1 AGREEMENT

2 36052

3 THIS AGREEMENT is made and entered, in duplicate, as of July 7, 2021 for
4 reference purposes only, pursuant to a minute order adopted by the City Council of the
5 City of Long Beach at its meeting on July 6, 2021, by and between ATLAS TECHNICAL
6 CONSULTANTS LLC, a Delaware limited liability company ("Consultant"), with a place of
7 business at 25 Cupania Circle, Monterey Park, California 91755, and the CITY OF LONG
8 BEACH, a municipal corporation ("City").

9 WHEREAS, the City requires specialized services requiring unique skills to
10 be performed in connection with as-needed professional engineering services ("Project");
11 and

12 WHEREAS, City has selected Consultant in accordance with City's
13 administrative procedures and City has determined that Consultant and its employees are
14 qualified, licensed, if so required, and experienced in performing these specialized
15 services; and

16 WHEREAS, City desires to have Consultant perform these specialized
17 services, and Consultant is willing and able to do so on the terms and conditions in this
18 Agreement;

19 NOW, THEREFORE, in consideration of the mutual terms, covenants, and
20 conditions in this Agreement, the parties agree as follows:

21 1. SCOPE OF WORK OR SERVICES.

22 A. Consultant shall furnish specialized services more particularly
23 described in Exhibit "A", attached to this Agreement and incorporated by this
24 reference, in accordance with the standards of the profession, and City shall pay for
25 these services in the manner described below, in an amount not to exceed One
26 Million Dollars (\$1,000,000), at the rates or charges shown in Exhibit "B".

27 B. The City's obligation to pay the sum stated above for any one
28 fiscal year shall be contingent upon the City Council of the City appropriating the

1 necessary funds for such payment by the City in each fiscal year during the term of
2 this Agreement. For the purposes of this Section, a fiscal year commences on
3 October 1 of the year and continues through September 30 of the following year. In
4 the event that the City Council of the City fails to appropriate the necessary funds
5 for any fiscal year, then, and in that event, the Agreement will terminate at no
6 additional cost or obligation to the City.

7 C. Consultant may select the time and place of performance for
8 these services provided, however, that access to City documents, records, and the
9 like, if needed by Consultant, shall be available only during City's normal business
10 hours and provided that milestones for performance, if any, are met.

11 D. Consultant has requested to receive regular payments. City
12 shall pay Consultant in due course of payments following receipt from Consultant
13 and approval by City of invoices showing the services or task performed, the time
14 expended (if billing is hourly), and the name of the Project. Consultant shall certify
15 on the invoices that Consultant has performed the services in full conformance with
16 this Agreement and is entitled to receive payment. Each invoice shall be
17 accompanied by a progress report indicating the progress to date of services
18 performed and covered by the invoice, including a brief statement of any Project
19 problems and potential causes of delay in performance, and listing those services
20 that are projected for performance by Consultant during the next invoice cycle.
21 Where billing is done and payment is made on an hourly basis, the parties
22 acknowledge that this arrangement is either customary practice for Consultant's
23 profession, industry, or business, or is necessary to satisfy audit and legal
24 requirements which may arise due to the fact that City is a municipality.

25 E. Consultant represents that Consultant has obtained all
26 necessary information on conditions and circumstances that may affect its
27 performance and has conducted site visits, if necessary.

28 F. CAUTION: Consultant shall not begin work until this

1 Agreement has been signed by both parties and until Consultant's evidence of
2 insurance has been delivered to and approved by the City.

3 2. TERM. The term of this Agreement shall commence at midnight on
4 August 1, 2021, and shall terminate at 11:59 p.m. on July 31, 2023, unless sooner
5 terminated as provided in this Agreement, or unless the services or the Project is
6 completed sooner. The term may be extended for three (3) additional one-year periods, at
7 the discretion of the City Manager.

8 3. COORDINATION AND ORGANIZATION.

9 A. Consultant shall coordinate its performance with City's
10 representative, if any, named in Exhibit "C", attached to this Agreement and
11 incorporated by this reference. Consultant shall advise and inform City's
12 representative of the work in progress on the Project in sufficient detail so as to
13 assist City's representative in making presentations and in holding meetings on the
14 Project. City shall furnish to Consultant information or materials, if any, described
15 in Exhibit "D" attached to this Agreement and incorporated by this reference, and
16 shall perform any other tasks described in the Exhibit.

17 B. The parties acknowledge that a substantial inducement to City
18 for entering this Agreement was and is the reputation and skill of Consultant's key
19 employee, named in Exhibit "E" attached to this Agreement and incorporated by this
20 reference. City shall have the right to approve any person proposed by Consultant
21 to replace that key employee.

22 4. INDEPENDENT CONTRACTOR. In performing its services,
23 Consultant is and shall act as an independent contractor and not an employee,
24 representative, or agent of City. Consultant shall have control of Consultant's work and
25 the manner in which it is performed. Consultant shall be free to contract for similar services
26 to be performed for others during this Agreement provided, however, that Consultant acts
27 in accordance with Section 9 and Section 11 of this Agreement. Consultant acknowledges
28 and agrees that a) City will not withhold taxes of any kind from Consultant's compensation,

1 b) City will not secure workers' compensation or pay unemployment insurance to, for or on
2 Consultant's behalf, and c) City will not provide and Consultant is not entitled to any of the
3 usual and customary rights, benefits or privileges of City employees. Consultant expressly
4 warrants that neither Consultant nor any of Consultant's employees or agents shall
5 represent themselves to be employees or agents of City.

17 of construction, then Consultant may be required to modify the plans and
18 specifications, any construction documents relating to the plans and specifications,

15 defined in Section 8 of the Small Business Act (15 U.S.C. Sec. 637).
