could have a safe haven to bring their dogs and still be able to enjoy a day at the beach.
