Sec. 1. The Contract. The Contract between the CITY and CONTRACTOR consists of the following Contract Documents:

- (a) this Contract;
- (b) CONTRACTOR's Proposal dated October 6, 2017, that is attached hereto and incorporated into this Contract;
- (c) CITY's RFP No. EV2370 that is incorporated into this Contract by reference;
- (d) any CITY issued Purchase Order;
- (e) any CITY and CONTRACTOR executed Work Order that is incorporated into a CITY issued Purchase Order;
- (f) any and all Attachments and Exhibits attached to the Contract. All documents listed in this Section 1 shall be collectively referred to as the "Contract Documents" and are incorporated into this Contract. CITY and CONTRACTOR agree that the terms "Agreement" and "Contract" and "Contract Documents" are used interchangeably in this Contract and the terms "Agreement" and "Contract" and "Contract Documents" each include all "Contract Documents."

Sec. 2. Initial Term of Contract and Additional Periods.

- (a) **Initial Term.** The initial term of this Contract shall begin on February 1, 2018, and shall end on January 31, 2023. The Manager of Procurement Services is authorized to enter into an amendment of this Contract with CONTRACTOR to extend the term of this Contract and time of performance for this Contract.
- (b) **Renewal Terms.** At any time prior to the expiration of the initial term or any subsequent term, the CITY, in its sole discretion, may renew this Contract for up to three (3) additional two (2) year terms.

- (c) **Transition Term.** Notwithstanding the expiration of the initial term or any subsequent term or all options to renew, CONTRACTOR and CITY shall continue performance under this Contract until the CITY has a new contract in place with either CONTRACTOR or another provider or until the CITY terminates the Contract.

Sec. 3. Purchase Orders and Work Orders.

- (a) **Purchase Order.** CITY shall order all Electrical, Lighting, Data Communications, and Security Products and Related Products, Services and Solutions, (hereinafter "the Products" or "Products and Services" or "Services" depending on the context of the terms used) by means of a Purchase Order issued by the CITY's Manager of Procurement Services for which sufficient funds have been certified and encumbered by the City's Director of Finance. CONTRACTOR shall not provide any "Products" or "Products and Services" or "Services" in excess of the dollar amount contained in any Purchase Order even if there is an executed Work Order between the CITY and CONTRACTOR. CONTRACTOR shall not be entitled to any payment from CITY in excess of the dollar amount of the Purchase Orders from CITY even if such amount is authorized in a Work Order executed by CITY and CONTRACTOR. All Purchase Orders shall automatically incorporate the Contract and all Contract requirements even if the Contract is not referenced.
- (b) **Goods and Products.** CONTRACTOR shall timely provide all Goods and Products ordered by the CITY at the Prices set forth in the Contract. The terms "Goods" and "Products" are used interchangeably under this Contract and each term includes the other term.
- (c) **Services or Work Orders for both Products and Services.**
 - 1. The CITY may request CONTRACTOR to provide Services or both Products and Services. Prior to CONTRACTOR submitting a written detailed Proposal for Services or for both Products and Services to a requesting CITY Department, the CONTRACTOR must obtain written authorization from the CITY's Manager of Procurement Services to submit a Proposal to the CITY Department. CONTRACTOR shall not perform any Services or provide both Services and Products unless the Manager of Procurement Services authorizes CONTRACTOR to provide Services or both Products and Services and all other contractual requirements are met including the Pricing for all Products, Products and Services and Services.
 - 2. Prior to the Manager of Procurement Services authorizing CONTRACTOR to provide Services or both Products and Services to a CITY Department, the Manager of Procurement Services shall:
 - a. Obtain MBE/WBE goals from the CITY's Director of Human Relations if the estimated cost of the Services or Products and Services exceeds the dollar thresholds for MBE/WBE goals and Workforce Goals for MBE/WBE goals;
 - b. Have the CITY's Director of Human Relations determine whether the needed Services are subject to Prevailing Wage requirements and Payment Bond and Performance and Maintenance Bond requirements;

- c. Any other Legal requirements including compliance with the CITY's SLBE requirements
 - d. if the CITY's MBE/WBE program requirements are not applicable due to not meeting the dollar thresholds.
3. If the Manager of Procurement Services authorizes CONTRACTOR to submit a Proposal for Services or for both Products and Services, CONTRACTOR shall submit a detailed Proposal that includes the Scope of Services, the Proposed Schedule, the Price and if applicable, comply with MBE/WBE goals, Prevailing Wage requirements, and Payment Bond and Performance Bond requirements, or SLBE requirements. If the CITY and CONTRACTOR agree to CONTRACTOR's Proposal, the CITY will issue a Purchase Order and Work Order that is executed by the CITY and CONTRACTOR. All Work Orders and Purchase Orders signed by the CITY and CONTRACTOR shall automatically incorporate this Contract (even if the Work Order does not specifically incorporate this Contract).
- (d) CONTRACTOR shall bill the City, in a form acceptable to the City, on the following basis: monthly.

