ORDINANCE NO. ORD-09-0017

AN ORDINANCE OF THE CITY COUNCIL OF THE
CITY OF LONG BEACH AMENDING THE LONG BEACH
MUNICIPAL CODE BY ADDING CHAPTER 5.59 RELATING
TO THE REGULATION OF MORTGAGE MODIFICATION
CONSULTANTS

WHEREAS, there is an unprecedented number of homeowners in the City of Long Beach threatened with foreclosure. At the same time, there is an unprecedented effort on the part of various governmental entities and lenders to encourage lenders and borrowers to attempt to modify home mortgages in order to make such loans more affordable and to lessen, if not prevent, the possibility of foreclosure.

WHEREAS, certain individuals preying on homeowners threatened with foreclosure falsely promise to assist with the modification of mortgages in exchange for advance payment and provide no written contract for their services, thus compromising a homeowner's attempt to sue for breach of contract when fraud occurs. California state law currently regulates the activities of individuals or entities who offer to arrange for services purporting to cure mortgage defaults after a property is in foreclosure, but there exists no current state or City regulation of people or entities that offer or provide such services prior to the recording of a Notice of Default in a foreclosure action.

WHEREAS, it is in the public interest that the activities of those who promise to prevent foreclosures or attempt to seek loan modifications be regulated. Furthermore, in order to protect homeowners from the actions of unscrupulous people who falsely promise to attempt to prevent foreclosures, remedies must be provided where unlawful activity has occurred.

WHEREAS, the City of Long Beach as a home rule charter city has the right and power to make and enforce all laws and regulations that are its municipal affair,

OFFICE OF THE CITY ATTORNEY
ROBERT E. SHANNON, City Attorney
333 West Ocean Boulevard, 11th Floor
Long Beach, CA 90802-4664

1 including the power to regulate business practices to promote the health, morals, safety,
2 property, good order, well-being, general prosperity or general welfare of Long Beach
3 citizens;

4 WHEREAS, predatory loan modification practices are a widespread,
5 significant and growing problem in the City of Long Beach, and threaten the well-being
6 and general prosperity of Long Beach residents and the City as a whole. Predatory loan
7 modification practices are a significant economic drain on lower-income families and
8 communities in the City. Predatory loan modification practices also lead to conditions of
9 blight and the loss of affordable housing in Long Beach, increase displacement and
10 economic dislocation, reduce property values, erode the tax base, and increase the strain
11 on City services;

12 WHEREAS, because of socioeconomic and market conditions in Long
13 Beach which give rise to predatory loan modification practices, the regulation of said
14 practices is a municipal affair and a matter of unique local interest and concern for the
15 City of Long Beach;

16 WHEREAS, the regulation of home mortgage modification practices by the
17 City to prevent predatory practices serves the public interest, is necessary to protect the
18 health, morals, safety, property, general welfare, well being and prosperity of the
19 residents of Long Beach, and is within the home rule powers and police powers of the
20 City.

21 NOW, THEREFORE, the City Council of the City of Long Beach ordains as
22 follows:

23 Section 1. The Long Beach Municipal Code is amended by adding Chapter
24 5.59 to read as follows:
