Subject: City Council Meeting Request

-EXTERNAL-

I own Spectrum, friends of the LB County Clerk, as well as Shenanigans in Shoreline Village along with my partners Cathy and Theresa Roszczewski. We have lost substantial revenue (over 20% in most cases) like lunch crowds that use to come by from the offices, now they stop and eat at the trucks and save the extra 15 minutes of walk time. Plus no where to park when it is busy as the trucks take up 2-3 spots ALWAYS and 20 trucks a day park there on Shoreline Drive. The City of Long Beach is missing out on a lot of tax revenue now!!!!!! Also, our employees are taking a big loss of tip revenue and of course the owners are really hurting at lunch maybe as much as 50% reduction in customers of some lunch days.
