Subject: permit hearing 5646 Paramount Blvd Shamrock Hospitality Group

I am sending this in response to the notice of public hearing on 9/18/18. I reside east of the Muldoons bar at 5646 Paramount. Please deny the permit. In the recent past when they had entertainment before and after closing, parties have been held on the street 56th Way, and on the end of peoples driveway when bar has closed. It is evident as the bottles and cans dumped on the street. Loud talking on the street and or parking lot disturbs everyone's sleep. There is already a lack of parking on our street due to the large apartments on the other side of Paramount blvd persons leaving their cars over the weekend on our street.. The homes on the south side of 56th Way get bombarded by the music till the bar closes. Car alarms from bar patrons go on and on as foot traffic trips them. My spouse returns from work at about 1 to 2 am and has found several parties in our driveway.

NO NO NO to any additional permits.
