City Clerk,

I am a homeowner in the Hamilton District my address is 710 East 68th Street Long Beach California 90805.

I support and definitely want to see the Hamilton Loop project proceed and go through. Homeless people are now living on the street adjacent to the freeway. We also have a loitering problem along the freeways, which in turn causes a lot of trash. I wouldn't be surprised if these same loiterers are scoping the neighborhood and causing theft.

Lets make Hamilton Beautiful.
