

11/5/2019 UPDATE TO GOOD LBPD CHIEF LUNA

FYI...will update @ Council Meeting the imperative of the concept set forth circa two weeks ago  
Re turning to paradigm @ Camp Pendleton. The imperatives of such-were brought into sharp-  
VERY SHARP FOCUS during the opening of the Blue Line-in view of this individual who has been a  
Passenger on all MTA rail lines since 1975!!!!

Clearly the ENHANCED DRUG CULTURE/CRIME WHICH ENVELOPES THE SYSTEM combined with  
Increasing homeless which off load into Long Beach—warrant Federal Intervention>
