Subject: Homeless Parking

I've attached photos of vehicles, owned by a homeless man, that have been parked in my neighborhood going on over 3 years. The city and police departments have been unable to resolve the issue to remove the vehicles which would also eliminate strangers/other homeless from hanging around our neighborhood's. In the images all the vehicles with the exception of the white van are owned by a homeless man. Your assistance in resolving the problem would be appreciated.

Kind Regards,
Paul Flores
