DEPARTMENT OF FINANCIAL MANAGEMENT

H-1

333 West Ocean Blvd • Long Beach, California 90802

August 2, 2011

HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the hearing and grant a One-Year Short-Term Permit with conditions on the application of Gaslamp Partners LLC, DBA Gaslamp Restaurant and Bar, 6251 E. Pacific Coast Hwy., for Entertainment with Dancing by Patrons. (District 3)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit is granted or denied.

The LBMC also requires that the City Council make a determination that the permit application is complete and truthful; the applicant and the officers and trustees of the entity are law-abiding persons who will operate and conduct the business activity in a lawful manner; and that public peace, welfare and safety will not be impaired. If this is so, the application shall be approved, a short-term entertainment permit shall be approved, or the application shall be denied.

The City Council has the authority to approve the following options: 1) grant the Permit, with or without conditions; or 2) grant a One-Year Short-Term Entertainment Permit, with or without conditions; or, 3) deny the Permit on the application.

City departments have conducted their investigations in accordance with the LBMC. Attached for your review are the departmental investigative reports, the business ownership and permit history, and the entertainment permit application.

The following summarizes departmental findings:

- The Police Department recommends that the permit for entertainment with dancing by patrons be approved subject to recommended conditions.
- The Fire Department finds that the building/location meets department requirements for the proposed use.

HONORABLE MAYOR AND CITY COUNCIL

August 2, 2011

Page 2

- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Development Services Department finds that the building/location meets department requirements for the proposed use.

The Department of Financial Management, Business Relations Bureau, has reviewed all submitted department documents and correspondence and, after a thorough investigative process, recommends that the permit for entertainment with dancing by patrons be approved as a One-Year Short-Term Entertainment Permit subject to the conditions (attached).

In the event that any of the recommended conditions are in conflict with other permits or licenses, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a restaurant with alcohol since August of 2004.

This matter was reviewed by Deputy City Attorney Amy R. Burton on July 18, 2011.

TIMING CONSIDERATIONS

The hearing date of August 2, 2011, has been posted on the business location, with the applicant and property owners within 300 feet notified by mail.

FISCAL IMPACT

The following fees were collected with the application: Building Review \$20 and Zoning Review \$15 (Development Services), Police Investigation \$1,183 (Police Department), and Labels \$90 (Financial Management Department).

The following fees will be collected if the application is approved: Business License \$320.70 and Regulatory \$977 (Financial Management Department).

SUGGESTED ACTION:

Approve recommendation.

Respectfully submitted,

JOHN GROSS

Recommended Conditions of Operation
Gaslamp Partners, LLC DBA Gaslamp Restaurant and Bar
6251 E. Pacific Coast Hwy.
Application for Entertainment with Dancing

In regards to the above named permit application for Entertainment with Dancing, the Department of Financial Management recommends **approval subject to the following conditions:**

CONDITIONS OF OPERATION

1. The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
2. Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 21.15.110 LBMC shall be conducted on the permitted premises.
3. Entertainment activities indicated on page #7 of your entertainment application shall be restricted to no later than 10:00 P.M. Sunday through Wednesday, and 12:30 A.M. Thursday through Saturday and on Grand Prix weekend, Christmas, and New Years holidays.
4. There shall be no "queue" allowed after 9:00 P.M. Sunday through Wednesday, and 11:00 P.M. Thursday through Saturday. Queue is defined as persons awaiting entry after the business is at capacity.
5. Patrons under twenty-one (21) years of age shall not be permitted to enter nor to remain on the premises after the restaurant (food services) portion of the establishment has closed, or **10:00 P.M., whichever comes first**. Private functions not open to the public are exempt from this condition.
6. The establishment shall remain in compliance with all applicable sections of the Long Beach Noise Ordinance (LBMC Chapter 8.80).
7. Noise emanating from the permittee's premises shall not be audible beyond fifty feet (50') from the property line of the premises. The permittee shall be responsible for determining how to best meet this requirement, either by keeping doors and windows closed, limiting hours of entertainment, or by offering non-amplified entertainment.
8. The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10:00 P.M. and 7:00 A.M.

9. This Entertainment Permit is accessory to the primary business, which is a restaurant. The authorization to provide entertainment on-site is subject to the use remaining as a restaurant, meaning a bona fide eating place serving actual and substantial meals.

“Meals” means the usual assortment of foods commonly ordered at various hours of the day; the service of such food only as sandwiches or salads shall not be deemed compliant with this requirement. Meals must consist of food prepared on the premises. Hours of sales of alcohol shall be limited to the hours when meals are available.