Sec. 4. Effective Date of Contract.

- (a) Notwithstanding Section 2 of this Contract, neither party has any obligation under this Contract until the Manager of Procurement Services issues a Purchase Order which shall be signed by the City's Director of Finance certifying there is a balance, otherwise unencumbered, to the credit of the appropriation to which the expenditure is to be charged, and a cash balance, otherwise unencumbered, in the treasury, to the credit of the fund from which payment will be made, each sufficient to meet the obligation incurred in the Purchase Order.
- (b) The date of the first Purchase Order issued by the CITY is the effective date of this Contract.
- (c) The date of the first Purchase Order issued by the CITY after the CITY renews this Contract shall be the effective date of the renewal term or transition term.

Sec. 5. Invoices.

- (a) CONTRACTOR shall submit to CITY a request for payment (hereinafter "Invoice") for services performed in sufficient detail for the CITY to determine that the amount CONTRACTOR is requesting is in fact due and payable.
- (b) CITY shall not pay any Invoice from CONTRACTOR unless CONTRACTOR is in compliance with, and not in breach or default of, all terms, covenants and conditions of this Contract. If damages are sustained by CITY as a result of breach or default by CONTRACTOR, CITY may withhold payment(s) to CONTRACTOR for the purpose of set off until such time as the exact amount of damages due to CITY from CONTRACTOR may be determined.

- (c) CITY shall not process CONTRACTOR's Invoice unless CONTRACTOR's Invoice is in proper form, correctly computed, and is approved by CITY as payable under the terms of this Contract.
- (d) CITY is not liable for any obligation incurred by CONTRACTOR except as approved under the provisions of this Contract.
- (e) If CONTRACTOR is required to meet MBE/WBE goals for this Contract, CONTRACTOR shall not submit an Invoice to the City unless CONTRACTOR's Invoice is accompanied by a copy of the most recent 00485.01 M/WBE Monthly Utilization Report submitted by CONTRACTOR to the City's Human Relations Department. CONTRACTOR shall remain current on CONTRACTOR's filing of 00485.01 M/WBE Monthly Utilization Reports. CITY shall not pay CONTRACTOR's Invoice unless CONTRACTOR is current on CONTRACTOR's filing of 00485.01 M/WBE Monthly Utilization Reports.
- (f) Payment terms are net 30 days.

Sec. 6. Representations and Warranties of CONTRACTOR. CONTRACTOR hereby represents and warrants to the CITY the following:

- (a) CONTRACTOR is in good standing under the laws of the state of Missouri and each state in which it does business, except any such state where the failure to be in good standing would not have a material adverse effect on CONTRACTOR's ability to perform this Contract in accordance with its terms.
- (b) The execution, delivery and performance by CONTRACTOR of this Contract have been duly authorized by all necessary corporate action and do not and will not (i) require any consent or approval of CONTRACTOR's board of directors; (ii) require any authorization, consent or approval by, or registration, declaration or filing with, or notice to, any governmental department, commission, board, bureau, agency or instrumentality, or any third party, except such authorization, consent, approval, registration, declaration, filing or notice as has been obtained prior to the date hereof; (iii) violate any provision of any law, rule or regulation or of any order, writ, injunction or decree presently in effect having applicability to CONTRACTOR or its articles or by-laws; and (iv) result in a breach of or constitute a default under any material agreement, lease or instrument to which CONTRACTOR is a party or by which it or its properties may be bound or affected.
- (c) CONTRACTOR shall not enter into any contract for the services to CITY that purports to grant a security interest or right of repossession to any person or entity respecting the services, or any portions thereof or chattels placed thereon.
- (d) There is no litigation, proceeding or other investigation pending or, to the knowledge of CONTRACTOR, threatened against CONTRACTOR which would prevent consummation of the transaction contemplated by this Contract or would have a materially adverse effect on CONTRACTOR.
- (e) CONTRACTOR warrants that all goods and Products are sold free of any security interest and will make available to CITY all transferable warranties (including without limitation

