GUIDELINES FOR BILLING

In addition to the provisions stated in the Agreement, the following guidelines for billing apply:

1. The City expects each individual working on the Matter to have the necessary experience to perform the Services required to protect or pursue the City's interests in the Matter in a cost effective manner.

2. The City expects Special Counsel to select the individual most suitable for the task required and the specific needs of the Matter, and to use the maximum efficiencies available. Billings for services performed by the inappropriate level of personnel will be reduced by the City based on rate adjustments for the appropriate level of personnel.

3. The City Attorney or designee may request a written budget and timeline for the Matter. The budget shall include all projected fees and costs to be incurred by Special Counsel for the Matter, commencing on the date that Special Counsel receives the request. The budget and timeline shall include the specific tasks to be performed (including such things as discovery and motions for trial, preparation of documents for transactional services, and anticipated research and investigations). Special Counsel shall identify the projected total hours that will be billed and who will be performing those hours of service, plus fees and costs for each task. The budget and timeline shall be a good faith estimate and as complete as possible. Any deviation from the budget and any deviation over 10% on any task identified in the budget must be discussed in advance with the City Attorney, or designee, and the billing related to that task is subject to adjustment so as to conform to the budget.

In addition, the City Attorney or designee may request a written budget and timeline similar to the one described above, but relating specifically to one or more tasks necessary to the Matter.

///

1 If the billings of Special Counsel are approaching the "not to exceed"
2 amount shown in Section 3 of the Agreement, then Special Counsel shall submit, in
3 writing to the City Attorney or designee, the reasons why additional funds will be
4 required to complete the Services. Special Counsel is cautioned that the City cannot
5 pay invoices which reflect fees over the "not to exceed" amount in Section 3 of the
6 Agreement.

7 4. The City will not pay for unnecessary review of texts, codes, rules of
8 court, or other fundamental references. The City will pay the hourly rate for specific
9 legal research which is unique to the Matter, assuming that Special Counsel has used
10 maximum efficiencies and that Special Counsel has not already performed research in
11 the same or similar areas of law.

12 5. The City acknowledges the benefit of communications between
13 attorneys in the firm. The City does, however, expect that intra-office conferences will
14 only be held as needed, and will be kept to a minimum. Intra-office conferences shall
15 be for the purpose of discussing strategy and legal issues which directly further the
16 Matter. The City will not pay for conferences which are supervisory or instructional
17 (including conferences regarding case management). Any invoice which lists an intra-
18 office conference that exceeds these guidelines must contain a full explanation and is
19 subject to reduction by the City. The City will not pay for "team meetings" and the City
20 will scrutinize all intra-office conferences for "value added" to the Matter by the intra-
21 office conference, for the number of individuals attending the intra-office conference,
22 the length of the conference, the subject(s) discussed at the conference and who
23 participated in it and will, in the City's sole discretion, determine if such value was
24 added.

25 6. The City will not pay for local telephone calls; incoming facsimiles;
26 postage; time spent on filing, calendaring, indexing pleadings, and photocopying;
27 conferences with Clerks of Court or court reporters; proofreading; re-drafting due to
28 substandard work; time billed by summer associates; time for more than one individual

1 at a trial, hearing, court appearance, arbitration, mediation, deposition, third party
2 meeting, conference call or similar event (unless approved in advance by the City);
3 opening, closing or organizing files; or other similar tasks.

4 7. Vague billing which does not contain sufficient information to allow the
5 City's reviewer of the invoice to determine the nature of the task, the reason for the task
6 and the individual performing the task is subject to reduction by the City. Examples of
7 vague billing include but are not limited to the following: Attention to Matter, Review
8 case and issues, Conference, Review correspondence, Arrangements, Telephone call,
9 Discovery, Trial Preparation, Meeting, Update strategy, Motion work, Work on case or
10 project, Pleadings, Work on file or discovery, Prepare for "xxxx", Review documents,
11 Legal Research or analysis.

12 8. All Services billed by attorneys and paralegals must be actual legal
13 services requiring the expertise of a legal provider. The City will not pay for more than
14 eight (8) hours of Services per day without a detailed explanation of the need for time
15 over eight hours and may reduce the invoice if the explanation is unsatisfactory, in the
16 City's sole discretion.

17 9. The City will reimburse for facsimiles sent by but not received by
18 Special Counsel and photocopies made at a rate not to exceed ~~\$.12~~ per page; the
19 number of pages of facsimiles and to whom they were sent, and the number of pages
20 of photocopies made must appear on the invoice. Special Counsel shall limit the
21 making of photocopies and the sending of facsimiles. The City will reimburse actual
22 costs for computerized legal research if it is reasonable and necessary; however, these
23 charges are subject to review by the City.

24 10. The City will not reimburse for overtime, word processing (document
25 production), supplies, anything identified on an invoice as "miscellaneous", or any other
26 unidentified charges.

27 11. Special Counsel shall normally use the U.S. Mail and regular attorney
28 services to send and to file papers and other materials. The City reserves the right to

\$.19 (Per RIT's
addendum)
MFS

1 reduce excessive charges for messengers and Federal Express or other similar
2 services which are not fully explained or which are not necessary, in the City's
3 determination.

4 12. A. The City will reimburse travel costs of Special Counsel only as
5 described herein. Travel costs not addressed in these Guidelines are not reimbursable.
6 Travel costs must be reasonable. The City will not reimburse for travel by more than
7 one person of Special Counsel, unless approved in writing by the City Attorney or
8 designee in advance of such travel. The City will not reimburse for excess costs
9 caused by an indirect route chosen for Special Counsel's personal reasons

10 B. As used in these Guidelines, "local travel" means travel that is 100
11 miles or less from the office of Special Counsel or from his/her home. "Extended travel"
12 means travel that is more than 100 miles from the office of Special Counsel or from
13 his/her home.

14 C. The City will not reimburse for local travel. However, the City will
15 reimburse for the actual cost of parking that is necessitated by local travel. The City will
16 not reimburse for meals in connection with local travel. While Special Counsel is on
17 local travel, the City will pay ^{one-hundred (100%)} ~~forty~~ percent (50%) of the hourly rate of Special Counsel. ^{-per R's T's addendum}

18 D. The City must approve all extended travel in advance. The City will
19 reimburse fifty percent (50%) of the actual costs of extended travel, unless Special
20 Counsel can substantiate the need for full reimbursement. Special Counsel shall use
21 its best efforts to make airline reservations far enough in advance to take advantage of
22 reduced air fares and shall take advantage of other promotional air fares that reduce
23 costs. In any case, travel by air shall be at economy, coach, or other lower fare. The
24 City will not reimburse for travel insurance.

25 Special Counsel should use a rental car while on extended travel only
26 when necessary and when the cost of a rental car will be less than other forms of
27 ground transportation. If the use of a rental car meets the preceding criteria, then the
28 City will reimburse for a compact vehicle for one person, a mid-sized vehicle for two

1 persons, and a standard size vehicle for three or more persons. The City will not
2 reimburse for luxury vehicles, vans, or 4x4 vehicles.

3 The City will reimburse Special Counsel, while on extended travel, for the
4 reasonable, actual costs for meals, excluding the cost of alcoholic beverages, and for
5 lodging at hotels which are moderately priced for the locale, but will not reimburse for
6 laundry or movies.

7 E. Special Counsel shall submit a travel expense report on the City's form
8 after completing extended travel. Special Counsel shall submit receipts or other
9 evidence of payment relating to each item for which Special Counsel seeks
10 reimbursement.
