Available Admin Fee Fund Balance includes funds from a \$2,900,000 loan from the City to the Housing Authority in 2004. Excluding these funds, the unreserved admin fee operating reserve at 4/30/09 is \$201,771. There is net loss for the current year in the amount of (\$3,821,972), which includes interest earned on HUD advances not utilized for FY05 - FY09 of \$149,100 plus a reduction of HAP funding in the amount of (\$4,540,772). These funds plus prior year HAP reserves of \$12,780,375 are reserved for future HAP payments and may be subject to recapture. The net HAP restricted fund balance at 4/30/09 is \$8,388,703. It is HUD's policy that the Housing Authority may use the restricted HAP reserves to pay for any excess HAP expenses over and above the amount of HAP subsidy received from HUD and since HUD had over-funded in prior years, they will be under-funding the Housing Authority in this fiscal year so that the HAP reserves can be utilized. The current fiscal year administrative fee net income is \$569,700, which is calculated by subtracting administrative expenses from the total administrative fees earned by HUD.