warranties with respect to intellectual property infringement) made to CONTRACTOR by the manufacturer of the goods. CONTRACTOR MAKES NO OTHER IMPLIED WARRANTIES, AND SPECIFICALLY MAKES NO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR PURPOSE. UNLESS OTHERWISE AGREED IN WRITING BY AN AUTHORIZED REPRESENTATIVE OF SELLER, PRODUCTS SOLD HEREUNDER ARE NOT INTENDED FOR USE IN OR CONNECTION WITH 1) ANY SAFETY APPLICATION OR THE CONTAINMENT AREA OF A NUCLEAR FACILITY, OR 2) IN A HEALTHCARE SITUATION, WHERE THE GOODS HAVE POTENTIAL FOR DIRECT PATIENT CONTACT OR WHERE A SIX (6) FOOT CLEARANCE FROM A PATIENT CANNOT BE MAINTAINED AT ALL TIMES.

- (f) Neither party shall be liable for any delay or failure to perform under this Agreement in the event and to the extent that such delay or failure arises out of war, civil commotion, acts of God, accident, fire or water damage, explosion, strikes or lockouts, delay in transportation, legislative action, government regulations or any other event beyond the respective party's reasonable control.

Sec. 7. Survival of the Representations, Warranties and Covenants. All representations, warranties and covenants expressed herein shall survive the execution of this Contract for the benefit of the parties hereto.

Sec. 8. Governing Law. This Contract shall be construed and governed in accordance with the laws of the State of Missouri without giving effect to Missouri's choice of law provisions. The CITY and CONTRACTOR: (1) submit to the jurisdiction of the state and federal courts located in Jackson County, Missouri; (2) waive any and all objections to jurisdiction and venue; and (3) will not raise *forum non conveniens* as an objection to the location of any litigation.

Sec. 9. Termination for Convenience. CITY may, at any time upon fifteen (15) days written notice to CONTRACTOR specifying the effective date of termination, terminate this Contract, in whole or in part.

Sec. 10. Default and Remedies.

- (a) If CONTRACTOR shall be in default or breach of any provision of this Contract, CITY may terminate this Contract, suspend CITY's performance, withhold payment or invoke any other legal or equitable remedy after giving CONTRACTOR ten (10) days written notice and opportunity to cure such default or breach.
- (b) If CITY shall be in default or breach of any provision of this Contract, CONTRACTOR may terminate this contract or suspend CONTRACTOR's performance after giving CITY ten (10) days written notice and opportunity to cure such default or breach.
- (c) CITY's remedies under this Agreement for the purchase of Goods and Products are subject to any limitations contained in manufacturer's terms and conditions to CONTRACTOR, a copy of which will be furnished upon written request. Furthermore, CONTRACTOR's liability shall be limited to either repair or replacement of the goods or Products and refund of the purchase price, all at CONTRACTOR's option, and in no case shall CONTRACTOR be liable for incidental or consequential damage. In addition, claims for shortages, other than loss in transit, must be made in writing not more than five (5) days after receipt of shipment.

The limitation of remedies imposed by this Section is only applicable to Products and Goods provided by CONTRACTOR and this limitation of remedies section is not applicable if CONTRACTOR provides Services or both Products, Goods and Services pursuant to Section 3(c) of this Contract.

Sec. 11. Waiver. Waiver by CITY of any term, covenant, or condition hereof shall not operate as a waiver of any subsequent breach of the same or of any other term, covenant or condition. No term, covenant, or condition of this Contract can be waived except by written consent of CITY, and forbearance or indulgence by CITY in any regard whatsoever shall not constitute a waiver of same to be performed by CONTRACTOR to which the same may apply and, until complete performance by CONTRACTOR of the term, covenant or condition, CITY shall be entitled to invoke any remedy available to it under this Contract or by law despite any such forbearance or indulgence.

Sec. 12. Acceptance. No payment made under this Contract shall be proof of satisfactory performance of the Contract, either wholly or in part, and no payment shall be construed as acceptance of deficient or unsatisfactory services.

Sec. 13. Records.

