3 within Sixty (60) working days thereafter, subject to strikes, lockouts and events beyond
4 the control of Contractor. Time is of the essence hereunder. City will suffer damage if
5 the work is not completed within the time stated, but those damages would be difficult or
6 impractical to determine. So, Contractor shall pay to City, as liquidated damages, the
7 amount stated in the Contract Documents.

8 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
9 acceptance of any work or the payment of any money by City shall not operate as a
10 waiver of any provision of any Contract Document, of any power reserved to City, or of
11 any right to damages or indemnity hereunder. The waiver of any breach or any default
12 hereunder shall not be deemed a waiver of any other or subsequent breach or default.

13 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently
14 herewith, Contractor shall submit certification of Workers' Compensation coverage in
15 accordance with California Labor Code Sections 1860 and 3700, a copy of which is
16 attached hereto as Exhibit "B".

17 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time
18 upon City by Contractor for and on account of any extra or additional work performed or
19 materials furnished, unless such extra or additional work or materials shall have been
20 expressly required by the City Manager and the quantities and price thereof shall have
21 been first agreed upon, in writing, by the parties hereto.

22 8. CLAIMS. Contractor shall, upon completion of the work, deliver
23 possession thereof to City ready for use and free and discharged from all claims for labor
24 and materials in doing the work and shall assume and be responsible for, and shall
25 protect, defend, indemnify and hold harmless City from and against any and all claims,
26 demands, causes of action, liability, loss, costs or expenses for injuries to or death of
27 persons, or damages to property, including property of City, which arises from or is
28 connected with the performance of the work.

1 9. INSURANCE. Prior to commencement of work, and as a condition
2 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence
3 of all insurance required in the Contract Documents.

4 In addition, Contractor shall complete and deliver to City the form
5 (“Information Sheet”) attached as Exhibit “C” and incorporated by reference, to comply
6 with Labor Code Section 2810.

7 10. WORK DAY. Contractor shall comply with Sections 1810 through
8 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a
9 penalty to City, the sum of Twenty-five Dollars (\$25) for each worker employed by
10 Contractor or any subcontractor for each calendar day such worker is required or
11 permitted to work more than eight (8) hours unless that worker receives compensation in
12 accordance with Section 1815.

13 11. PREVAILING WAGE RATES. Contractor is directed to the
14 prevailing wage rates. Contractor shall forfeit, as a penalty to the City, Fifty Dollars (\$50)
15 for each laborer, worker or mechanic employed for each calendar day, or portion thereof,
16 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any
17 work done by Contractor, or any subcontractor, under this Contract.

18 12. COORDINATION WITH GOVERNMENTAL REGULATIONS.

19 A. If the work is terminated pursuant to an order of any Federal
20 or State authority, Contractor shall accept as full and complete compensation
21 under this Contract such amount of money as will equal the product of multiplying
22 the Contract price stated herein by the percentage of work completed by
23 Contractor as of the date of such termination, and for which Contractor has not
24 been paid. If the work is so terminated, the City Engineer, after consultation with
25 Contractor, shall determine the percentage of work completed and the
26 determination of the City Engineer shall be final.

27 B. If Contractor is prevented, in any manner, from strict
28 compliance with the Plans and Specifications due to any Federal or State law, rule

1 or regulation, in addition to all other rights and remedies reserved to the parties
2 City may by resolution of the City Council suspend performance hereunder until
3 the cause of disability is removed, extend the time for performance, make changes
4 in the character of the work or materials, or terminate this Contract without liability
5 to either party.

6 13. NOTICES.

7 A. Any notice required hereunder shall be in writing and
8 personally delivered or deposited in the U.S. Postal Service, first class, postage
9 prepaid, to Contractor at the address first stated herein, and to the City at 333
10 West Ocean Boulevard, Long Beach, California 90802, Attn: City Manager. Notice
11 of change of address shall be given in the same manner as stated herein for other
12 notices. Notice shall be deemed given on the date deposited in the mail or on the
13 date personal delivery is made, whichever first occurs.

14 B. Except for stop notices and claims made under the Labor
15 Code, City will notify Contractor when City receives any third party claims relating
16 to this Contract in accordance with Section 9201 of the Public Contract Code.

