RECOMMENDATION:

To receive and file a report on the recycling grant awarded to the Long Beach Conservation Corps by the Coca-Cola Foundation to improve recycling participation in coordination with the City's Public Works Department.

DISCUSSION:

The Coca-Cola Foundation has awarded the Long Beach Conservation Corps \$250,000 to improve recycling participation. In addition, the Corps will be partnering with Long Beach Environmental Services Bureau on a door-to-door recycling awareness program on how and where to recycle household items.

FISCAL IMPACT:

There is no fiscal impact.