(a) For purposes of this Section:

If this Contract exceeds \$300,000.00 and Contractor employs fifty (50) or more people, Contractor shall comply with City's Affirmative Action requirements in accordance with the provisions of Chapter 3 of City's Code, the rules and regulations relating to those sections, and any additions or amendments thereto; in executing any Contract subject to said provisions, Contractor warrants that it has an affirmative action program in place and will maintain the affirmative action program in place for the duration of the Contract. Contractor shall not discriminate against any employee or applicant for employment because of race, color, sex, religion, national origin or ancestry, disability, sexual orientation, gender identity or age in a manner prohibited by Chapter 3 of City's Code. Contractor shall:

If, and only if, Contractor does not possess a current certification of compliance, Contractor shall submit, in print or electronic format, a copy of its affirmative action program to HRD prior to receiving the first payment under the Contract, unless a copy has already been submitted to HRD at any point within the previous two (2) calendar years.

- (c) Obtain from any Subcontractor awarded a subcontract exceeding \$300,000.00 a copy of the Subcontractor's current certificate of compliance and tender a copy of the same, in print or electronic format, to HRD within thirty (30) days from the date the subcontract is executed. If, and only if, Subcontractor does not possess a current certificate of compliance, Contractor shall obtain a copy of the Subcontractor's affirmative action program and tender a copy of the same, in print or electronic format, to HRD within thirty (30) days from the date the subcontract is executed.

City has the right to take action as directed by City's Human Relations Department to enforce this provision. If Contractor fails, refuses or neglects to comply with the provisions of Chapter 3 of City's Code, then such failure shall be deemed a total breach of this Contract and this Contract may be terminated, canceled or suspended, in whole or in part, and Contractor may be declared ineligible for any further contracts funded by City for a period of one (1) year. This is a material term of this Contract.

Sec. 15. Tax Compliance. If the CITY's payments to CONTRACTOR exceed \$160,000.01 for the period of May 1st through April 30th, CONTRACTOR shall provide proof of compliance with the CITY's tax ordinances administered by the CITY's Commissioner of Revenue as a precondition to the CITY making the first payment under this Contract. - (a) For purposes of this Section only, the following terms shall have the meanings listed:
1. Claims means all claims, damages, liability, losses, costs and expenses, court costs and reasonable attorneys' fees, including attorneys' fees incurred by the CITY in the enforcement of this indemnity obligation.
 2. CONTRACTOR's Agents means CONTRACTOR's officers, employees, subcontractors, successors, assigns, invitees, and other agents.
 3. CITY means CITY, its Agencies, its agents, officials, officers and employees.
- (b) CONTRACTOR's obligations under this Section with respect to indemnification for acts or omissions, including negligence, of CITY, shall be limited to the coverage and limits of insurance that CONTRACTOR is required to procure and maintain under this Contract. CONTRACTOR affirms that it has had the opportunity to recover all costs of the insurance requirements imposed by this Contract in its contract price.
- (c) CONTRACTOR shall defend indemnify and hold harmless CITY from and against all claims arising out of or resulting from all acts or omissions in connection with this Contract caused in whole or in part by CONTRACTOR or CONTRACTOR's Agents, regardless of whether or not caused in part by any act or omission, including negligence, of CITY. CONTRACTOR is not obligated under this Section to indemnify CITY for the sole negligence of CITY.
- (d) In no event shall the language in this Section constitute or be construed as a waiver or limitation of the CITY's rights or defenses with regard to sovereign immunity, governmental

immunity, or other official immunities and protections as provided by the federal and state constitutions or by law.

Sec. 19. Indemnification for Professional Negligence. If this contract is for professional services, CONTRACTOR shall indemnify, and hold harmless CITY and any of its agencies, officials, officers, or employees from and against all claims, damages, liability, losses, costs, and expenses, including reasonable attorneys' fees, arising out of any negligent acts or omissions in connection with this Contract, caused by CONTRACTOR, its employees, agents, subcontractors, or caused by others for whom CONTRACTOR is liable, in the performance of professional services under this Contract. CONTRACTOR is not obligated under this Section to indemnify CITY for the negligent acts of CITY or any of its agencies, officials, officers, or employees.

Sec. 20. Insurance.

