2. (18-0925) Recommendation to receive supporting documentation into the record, conclude the public hearing, and adopt resolution continuing the Bixby Knolls Parking and Business Improvement Area assessment for the period of October 1, 2018 through September 30, 2019; and, authorize City Manager, or designee, to extend the agreement with the Bixby Knolls Business Improvement Association for a one-year term. (Districts 7,8)	Rae Gabelich	hoorae1@aol.com			Long Beach	California	90805	The city management, as well as District 7 & 8 council members have known for several years that the BKBIA's RDA contract would run out in the near future. Why have you not found the dollars or the method (not parking meters) to keep the BIA afloat? Without the city support the BKBIA will return to the early days of 2004. No retail, no traffic and no services that bring our community together! What are you waiting for? Your support across the city is important!	10/19/2018
5. (18-0927) Recommendation to approve the destruction of records for the Department of Development Services, Administration Services Bureau; and adopt resolution.	Anne Proffit	anne@highpowermedia.com						NO DESTRUCTION OF ANY RECORDS, ESPECIALLY THOSE EXECUTED BY AMY BODEK	10/22/2018
6. (18-0928) Recommendation to approve the destruction of records for the Legislative Department, Office of the Mayor; and adopt resolution.	Anne Proffit	anne@highpowermedia.com						NO DESTRUCTION OF ANY RECORDS. PERIOD.	10/22/2018
29. (18-0950) Recommendation to receive and file the Parking Study for Downtown and Alamitos Beach. (Districts 1,2)	Anne Proffit	anne@highpowermedia.com						NO RECEIVE AND FILE SO THAT YOU CAN FORGET ABOUT PARKING - AGAIN AND AGAIN AND AGAIN. THE PEOPLE OF THIS CITY DESERVE TO BE HEARD AND YOU ARE NOT ABOVE US. WE NEED A PARKING PLAN; RECEIVE AND FILE DOESN'T CUT IT. MUST YOU BE SUED BY ANOTHER ENTITY - beyond the TAPS lawsuit - TO GET YOU TO DO YOUR JOBS???	10/22/2018
29. (18-0950) Recommendation to receive and file the Parking Study for Downtown and Alamitos Beach. (Districts 1,2)	Debora Dobias	debbidob@gmail.com						Council, make sure you read our email before you vote on this. taps@LBparking.com The staff report isn't accurate. Your vote could end the contract for the study, wasting the opportunity to get an evaluation of how much parking is needed in the new buildings and to get that eval within the cost of the study! Get the study session on parking that you and the Planning Commission have requested in the past. We asked to postpone because the settlement requires more notice of this meeting.	10/22/2018