The premises must be equipped and maintained in good faith. The premises must possess working refrigeration, cooking equipment, utensils, menus, and enough food to make substantial meals.

In the event the primary business ceases operations, fails to operate as a bona fide eating place, fails to serve actual and substantial meals or otherwise fails to comply with this condition, the Entertainment Permit becomes null and void.

10. The permittee shall provide a minimum of one (1) licensed security guard during all times that the entertainment activities are being conducted for crowds up to fifty (50) people. For crowds over fifty (50) people, the permittee shall provide a minimum of one (1) additional security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other visible form of identification. Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

11. In addition to the above security requirements, the permittee shall staff three (3) additional uniformed guards as parking lot security during hours when entertainment is provided, and ½ hour after closing. Parking lot security guards shall ensure that patrons do not loiter in the parking lot or the immediate area. They shall also ensure the patrons enter and leave the parking lot in a peaceful manner so as not to disturb any nearby residents. Parking lot security guards must be identifiable as “Gaslamp” employees. The Chief of Police may increase or decrease staffing requirements at his discretion.

12. The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by use of security guards and signage indicating, words to the effect of, “Please respect our neighbors.”

13. At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the parking lot or the immediate area.

14. Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request.
15. The permittee agrees to reimburse the City whenever excessive police services, as determined by the Chief of Police, are required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
16. The permittee shall not hire promoters with the intent to advertise/promote or hold any entertainment activities consistent with nightclub entertainment.
17. The business, its promoters, or agents shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all agent and promoter's contracts, including names, addresses and phone numbers, on file at all times, and must be available for inspection at anytime.
18. The permittee shall maintain in full compliance with all applicable laws, ABC laws, ordinances and stated conditions including the Coastal Development Permit. In the event of a conflict with the requirements of this permit, the more stringent regulation shall apply.
19. The permittee shall install and maintain a video surveillance system that monitors no less than the front and rear of the business with full view of the public right-of-ways and any parking lot under the control of the permittee. The video system must be capable of delineating on playback the activity and physical features of persona and areas within the premises. Recordings shall be retained for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras.
20. Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the licensee, shall be removed or painted over within 24 hours of being applied.
21. The Gaslamp Restaurant shall develop and maintain a plan to address neighborhood concerns related to the operation of the business. (i.e. newsletter, meetings, etc.)

Subject: APPLICATION FOR AN ENTERTAINMENT WITH DANCING PERMIT AT THE GASLAMP RESTURANT – 6251 EAST PACIFIC COAST HIGHWAY

In response to your request for a recommendation regarding the above named permit application for Entertainment with Dancing, the Police Department recommends **approval** of a **One-Year Short-Term** Permit, subject to the following twenty-one (21) conditions:

The Gaslamp Restaurant is located on the northeast corner of Pacific Coast Highway and Loynes Avenue. The establishment serves American cuisine for lunch and dinner. After the food service ends, the business becomes a nightclub with limited food service. The business is owned and operated by Michael Neufeld who also holds a Type 47 (On Sale General Eating Place) Alcoholic Beverage Control license. The business has been operating on a One-Year Short-Term Entertainment with Dancing Permit. On December 9, 2010, The Gaslamp applied for a new Entertainment with Dancing Permit, requesting live amplified music, a disc jockey, and karaoke music.

Based upon the Long Beach Police Department's investigation, the East Division Patrol Commander's recommendation, and input from neighborhood residents, the Long Beach Police Department believes a One-Year Short-Term Entertainment with Dancing Permit would be in the best interest of the surrounding community and the City of Long Beach.

CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 5.72.115(B) LBMC shall be conducted on the permitted premises.
- 3) Entertainment activities indicated on page #7 of your **entertainment application shall be restricted to no later than 10 p.m. Sunday through Wednesday nights, and 12:30 a.m. Thursday through Saturday nights, on Grand Prix weekend, Christmas, and New Years holidays.**

ENTERTAINMENT WITH DANCING AT THE GASLAMP RESTAURANT
6251 EAST PACIFIC COAST HIGHWAY
Page 2

- 4) There shall be no "queue" allowed after 9 p.m. Sunday through Wednesday nights, and 11 p.m. Thursday through Saturday nights. Queue is defined as persons awaiting entry after the business is at capacity.
- 5) Noise emanating from the permittee's premises shall not be audible beyond 50 feet from the property line of the premises. The permittee shall be responsible for determining how to best meet this requirement, either by keeping doors and windows closed, limiting hours of entertainment, or by offering non-amplified entertainment.
- 6) The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10 p.m. and 7 a.m.
- 7) This Entertainment Permit is accessory to the primary business, which is a restaurant. The premises must possess working refrigeration, cooking equipment, utensils, menus, and enough food to make substantial meals. The business must offer substantial sales of meals, during the normal meal hours that the business is open. Fast food, snacks, and hors d'oeuvres shall not constitute a substantial meal. Normal meal hours are: Breakfast 6:00 a.m. – 9:00 a.m., Lunch 11:00 a.m. – 2:00 p.m., and dinner 6:00 p.m. – 9:00 p.m.