- (a) CONTRACTOR shall procure and maintain in effect throughout the term of this Contract insurance policies with coverage not less than the types and amounts specified in this Section. CONTRACTOR must have:
1. Commercial General Liability Insurance Policy: with limits of \$1,000,000 per occurrence and \$2,000,000 aggregate, written on an "occurrence" basis. The policy shall be written or endorsed to include the following provisions:
 - a. Severability of Interests Coverage applying to Additional Insureds
 - b. Contractual Liability
 - c. Per Project Aggregate Liability Limit or, where not available, the aggregate limit shall be \$2,000,000.
 - d. No Contractual Liability Limitation Endorsement
 - e. Additional Insured Endorsement, ISO form CG20 10, current edition, or its equivalent.
 2. Workers' Compensation Insurance and Employers Liability Policies as required by Missouri law.
 3. Commercial Automobile Liability Insurance Policy: with a limit of \$1,000,000 per occurrence, covering owned, hired, and non-owned automobiles. The Policy shall provide coverage on an "any auto" basis and on an "occurrence" basis. This insurance policy will be written on a Commercial Business Auto form, or acceptable equivalent, and will protect against claims arising out of the operation of motor vehicles, as to acts done in connection with the Contract, by CONTRACTOR.
 4. If this Contract is for professional services, CONTRACTOR shall obtain Professional Liability Insurance with limits per claim and annual aggregate of \$1,000,000.
- (b) All insurance policies required in this Section shall provide that the policy will not be canceled until after the Insurer provides the CITY ten (10) days written notice of cancellation in the event that the cancellation is for CONTRACTOR's nonpayment of premiums and thirty (30) days written notice of cancellation to CITY for all other reasons of cancellation.

- (c) The Commercial General and Automobile Liability Insurance Policies specified above shall provide that CITY and its agencies, agents, officials, officers, and employees, while acting within the scope of their authority, will be named as additional Insureds for the services performed under this Contract. CONTRACTOR shall provide to CITY at execution of this Contract a certificate of insurance showing all required endorsements and additional insureds.
- (d) All insurance policies must be provided by Insurance Companies that have an A.M. Best's rating of "A-V" or better, and are licensed or approved by the State of Missouri to provide insurance in Missouri.
- (e) Regardless of any approval by CITY, CONTRACTOR shall maintain the required insurance coverage in force at all times during the term of this Contract. CONTRACTOR's failure to maintain the required insurance coverage will not relieve CONTRACTOR of its contractual obligation to indemnify the CITY pursuant to this Section of this Contract. In the event CONTRACTOR fails to maintain the required insurance coverage in effect, CITY may declare CONTRACTOR in default.
- (f) In no event shall the language in this Section constitute or be construed as a waiver or limitation of the CITY's rights or defenses with regard to sovereign immunity, governmental immunity, or other official immunities and protections as provided by the federal and state constitutions or by law.

Sec. 21. Interpretation of the Contract.

- (a) CITY selected CONTRACTOR through a negotiated procurement process rather than an Invitation for Bids (IFB) solicitation. Unlike the IFB, this process allows the CITY and CONTRACTOR to discuss and negotiate a contract at arm's length prior to entering a final contract that is acceptable to both the CITY and the CONTRACTOR. After negotiation and discussion, CONTRACTOR and CITY have incorporated multiple documents into this Agreement and the meaning of some of the words used in the Agreement may be uncertain, incomplete or duplicative and the Agreement may promise something at one place and take that promise away at another. In sum, the Agreement may contain words and provisions that are susceptible of more than one meaning so that reasonable persons of average intelligence may fairly and honestly differ in their construction of the words and provisions. It is the intent of the CITY and the CONTRACTOR that the CITY's taxpayers receive the benefit or advantage in the construction and interpretation of this Agreement, regardless of the normal judicial rules of contract construction even if the construction and interpretation of the Agreement will cost the CONTRACTOR more money and time. CITY and CONTRACTOR agree that CITY's Manager of Procurement Services shall, in cooperation with a representative of supplier, resolve all disagreements as to the meaning of this Agreement or any ambiguity in this Agreement. The decision of CITY's Manager of Procurement shall be final and conclusive if all parties have acted in good faith.
- (b) CONTRACTOR acknowledges and agrees that the CITY has provided CONTRACTOR with an opportunity to have CONTRACTOR's attorney review and advise CONTRACTOR on the Agreement and any potential ambiguities or areas of disagreement and the potential

adverse legal consequences of CONTRACTOR agreeing to this Section as well as the entire Agreement.

