Subject: Item 11: Draft 2008-2014 Housing Element of the General Plan

On October 2, 2008, the Planning Commission reviewed the Draft 2008-2014 Housing Element of the General Plan. The Commission recommended forwarding the document to the City Council with the following two policies added:

1. Through the LB2030 General Plan Update process, evaluate the proposed future distribution of housing units throughout the City in terms of how the plan promotes an economically, environmentally and socially equitable community; and, explore the transitions between the land uses along the City's primary mobility corridors and the land uses directly behind them. (add as Policy 4.10 on page V-17)
2. Continue to look for permanent, long-term, stable funding sources for the City's Housing Trust Fund. (add as Policy 2.8 on page V-15)
