§202. Use of Grant Funds

- A. Subrecipient and the County of Los Angeles have previously completed a mutually approved program narrative, for the EMPG FY 2013 Grant, which has been approved by the California Governor's Office of Emergency Services, hereafter Cal OES. This information is contained in a copy of both the final grant

application to Cal OES, and the award letter from Cal OES, attached hereto as Exhibit E and made a part hereof.

Any request by Subrecipient to modify the program narrative must be made in writing with the appropriate justification and submitted to County for approval. If during the County's review process, additional information or documentation is required, the Subrecipient will have ten (10) business days to comply with the request. If the Subrecipient does not respond, CEO will issue a letter indicating that the requested modification will be denied. Modifications must be approved in writing by the County of Los Angeles and Cal OES during the term of this Agreement. Upon approval, all other terms of this Agreement will remain in effect.

Subrecipient shall utilize grant funds in accordance with all Federal regulations and State guidelines.

- B. Subrecipient agrees that grant funds awarded will be used to supplement existing funds for program activities, and will not supplant (replace) non-Federal funds.
- C. Subrecipient shall review the Federal Debarment Listing at <http://www.epls.gov/epls/search> prior to the purchase of equipment or services to ensure the intended vendor is not listed and also maintain documentation that the list was verified.

Said monitoring will include, at a minimum, one on-site visit during the term of this Agreement. County will provide a minimum of ten working days' advance notice of said on-site visit, if possible.

2. Subrecipient shall make Equipment available for use on other like projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency.
3. An equipment ledger shall be maintained listing each item of equipment acquired with EMPG funds. The equipment ledger must be kept up to date at all times. Any changes shall be recorded in the Ledger within ten (10) business days and the updated ledger is to be forwarded to the CEO.

The equipment ledger shall include: (a) description of the item of Equipment, (b) manufacturer's model and serial number, (c) Federal stock number, national stock number, or other identification number; (d) the fund source/grant year of acquisition of the Equipment, including the award number, (e) date of acquisition; (f) the per unit acquisition cost of the Equipment, (g) location and condition of Equipment and (h) disposition data, including date and sale price, if applicable. for the purchase of personnel services, exercises, training, planning, equipment and operating expenses as described in Section II of this Agreement. The grant amount represents the amount allocated to Subrecipient in FY 2013.

- B. Subrecipient shall submit invoices to the County of Los Angeles Chief Executive Office requesting payment on a quarterly basis, following costs being incurred and paid, and the required supporting documentation being available. Said timeframe should be within fifteen (15) days of the end of each quarter and/or prescribed due dates by CEO and/or Cal OES. Each reimbursement request shall be accompanied by the Reimbursement Request Checklist and Form (attached hereto as Exhibit F). All appropriate back-up documentation must be attached to the reimbursement form, including invoices, proof of payment and packing slips.

- C. County may, at its discretion, and with Cal OES approval, reallocate unexpended grant funds to another Subrecipient. Said reallocation may occur upon completion of an approved project, or by notification to County by Subrecipient that a portion of the grant funds identified in §301 A., above, will not be utilized. Notwithstanding the provisions of §503, below, any increase or decrease in the grant amount specified in §301 A., above, shall not require a written amendment to this Agreement.
- D. Payment of the final invoice shall be withheld by the County of Los Angeles until the County has determined that Subrecipient has turned in all supporting documentation and completed the requirements of this Agreement.
- E. It is understood that the County of Los Angeles makes no commitment to fund this Agreement beyond the terms set forth herein. Reimbursement is dependent on State approval of the reimbursement claim and providing reimbursement funds to the County of Los Angeles for the Subrecipient.
- F.
 1. County's obligation is payable only from funds appropriated for the purpose of this Agreement. All funds for payments after the end of the current fiscal year are subject to Federal, State or County's legislative appropriation for this purpose.  2. County shall make a good-faith effort to notify Subrecipient, in writing, of such non-appropriation at the earliest time.

Each party's performance hereunder shall comply with all applicable laws of the United States of America, the State of California, and the County of Los Angeles. This Agreement shall be enforced and interpreted under the laws of the United States of America, the State of California and the County of Los Angeles.

Applicable Federal or State requirements that are more restrictive shall be followed.

§403. Integrated Agreement

This Agreement sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous agreements or understandings, whether written or oral, relating thereto. This Agreement may be amended only as provided for herein.

§404. Breach

If any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

Each of the parties to this Agreement is a public entity. This indemnity provision is written in contemplation of the provisions of Section 895.2 of the Government Code of the State of California, which impose certain tort liability jointly upon public entities, solely by reason of such entities being parties to an agreement, and the parties agree that this indemnity provision shall apply and shall be enforceable regardless of whether Section 895 et seq. is deemed to apply to this Agreement. The parties hereto, as between themselves, consistent with the authorization contained in Government Code Sections 895.4 and 895.6 agree to each assume the full liability imposed upon it or upon any of its officers, agents, or employees by law, for injury caused by a negligent or wrongful act or omission occurring in the performance of this Agreement, to the same extent that such liability would be imposed in the absence of Government Code Section 895.2. To achieve the above-stated purpose, each party agrees to indemnify and hold harmless the other party for any liability arising out of its own negligent acts or omissions in the performance of this Agreement (i.e., the Subrecipient agrees to indemnify and hold harmless the County of Los Angeles for liability arising out of the Subrecipient's negligent or wrongful acts or omissions and the County of Los Angeles agrees to indemnify and hold harmless the Subrecipient for liability arising out of the County of Los Angeles' negligent or wrongful acts or omissions). party for liability that is imposed on the other party solely by virtue of Government Code Section 895.2. INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
