10. (14-0086) Recommendation to request City Manager to provide an update on how Long Beach residents can utilize the Mills Act tax savings and how this information can be posted online.	Maureen Neeley	neeleym@att.net		Belmont Heights	Long Beach	California	90803	I am delighted to see that the city is considering activating our participation in the Mills Act. Our standing as a Certified Local Government is tenuous without this tool. Administration can be done with minimal cost, yet the ROI to the city far outweighs this cost, especially in the long-term. Thank you for putting this on the agenda, Councilpersons Schipske, Lowenthal and Austin. -- Maureen Neeley, 3rd District	01/31/14