- (c) CONTRACTOR certifies that CONTRACTOR has either (1) waived its right to have CONTRACTOR's attorney review this Section and Agreement; or (2) CONTRACTOR has consulted with an attorney on this Section and Agreement.
- (d) CONTRACTOR knowingly and voluntarily agrees to this Section, as amended, and the entire Agreement. CONTRACTOR certifies that this contract was not procured by fraud, duress or undue influence.

Sec. 22. Contract Execution. This Contract may be executed in one or more counterparts, each of which will be deemed an original copy of this Contract and all of which, when taken together, will be deemed to constitute one and the same Contract. This Contract shall be effective upon the execution of counterparts by both parties, notwithstanding that both parties may not sign the same counterpart. The parties' signatures transmitted by facsimile or by other electronic means shall be proof of the execution of this Contract and shall be acceptable in a court of law.

Sec. 23. Guaranteed Lowest Pricing. CONTRACTOR certifies that this Contract contains CONTRACTOR's lowest and best pricing for all services supplied by CONTRACTOR to any government, governmental entity, political subdivision, city, state, school district or any other public entity in the United States as of the date of this Contract. CONTRACTOR represents that the prices set for herein are not less favorable than those currently extended to any other similarly situated government, governmental entity, political subdivision, city, state, school district or other public entity customer, for the same goods, in equal or seller quantities, as part of similar market basket, and under similar terms.

Sec. 24. Assignability and Subcontracting.

- (a) **Assignability.** Contractor shall not assign or transfer any part or all of Contractor's obligation or interest in this Contract without prior written approval of City. If a lease is cancelled, the events of default will occur as described in the lease and/or the section titled TERMINATION FOR DEFAULT. The CITY has no monetary obligations in event of termination or reduction of a term contract since such contracts represent estimated quantities and are not funded as a contract, but only to the extent of purchase orders issued.

All surety companies shall hold an A.M. Best rating of B+, V, or better.
- (e) If the surety on any Bond furnished by Contractor is declared bankrupt or becomes insolvent, or its right to do business is terminated in any state where any part of the Project is located or it ceases to meet the requirement of Paragraph 5.01 B, Contractor shall within twenty (20) days thereafter substitute another Bond and surety, both of which must be acceptable to City.

Sec. 41. Prevalling Wage.

A. Prevalling Wage. If a Work Order includes work that requires payment of prevailing wage as set forth in Sections 290.210 to 290.340, RSMo (the "Law"), CONTRACTOR shall pay workers prevailing wage in accordance with this Section and the Law. Under the Law, work that meets the definition of "construction" "includes construction, reconstruction, improvement, enlargement, alteration, painting and decorating, or major repair." "Maintenance work that is not subject to the Law is defined as "the repair, but not the replacement, of existing facilities when the size, type or extent of the existing facilities is not thereby changed or increased."

1. Contractor shall comply and require its Subcontractors to comply with;
 - a. Sections 290.210 to 290.340, RSMo the State of Missouri Prevailing Wage Law (the "Law"); and
 - b. 8 CSR 30-3.010 to 8 CSR 30-3.060, the Prevailing Wage Law Rules (the "Rules"); and
 - c. the Annual Wage Order (Wage Order) issued by the State of Missouri's Department of Labor and Industrial Relations; and
 - d. any applicable Annual Incremental Wage Increase (Wage Increase) to the Annual Wage Order.
2. The Law, Rules, Wage Order and any Wage Increase are incorporated into and made part hereof this Contract and shall be collectively referred to in this Section as the "Prevailing Wage Requirements." In the event this Contract is renewed for an additional term, the Wage Order in effect as of the commencement date of the additional term, as amended by any applicable Wage Increase, shall be deemed incorporated herein and shall apply to and remain in effect for the duration of the additional term. The new Wage Order and any applicable Wage Increase shall govern notwithstanding the fact that the Wage Order being replaced might be physically attached to this Contract.
3. Contractor shall pay and require its Subcontractors to pay to all workers performing work under this Contract not less than the prevailing hourly rate of wages for the class or type of work performed by the worker in accordance with the Law, Rules, Wage Order and any applicable Wage Increase. Contractor shall take whatever steps are necessary to insure that the prevailing hourly wage rates are paid and that all workers for Contractor and each of its Subcontractors are paid for the class or type of work performed by the worker in accordance with the Prevailing Wage Requirements.
4. Prior to each of its Subcontractors beginning Work on the Site, Contractor shall require each Subcontractor to complete City's Form 00490 entitled "Pre-contract Certification" that sets forth the Subcontractor's prevailing wage and tax compliance history for the two (2) years prior to the bid. Contractor shall retain one (1) year and make the Pre-contract Certifications available to City within five (5) days after written request.
5. Contractor shall keep and require each of its Subcontractors engaged in the construction of public works in performance of the Contract to keep full and accurate records on City's forms. Contractor shall:
 - a. Keep and require each of its Subcontractors engaged in the construction of public works in performance of the Contract to keep full and accurate records on City's "Daily Labor Force Report" Form indicating the worker's name, occupational title or classification group and skill and the workers' hours. City shall furnish blank copies of the Daily Labor

