

A TRIBUTE TO THE AMERICANS WITH DISABILITIES ACT OF 1990

Bravo, to the Americans with Disabilities Act of 1990, the ADA, a freedom document

People with abilities and disABILITIES, honor the ADA's 28th Anniversary on July 21, 2018

Just like oxygen and water are essential for life, the ADA enhances access by unique features:

Audible pedestrian signals, adaptive technology, closed captioning, curb ramps and truncated domes

Just like gravity protects the universe, the ADA improves the lives of people with disABILITIES

In communication, services, education, employment, housing, transportation and recreation

Just like roots support plants and trees, the ADA provides equal opportunities for people with

Mobility, cognitive or hidden disABILITIES; visual, hearing, speech or mental impairments

Long Beach is known for its profound accessibility and commitment complying with the ADA

Its Information Center for People with DisABILITIES; accessible docks for water taxi service

Its noteworthy Citizens Advisory Commission on Disabilities and ADA/ Title VI Coordinator

City of Long Beach, continue creating bridges of understanding, equality, inclusion and freedom

Celebrate! Surely, the Americans with Disabilities Act of 1990 is a tremendous blessing!
