Subject: Pitchwood Animal Shelter budget

-EXTERNAL-

Please increase budget for Pitchwood Animal Shelter. The current \$400,000 is not enough to take care of the issue. There are hundreds of animals with no room at the shelter, many are turned away. They are releasing healthy cats into the neighborhoods. There is only 1 clerk for the entire shelter. There is 16 million budget for next year. Please increase budget for the animal shelter to the promised \$1.4 million. Those animals need your help!

Sincerely,