Force Report Form to Contractor for its use and for distribution to Subcontractors. Contractor shall submit its and its Subcontractors Daily Labor Force Reports to City each day; and

- b. Submit, and require each of its Subcontractors engaged in the construction of public works in performance of the Contract to submit, electronically, in a format prescribed by the City, Certified Payroll Report Information indicating the worker's name, address, social security number, occupation(s), craft(s) of every worker employed in connection with the public work together with the number of hours worked by each worker and the actual wages paid in connection with the Project and other pertinent information as requested by the City; and
- c. Submit, and require each of its Subcontractors engaged in the construction of public works in performance of the Contract to submit, electronically, in format prescribed by the City, a Payroll Certification. The Payroll Certification must be signed by the employee or agent who pays or supervises the payment of the workers employed under the Contract for the Contractor and each Subcontractor.

The Daily Labor Force Report, documents used to compile information for the Certified Payroll Report, and Payroll Certification are collectively referred to in this Section as the "Records."

6. Contractor shall make all of Contractor's and Subcontractors' Records open to inspection by any authorized representatives of City and the Missouri Department of Labor and Industrial Relations at any reasonable time and as often as they may be necessary and such Records shall not be destroyed or removed from the State of Missouri for a period of one (1) year following the completion of the public work in connection with which the Records are made. Contractor shall have its and its Subcontractors Certified Payroll Reports and Payroll Certifications available at the Contractor's office and shall provide the Records to the City electronically at City's sole discretion. In addition, all Records shall be considered a public record and Contractor shall provide the Records to the City in the format required by the City within three (3) working days of any request by City at the Contractor's cost. City, in its sole discretion, may require Contractor to send any of the Records directly to the person who requested the Record at Contractor's expense.
7. Contractor shall post and keep posted a clearly legible statement of all prevailing hourly wage rates to be paid to all workers employed by Contractor and each of its Subcontractors in the performance of this Contract in a prominent and easily accessible place at the Site of the Work by all workers.
8. If the Contract Price exceeds \$250,000.00, Contractor shall and shall require each Subcontractor engaged in any construction of public works to have its name, acceptable abbreviation or recognizable logo and the name of the city and state of the mailing address of the principal office of the company, on each motor vehicle and motorized self-propelled piece of equipment which is used in connection with the Project during the time the Contractor or Subcontractor is engaged on the project. The sign shall be legible from a distance of twenty (20') feet, but the size of the lettering need not be larger than two (2") inches. In cases where equipment is leased or where affixing a legible sign to the equipment is impractical, the Contractor may place a temporary stationary sign, with the information required pursuant to this section, at the main entrance of the Project in place of affixing the required information on the equipment so long as such sign is not in violation of any state or federal statute, rule or regulation. Motor vehicles which are required to have similar

Information affixed thereto pursuant to requirements of a regulatory agency of the state or federal government are exempt from the provisions of this subsection.