17 14. BONDS. Contractor shall, simultaneously with the execution of this
18 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the
19 form attached hereto and in the amount specified therein, conditioned upon the faithful
20 performance of this Contract by Contractor, and a good and sufficient corporate surety
21 bond, in the form attached hereto and in the amount specified therein, conditioned upon
22 the payment of all labor and material claims incurred in connection with this Contract.

23 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor
24 any of the moneys that may become due Contractor hereunder may be assigned by
25 Contractor without the written consent of City first had and obtained, nor will City
26 recognize any subcontractor as such, and all persons engaged in the work of
27 construction will be considered as independent contractors or agents of Contractor and
28 will be held directly responsible to Contractor.

1 16. CERTIFIED PAYROLL RECORDS.

2 A. Contractor shall keep and shall cause each subcontractor
3 performing any portion of the work under this Contract to keep an accurate payroll
4 record, showing the name, address, social security number, work classification,
5 straight time and overtime hours worked each day and week, and the actual per
6 diem wages paid to each journeyman, apprentice, worker, or other employee
7 employed by Contractor or subcontractor in connection with the work, all in
8 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such
9 payroll records for Contractor and all subcontractors shall be certified and shall be
10 available for inspection at all reasonable hours at the principal office of Contractor
11 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure
12 to furnish such records to City in the manner provided herein for notices shall
13 entitle City to withhold the penalty prescribed by law from progress payments due
14 to Contractor.

15 B. Upon completion of the work, Contractor shall submit to the
16 City certified payroll records for Contractor and all subcontractors performing any
17 portion of the work under this Contract. Certified payroll records for Contractor
18 and all subcontractors shall be maintained during the course of the work and shall
19 be kept by Contractor for up to three (3) years after completion of the work.

20 C. The foregoing is in addition to, and not in lieu of, any other
21 requirements or obligations established and imposed by any department of the
22 City with regard to submission and retention of certified payroll records for
23 Contractor and subcontractors.

24 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to
25 the contrary in the Standard Specifications, Contractor shall have the responsibility, care
26 and custody of the work. If any loss or damage occurs to the work that is not covered by
27 collectible commercial insurance, excluding loss or damage caused by earthquake or
28 flood or the negligence or willful misconduct of City, then Contractor shall immediately

1 make the City whole for any such loss or pay for any damage. If Contractor fails or
2 refuses to make the City whole or pay, then City may do so and the cost and expense of
3 doing so shall be deducted from the amount due Contractor from City hereunder.

4 18. CONTINUATION. Termination or expiration of this Contract shall not
5 terminate the rights or liabilities of either party which rights or liabilities accrued or existed
6 prior to termination or expiration of this Contract.

7 19. TAXES AND TAX REPORTING.

8 A. As required by federal and state law, City is obligated to report
9 the payment of compensation to Contractor on Form 1099-Misc. and Contractor
10 acknowledges that Contractor is not entitled to payment under this Contract until it
11 has provided its Employer Identification Number to City. Contractor shall be solely
12 responsible for payment of all federal and state taxes resulting from payments
13 under this Contract.

14 B. Contractor shall cooperate with City in all matters relating to
15 taxation and the collection of taxes, particularly with respect to the self-accrual of

22 of Equalization for the Work site. "Qualified" means that the Contractor purchased
23 at least \$500,000 in tangible personal property that was subject to sales or use tax
24 in the previous calendar year.

25 C. In completing the form and obtaining the permit(s), Contractor
26 shall use the address of the Work site as its business address and may use any
27 address for its mailing address. Copies of the form and permit(s) shall also be
28 delivered to the City Engineer. The form must be submitted and the permit(s)

1 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not
2 order any materials or equipment over \$100,000 from vendors outside California
3 until the form is submitted and the permit(s) obtained and, if Contractor does so, it
4 shall be a material breach of this Contract. In addition, Contractor shall make all
5 purchases from the Long Beach sales office of its vendors if those vendors have a
6 Long Beach office and all purchases made by Contractor under this Contract
7 which are subject to use tax of \$500,000 or more shall be allocated to the City of

15 officials or employees in any advertising or solicitation for business, nor as a reference,
16 without the prior approval of the City Manager, City Engineer or designee.

17 21. AUDIT. If payment of any part of the consideration for this Contract
18 is made with federal, state or county funds and a condition to the use of those funds by
19 City is a requirement that City render an accounting or otherwise account for said funds,
20 then City shall have the right at all reasonable times to examine, audit, inspect, review,
21 extract information from, and copy all books, records, accounts and other information
22 relating to this Contract.

