

AUGUST 7, 2018 - BUDGET HEARING
Questions/Follow-Up Items
City Manager Proposed Budget

Request/Question	Response or Follow Up/Next Steps
Will information regarding the Police Department's Body Worn Camera Program be included in a budget presentation?	The Police Department will be prepared to discuss this further in their presentation to the City Council on August 14, 2018.
In the Police Department, in what areas are the downgrades of the Sergeant and Lieutenant?	The Police Department will be prepared to discuss this further in their presentation to the City Council on August 14, 2018.
In Development Services Department, where will the Combination Building Inspector positions be added?	A Senior Combination Building Inspector and a Combination Building Inspector will be added in the Building and Safety Bureau in the FY19 Proposed Budget. This is further described and listed on page CM 8 (CM Message), CM 51 (Attachment D) and 185 (Development Service Chapter).
Please explain the significant funding for youth workforce development particularly around internships, what the City does and is available.	A separate TFF will be forthcoming to address this topic.