If the business does not open by 6:00 p.m., complete and substantial meals shall be offered the entire time the business is open, or for a minimum of three hours. In the event the primary business ceases operations or fails to comply with this condition, the entertainment permit becomes null and void.

- 8) Patrons under twenty-one (21) years of age shall not be permitted to enter, nor to remain on the premises, after the restaurant (food services) portion of the establishment has closed. Private functions not open to the public are exempt from this condition.
- 9) The permittee shall provide a minimum of one (1) uniformed security guard during all times that the entertainment activities are being conducted for crowds up to fifty people. For crowds over fifty people the permittee shall provide a minimum of one (1) additional uniformed security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

Security guards must be identifiable as "Gaslamp" employees. Should the permittee's operations give rise to a substantial increase in complaints/calls for police service, the permittee may be required to increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary.

6251 EAST PACIFIC COAST HIGHWAY

- 10) **In addition to the above security requirements, the permittee shall staff three (3) additional uniformed guards as parking lot security during hours when entertainment is provided, and ½ hour after closing. Parking lot security guards shall ensure that patrons do not loiter in the parking lot or the immediate area. They shall also ensure the patrons enter and leave the parking lot in a peaceful manner so as not to disturb any nearby residents. Parking lot security guards must be identifiable as "Gaslamp" employees. The Chief of Police may increase or decrease staffing requirements at his discretion.**
- 11) The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by utilizing security guards and signage with verbiage such as, "Please respect our neighbors", or something similar.
- 12) At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles and not loiter in the parking lot or the immediate area.
- 13) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time. This information shall be provided to public safety personnel upon request.
- 14) The permittee agrees to reimburse the City of Long Beach whenever excessive police services, as determined by the Chief of Police, are required as the result of any incident or nuisance arising out of, or in connection with the permittee's operations.
- 15) The permittee shall not hire promoters with the intent to advertise/promote or hold any entertainment activities consistent with nightclub entertainment.
- 16) The Gaslamp Restaurant, or its agents, shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, any vehicle or in any other such place in the City of Long Beach. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all promoter contracts, including names, addresses, and phone numbers, on file at all times, and be available for inspection at any time.
- 17) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances, and stated conditions. In the event of a conflict between the requirements of this permit, your conditional use permit, or your Alcoholic Beverage Control license, the more stringent regulation shall apply.

- 18) The permittee shall be responsible for installing and maintaining a video surveillance system that monitors no less than the front and rear of the business, with full view of the public right-of-ways, and any parking lot under the control of the permittee. These cameras shall record video for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras
- 19) The establishment shall remain in compliance with all applicable sections of the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- 20) Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the permittee shall be removed or painted over within 24 hours of being applied.
- 21) The Gaslamp Restaurant shall develop and maintain a plan to address neighborhood concerns related to the operation of the business. (i.e. newsletter, meetings, etc.)

The Current Planning Division of the Department of Development Services has the following comments:

A review of the permit history for 6251 East Pacific Coast Highway, indicates that a Conditional Use Permit (Case No. 0408-26) was approved by the Planning Commission for a Type-47 alcohol license to an existing full service restaurant with two fixed bars.

The subject site was previously approved for an entertainment permit with dancing in March of 2010. Based on floor plans submitted with the previous application and the current application, there have been no significant changes made to the floor plan.

Planning Bureau recommends that the entertainment permit with dancing for "The Gaslamp Restaurant & Bar" be approved, so long as all conditions of approval continue to be met for case No. 0408-26.