23 22. NO PECULIAR RISK. Contractor acknowledges and agrees that the
24 work to be performed hereunder does not constitute a peculiar risk of bodily harm and
25 that no special precautions are required to perform said work.

26 23. THIRD PARTY BENEFICIARY. This Contract is intended by the

28 entered for the purpose of creating any benefit or right of any kind for any person or entity

1 that is not a party to this Contract.

2 24. SUBCONTRACTORS. Contractor agrees to and shall bind every
3 subcontractor to the terms of this Contract; provided, however, that nothing herein shall
4 create any obligation on the part of City to pay any subcontractor except in accordance
5 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply
6 with this Section shall be deemed a material breach of this Contract. A list of
7 subcontractor(s) submitted by Contractor in compliance with Public Contract Code

17 construed pursuant to the laws of the State of California (except those provisions of
18 California law pertaining to conflicts of laws).

19 27. INTEGRATION. This Contract, including the Contract Documents
20 identified in Section 3 hereof, constitutes the entire understanding between the parties
21 and supersedes all other agreements, oral or written, with respect to the subject matter
22 herein.

23 28. COSTS. If there is any legal proceeding between the parties to
24 enforce or interpret this Contract or to protect or establish any rights or remedies
25 hereunder, the prevailing party shall be entitled to its costs, including reasonable
26 attorney's fees.

27 29. NONDISCRIMINATION. In connection with performance of this
28 Contract and subject to federal laws, rules and regulations, Contractor shall not

1 discriminate in employment or in the performance of this Contract on the basis of race,
2 religion, national origin, color, age, sex, sexual orientation, gender identity, AIDS, HIV
3 status, handicap or disability. It is the policy of the City to encourage the participation of
4 Disadvantaged, Minority and Women-Owned Business Enterprises, and the City

***FIDELITY AND DEPOSIT COMPANY OF MARYLAND
THIS CONDITION OF THIS OBLIGATION IS SUCH THAT: 801 NO. BRAND BLVD, GLENDALE, CA. 91203

USE TAX DIRECT PAYMENT PERMIT (General Information and Filing Instructions)

Revenue and Taxation Code Section 7051.3 authorizes the State Board of Equalization to issue a "Use Tax Direct Payment Permit" to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of Section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a use tax direct payment exemption certificate which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a use tax direct payment permit, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
 - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
 - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed use tax direct payment application, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a use tax direct payment permit and exemption certificate will be mailed to the applicant.

If you would like additional information regarding the use tax direct payment permit or need assistance in completing this application, you can call (916) 324-2883, or write to the Board of Equalization, Public Information and Administration Section, MIC-44, PO Box 942879, Sacramento, CA 94279-0044.

Use Tax Direct Payment Exemption Certificate

I hereby certify that I hold use tax direct payment permit No. _____ issued pursuant to California Sales and Use Tax Law Section 7051.3 and that I am authorized to report and pay directly to the State the applicable use tax with respect to the property described herein which I shall purchase from:

(Name of Vendor)

(Address of Vendor)

In the event that I fail to timely report and pay the applicable tax to the State, I understand and agree that in addition to the tax liability, I will be liable for applicable interest and the amount due may be subject to penalties.

Description of property to be purchased:

Purchaser: _____ Date certificate given: _____

Signature and Title of Purchaser or Authorized Agent: _____

IMPORTANT NOTICE TO VENDORS

This exemption certificate when timely taken in good faith from a person who holds a use tax direct payment permit relieves a vendor from the requirement to collect and remit USE TAX on sales or leases of tangible personal property (other than leases of motor vehicles subject to the terms of Section 7205.1 of the Sales and Use Tax Law) to the person who issued the certificate. It does NOT relieve a vendor of any SALES TAX obligations. Generally, this certificate should be accepted only by out-of-state vendors or by lessors of tangible personal property other than motor vehicle lessors. Sellers can claim a deduction on their sales and use tax returns for any sales made under this certificate.

Vendors must retain a completed copy of this certificate in their files for a period of not less than four years to substantiate the exempt status of sales made under its authority.

This Exemption Certificate has been approved by the California State Board of Equalization.