9. Contractor must correct any errors in Contractor's or any Subcontractors' Records, or Contractor's or any Subcontractors' violations of the Law, Rules, Annual Wage Order and any Wage Increase within fourteen (14) calendar days after notice from City.
 10. Contractor shall and shall require its Subcontractors to cooperate with the City and the Department of Labor and Industrial Relations in the enforcement of this Section, the Law, Rules, Annual Wage Order and any Wage Increase. Contractor shall and shall require its Subcontractors to permit City and the Department of Labor and Industrial Relations to interview any and all workers during working hours on the Project at Contractor's sole cost and expense.
 11. Contractor shall file with City, upon completion of the Project and prior to final payment therefore, affidavits from Contractor and each of its Subcontractors, stating that each has fully complied with the provisions and requirements of the Missouri Prevailing Wage Law. City shall not make final payment until the affidavits, in proper form and order, from Contractor and each of its Subcontractors, are filed by Contractor.
 12. Contractor shall forfeit as a statutory penalty to the City one hundred dollars (\$100.00) for each worker employed, for each calendar day, or portion thereof, such worker is paid less than the prevailing hourly rates for any work done under this Contract, by Contractor or by any of Contractor's Subcontractors. If Contractor or any of its Subcontractors have violated any section(s) of 290.210 to 290.340, RSMo, in the course of the execution of the Contract, City shall when making payments to the Contractor becoming due under this Contract, withhold and retain therefrom all sums and amounts due and owing as a result of any violation of sections 290.210 to 290.340; RSMo.
- B. Prevailing Wage Damages. Contractor acknowledges and agrees that, based on the experience of City, violations of the Missouri Prevailing Wage Act, whether by Contractor or its Subcontractors, commonly result in additional costs to City. Contractor agrees that additional costs to City for any particular violation are difficult to establish and include but are not limited to: costs of construction delays, additional work for City, additional interest expenses, investigations, and the cost of establishing and maintaining a special division working under the City Manager to monitor prevailing wage compliance.
1. In the event of the failure by Contractor or any of its Subcontractors to pay wages as provided in the Missouri Prevailing Wage Act, City shall be entitled to deduct from the Contract Price, and shall retain as liquidated damages, one hundred dollars (\$100.00) per day, per worker who is paid less than the prevailing hourly rate of wages, to approximate the additional costs. The sum shall be deducted, paid or owed whether or not the Contract Times have expired.
 2. City shall give written notice to Contractor setting forth the workers who have been underpaid, the amount of the statutory penalty and the amount of the liquidated damages as provided for in this Subparagraph. Contractor shall have fourteen (14) calendar days to respond, which time may be extended by City upon written request. If Contractor fails to respond within the specified time, the City's original notice shall be deemed final. If Contractor responds to City's notice, City will furnish Contractor a final decision in writing within five (5) days of completing any investigation.

C. Excessive Unemployment.

1. "Resident Laborers" means laborers who have been residents of the State of Missouri for at least thirty days and who intend to remain Missouri residents, and residents of Nonrestrictive States.
2. "Nonrestrictive States" means states identified by the Missouri Department of Labor and Industrial Relations Division of Labor Standards that have not enacted state laws restricting Missouri laborers from working on public works projects. A list of Nonrestrictive States can be found on the Division web site at <http://www.dolir.mo.gov/ls/index.htm>.
3. A period of Excessive Unemployment is declared when the Missouri Department of Labor and Industrial Relations Division of Labor Standards provides notice of such declaration. When in effect, notice will be provided on the Division web site at <http://www.dolir.mo.gov/ls/index.htm>. It is Contractor's obligation to determine whether a period of Excessive Unemployment is in effect when this Contract is let.
4. Contractor agrees to follow the provisions of Section 290.560 - 290.575 RSMo and agrees that if a period of Excessive Unemployment has been declared at any point during the term of this Contract, it will employ and require all Subcontractors of whatever tier to employ only Resident Laborers for the Work to be performed under this Contract. Provided, however, Contractor may use laborers who are not Resident Laborers when Resident Laborers are not available or are incapable of performing the particular type of work involved if Contractor so certifies in writing to City and City issues a written approval. This provision does not apply to regularly employed nonresident executive, supervisory or technical employees.

Sec. 42. Workforce. If Contractor is required to pay prevailing wages for the work performed pursuant to this Contract, Contractor agrees to comply with all requirements of City's Construction Employment Program as enacted in City's Code, Sections 3-501 through 3-525 and as hereinafter amended. Contractor shall meet or exceed the construction employment goals unless the same shall have been waived in the manner provided by law. Contractor's compliance with this provision is a material part of this Contract.

Contractor shall comply with City's Workforce Program Reporting System requirements. Contractor shall use City's Internet web based Workforce Program Reporting System provided by City and protocols included in that software during the term of this Contract. Contractor shall maintain user applications to City's provided system for all applicable personnel and shall require subcontractors to maintain applications.
