PUBLIC COMMENT:	Keith Odd	kdo94@hotmail.com				CA	90805	Agenda Item 15.The ordinance states that the money will be recoup by fees leverage on property owners but what happens if Itâ€™s not enough fees to cover their expenses? Will that increase the expected budget deficit later? How long will it take a 5 person board to evaluate the rent for each rental property or each unit of all property in LB? Also if the base rent is force back to 2016 rents how can owners afford to cover the costs of recent bond measures that have passed in the last few years?	3/20/2018
12. (18-0269) Recommendation to request City Manager to develop a free, voluntary bike registration program for Long Beach residents by partnering with Project 529, and develop an education campaign to inform residents of this service and the benefits of registering their bicycles.	Craig Bond	bondc007@yahoo.com				CA	90755	I love this idea! Enough of the blatant and rampant bike theft going on in plain sight in the LBC. Thanks for evaluating this proactive approach to the problem.	3/20/2018

14. (18-0271) Recommendation to support the 35th Annual Long Beach Lesbian & Gay Pride Festival and Parade by examining ways to reduce city and staffing fees pertaining to the event, and report back to City Council within 30 days.	Maria Uloa	info@flawlessent.club				CA	90001	Greetings! My name is Maria Uloa. I am an ex board member of LBLGP. As an ex member, I have insight of the daily operations of LBLGP. I have witnessed friends of the executive committee members become vendors. Some of these vendors get paid thousands of dollars in cash for entertainers and avoid paying taxes. I do not recommend a reduction in fees from the city. At least not until LBLGP is : (please read continuation on 2nd comment)	3/17/2018

Maria Flawless	flawlessent323@aol.com						(Continuation of comment #1) 1- Is audited. 2- Their current executive membership changes. 3- They provide the current membership with over due Sexual Harrassment prevention training. 4- They live scan the entire current membership. LBLGP should be asking their vendor friends for a reduction, not the city. Thank you for taking the time to read my comment/concern.  Sincerely, Maria Uloa	3/17/2018

15. (18-0272) Recommendation to request City Manager, or designee, and City Attorney, or designee, to review questions regarding a proposed Long Beach ordinance to enact rent control, a rent board and eviction limitations and report back to city council on April 17, 2018 with responses.	Keith Odd	kdo94@hotmail.com				CA	90805	I am a concern D9 resident and I have a few questions to add. Will the people who put forth the ordinance be allowed to sit on the proposed rental housing board? If they are will it circumvented the normal city hiring process by creating positions for those who supported ordinance and get paid out the city's general fund.	3/19/2018