If you have any questions regarding this response, please call Jorge Ramirez, Planner, at (562) 570-6952

CONDITIONAL USE PERMIT
LOCAL COASTAL DEVELOPEMNT PERMIT
CONDITIONS OF APPROVAL
Case No. 0408-26
Date: December 16, 2004

1. The use permitted hereby on the site, in addition to other uses permitted in PD-1, subarea 15 shall be the addition of a type 47-alcohol license to an existing full service restaurant with two fixed bars.
2. This permit and all development rights hereunder shall **terminate one year** from the effective date (final action date or, if in the appealable area of the Coastal Zone, 21 days after the local final action date) of this permit unless construction is commenced, a business license establishing the use is obtained or a time extension is granted, based on a written and approved request submitted prior to the expiration of the one year period as provided in Section 21.21.406 of the Long Beach Municipal Code.
3. This permit shall be invalid if the owner(s) and applicant(s) have failed to return **written acknowledgment** of their acceptance of the conditions of approval on the *Conditions of Approval Acknowledgment Form* supplied by the Planning Bureau. This acknowledgment must be submitted within 30 days form the effective date of approval (final action date or, if in the appealable area of the Coastal Zone, 21 days after the local final action date). Prior to the issuance of a building permit, the applicant shall submit a revised set of plans reflecting all of the design changes set forth in the conditions of approval to the satisfaction of the Zoning Administrator.
4. If, for any reason, there is a **violation of any^o of the conditions** of this permit or if the use/operation is found to be detrimental to the surrounding community, including public health, safety or general welfare, environmental quality or quality of life, such shall cause the City to initiate revocation and termination procedures of all rights granted herewith.
5. In the event of **transfer of ownership** of the property involved in this application, the new owner shall be fully informed of the permitted use and development of said property as set forth by this permit together with all conditions which are a part thereof. These specific requirements must be recorded with all title conveyance documents at time of closing escrow.
6. This approval is required to comply with these conditions of approval as long as the use is on the subject site. As such, the site shall allow **periodic re-inspections**, at the discretion of city officials, to verify compliance. The property owner shall reimburse the City for the inspection cost as per the special building inspection specifications established by City Council (Sec. 21.25.412, 21.25.212).

7. All operational conditions of approval of this permit **must be posted** in a location visible to the public, in such a manner as to be readable when the use is open for business.
8. All conditions of approval **must be printed** verbatim on all plans submitted for plan review to the Planning and Building Department. These conditions must be printed on the site plan or a subsequent reference page.
9. The Director of Planning and Building is authorized to make **minor modifications** to the approved design plans or to any of the conditions of approval if such modifications shall not significantly change/alter the approved design/project and if no detrimental effects to neighboring properties are caused by said modifications. Any major modifications shall be reviewed by the Zoning Administrator or Planning Commission, respectively.
10. Site development, including landscaping, shall conform to the approved plans on file in the Department of Planning and Building. At least **one set of approved plans** containing Planning, Building, Fire, and, if applicable, Redevelopment and Health Department stamps **shall be maintained at the job site**, at all times for reference purposes during construction and final inspection.
11. Prior to the issuance of a building permit, the applicant must submit **complete landscape and irrigation plans** for the discretionary approval of the Director of Planning and Building. The landscaping plan shall include drought tolerant street trees to be installed consistent with the specifications of the Street Tree Division of the Department of Public Works. Approved root guards shall be provided for all street trees.
12. Where feasible, all landscaped areas shall be planted with **drought tolerant plant materials**. All landscaped areas shall be provided with water conserving automatic irrigation systems designed to provide complete and adequate coverage to sustain and promote healthy plant life. The irrigation system shall not cause water to spray or flow across a public sidewalk.
13. All landscaped areas must be maintained in a neat and healthy condition, including public parkways and street trees. Any dying or dead plant materials must be replaced with the minimum size and height plant(s) required by Chapter 21.42 (Landscaping) of the Zoning Regulations. At the discretion of city officials, a yearly inspection shall be conducted to verify that all irrigation systems are working properly and that the landscaping is in good healthy condition. The property owner shall reimburse the City for the inspection cost as per the special building inspection specifications established by City Council.
14. The property shall be developed and maintained in a neat, quiet, and orderly condition and operated in a manner so as not to be detrimental to adjacent properties and occupants. This shall encompass the maintenance of exterior

- facades of the building, designated parking areas serving the use, fences and the perimeter of the site (including all public parkways).
15. Exterior security bars and roll-up doors applied to windows and pedestrian building entrances shall be prohibited.
 16. Any graffiti found on site must be removed within 24 hours of its appearance.
 17. All parking areas serving the site shall provide appropriate security lighting with light and glare shields so as to avoid any light intrusion onto adjacent or abutting residential buildings or neighborhoods pursuant to Section 21.41.259. Other security measures may be required to be provided to the satisfaction of the Chief of Police.
 18. All parking areas serving the use must be brought into conformance relative to current screening, landscaping, paving, striping and lighting.
 19. The operator of the approved use shall **prevent loitering** in all parking and landscaping areas serving the use during and after hours of operation. The operator must clean the parking and landscaping areas of trash debris on a daily basis. Failure to do so shall be grounds for permit revocation.
 20. **All rooftop mechanical equipment** shall be fully screened from public view. Said screening must be architecturally compatible with the building in terms of theme, materials, colors and textures. If the screening is not specifically designed into the building, a rooftop mechanical equipment plan must be submitted showing screening and must be approved by the Director of Planning and Building prior to the issuance of a building permit.
 21. Adequately sized **trash enclosure(s)** shall be designed and provided for this project as per Section 21.46.080 of the Long Beach Municipal Code. The designated trash area shall not abut a street or public walkway and shall be placed at an inconspicuous location on the lot.
 22. All structures shall conform to the Long Beach Building Code requirements. Notwithstanding this subject permit, all other required permits from the Building Bureau must be secured. The applicant shall comply with the TAC comments of September 15, 2004 (attached).
 23. Separate building permits are required for signs, fences, retaining walls, trash enclosures, flagpoles, pole-mounted yard lighting foundations and planters.
 24. Approval of this development project is expressly conditioned upon payment (prior to building permit issuance or prior to Certificate of Occupancy, as specified in the applicable Ordinance or Resolution for the specific fee) of impact fees, connection fees and other similar fees based upon additional facilities needed to accommodate

- new development at established City service level standards, including, but not limited to, sewer capacity charges, Park Fees and Transportation Impact Fees.
25. The applicant shall file a separate plan check submittal to the Long Beach Fire Department for their review and approval prior to the issuance of a building permit. The applicant shall submit plans for building tenant improvements and fire clearance, and additional requirements may apply at time of plan check.
 26. Demolition, site preparation, and construction activities are limited to the following (except for the pouring of concrete which may occur as needed):
 - a. Weekdays and federal holidays: 7:00 a.m. to 7:00 p.m.;
 - b. Saturday: 9:00 a.m. - 6:00 p.m.; and
 - c. Sundays: not allowed
 27. All **unused curb-cuts** must be replaced with full height curb, gutter, and sidewalk, and any proposed curb-cuts shall be reviewed, approved and constructed to the specifications of the Director of Public Works.
 28. Any off-site improvements found to be damaged shall be replaced to the satisfaction of the Director of Public Works.
 29. Compliance is required with these Conditions of Approval as long as this use is on site. As such, the site shall be available for periodic reinspection conducted at the discretion of city officials, to verify that all conditions of approval are being met. The property owner shall reimburse the City for the inspection cost as per special building inspection specifications established by City Council.

 - The building and facilities must be accessible to and usable by the physically disabled per Title 24, California Code of Regulations.
 - Although the local Building Department has neither the responsibility nor the authority to enforce ADA regulations, the Architect or Designer is strongly advised to include such requirements in the building design.
 - Show on the plans a continuous and unobstructed path connecting all accessible elements and spaces in an accessible building or facility that can be negotiated by a person with a severe disability using a wheelchair and

that is also safe for and usable by persons with other disabilities. The path must satisfy the width, slope and surface condition (ie . . . drainage swale . . .) mandated by the 2001 California Building Code.

- Provide on the title sheet an analysis which establishes justification for the building area based on available yards, type of construction, sprinkler systems and occupancy group.
- The Clean Water Act of 1972 requires for your proposed project that adequate and proper design and construction measures be taken to protect the storm water system and waterways from contamination. A NPDES (National Pollutant Discharge Elimination System) permit may be required prior to any storm waters being discharged into any receiving waters from a building site or a construction site.
- All sheets of the plans and the first sheet of the calculations are required to be stamped and signed by the California licensed Architect and/or Engineer responsible for the design. The professional license must be current and in good standing.
- Los Angeles County Sanitation District sewer connection fees may be required for your project.
- Redevelopment approval is required.
- Planning approval is required.
- Fire Prevention Bureau approval is required.
- Submit separate permit applications for electrical, plumbing, and mechanical.
- The Building and Safety Bureau offers "Permit by FAX" for preliminary processing of your applications. By using this service, you will be able to obtain your project number, the exact amount of the plan check fees to be paid, and shorten your wait time on the 4th floor of Planning and Building. You can obtain all the applications and information from our website at www.ci.long-beach.ca.us/plan.
- TAC review and comments are intended to aid the applicant in preparation of the project for building permit submittal and are not plan check corrections. Plan check corrections will be issued after the completed plans have been submitted and a full plan check review has been done. The applicant is responsible for complying with all requirements of the prevailing building and construction codes.
