HONORABLE MAYOR AND CITY COUNCIL  
City of Long Beach  
California

## RECOMMENDATION:

Receive the supporting documentation into the record, conclude the hearing, and grant an Entertainment Permit with conditions on the application of Venus Entertainment, Inc., dba Uptown Bar and Grill, 2421 E. Artesia Blvd., for entertainment without dancing. (District 9)

## DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit (Permit) is granted or denied.

The LBMC also requires the City Council to approve the issuance of the Permit if they find that: the issuance of the Permit at the proposed location is consistent with federal, state and local laws, rules, and regulations; it will not constitute an undue burden on the neighborhood; the applicant(s) or responsible persons have not been convicted of any misdemeanor involving moral turpitude or felony offense within the past five years; and, neither the applicant(s) or any responsible persons have a history of committing significant violations of the City code and have not provided false or misleading information on their application.

The City Council has the authority to approve the following options: 1) grant the Permit, with or without conditions; or 2) deny the Permit on the application. Once the Permit is granted, pursuant to LBMC 5.72.120.5, the Permit will be subject to an administrative review by the Financial Management Department every two years. This review process will consist of a multi-department analysis to determine compliance and identify if issues exist. This provision does not affect the City's ability to modify, revoke or suspend a permit at any time.

City departments have conducted their investigations in accordance with the LBMC. Attached for your review are the departmental investigative reports, history, entertainment permit application, and floor plan. To review entertainment forms online, you may visit <http://www.longbeach.gov/finance/services-and-permits/entertainment-permit>.

The following summarizes departmental findings:

- The Police Department recommends the permit for entertainment without dancing be approved subject to the conditions.
- The Fire Department finds the building/location meets department requirements for the proposed use.
- The Health and Human Services Department finds the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Development Services Department finds the building/location meets department requirements for the proposed use.

The Financial Management Department, Business Services Bureau, has reviewed all submitted department documents and correspondence and, after a thorough investigative process, recommends that the permit for entertainment without dancing be approved subject to conditions (attached).

In the event that any of the recommended conditions are in conflict with other permits or licenses, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a Bar/Tavern/Lounge since December 2002. The business changed ownership to Venus Entertainment, Inc., in August 2010. Venus Entertainment, Inc. was operating under an adult entertainment permit until the license was surrendered in November 2011. This location has been operating as a Restaurant with Alcohol since February 2015.

This matter was reviewed by Deputy City Attorney Amy R. Webber on January 31, 2018.

## Recommended Conditions of Operation

Venus Entertainment, Inc. DBA Uptown Bar & Grill

2421 E. Artesia Blvd.

Application for Entertainment Without Dancing

The Department of Financial Management recommends **approval** of the Permit subject to the following conditions:

### I. STANDARD CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 5.72.115(B) LBMC shall be conducted on the permitted premises.
- 3) The establishment shall remain in compliance with all applicable sections of the Long Beach Noise Ordinance (LMBC Chapter 8.80).
- 4) This Entertainment Permit is accessory to the primary business. The authorization to provide entertainment on-site is subject to the use remaining a bona fide eating place serving actual and substantial meals.

"Meals" means the usual assortment of foods commonly ordered at various hours of the day; the service of such food only as sandwiches or salads shall not be deemed compliant with this requirement. Meals must consist of food prepared on the premises. Hours of sales of alcohol shall be limited to the hours when meals are available.

The premises must be equipped and maintained in good faith. The premises must possess working refrigeration, cooking equipment, utensils, menus, and enough food to make substantial meals.

In the event the primary business ceases operation, fails to operate as a bona fide eating place, fails to serve actual and substantial meals, or otherwise fails to comply with this condition, the Entertainment Permit becomes null and void.

- 5) Due to the proximity of neighboring businesses and residences, all door(s) and windows shall be kept closed at all times during any entertainment, except in cases of emergency and to permit deliveries. Said door(s) is not to consist solely of a screen or ventilated security door. **Sound shall not be audible beyond fifty feet (50') from the exterior of the premises in any direction. Outdoor amplified entertainment is prohibited.**

- 6) The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10:00 P.M. and 7:00 A.M.
- 7) Deliveries to and from the premises shall be limited to the hours of 8:00 A.M. to 10:00 P.M.
- 8) The permittee shall provide a minimum of one (1) uniformed security guard during all times that the entertainment activities are being conducted for crowds up to fifty (50) people. For crowds over fifty (50) people, the permittee shall provide a minimum of one (1) additional uniformed security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other visible form of identification. Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

- 9) The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by use of security guards and signage indicating words to the effect of, "Please respect our neighbors" or something similar.
- 10) At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the front of the establishment, the parking lot or the immediate area.
- 11) The permittee agrees to reimburse the City for all costs associated with excessive police services, as determined by the Chief of Police, required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
- 12) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request. (LBMC section 18.48.320).
- 13) Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the licensee, shall be removed or painted over within 24 hours of being applied.
- 14) The business, or agents, shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter.

The permittee shall keep all promoter contracts, including names, addresses, and phone numbers, on file at all times, and be available for inspection at any time.

- 15) The permittee shall not hire promoters with the intent to advertise/promote or hold any entertainment activities consistent with nightclub activities.
- 16) The permittee shall install and maintain a video surveillance system that monitors no less than the front and rear of the business with full view of the public right-of-ways and any parking lot under the control of the permittee. The video system must be capable of delineating on playback the activity and physical features of persons and areas within the premises. Recordings shall be retained for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras.
- 17) The permittee shall within ninety (90) days of an approved entertainment permit, submit proof of attending the LEAD program offered by the Department of Alcoholic Beverage Control. In the event that the LEAD program class is not offered within this ninety day period, the permittee shall attend the next available class. Proof of completion shall be submitted to the Long Beach Police Department Vice Investigations Section.
- 18) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances, and stated conditions. In the event of a conflict with the requirements of this permit, your conditional use permit, or your Alcoholic Beverage Control license, the more stringent regulation shall apply.

## II. ADDITIONAL CONDITIONS OF OPERATION

- 1) Entertainment activities indicated on page #9 of your entertainment application shall be restricted from 7:00 PM to 10:00 PM Sunday through Thursday, and from 8:00 PM to 11:00 PM Friday and Saturday.
- 2) The permittee is required to monitor the outside patio area for any nuisance activity that could disturb the surrounding neighbors. This shall be done by utilizing security guards or employees.
- 3) An identification card scanner shall be used for all patrons entering the establishment after 8:00 PM for the sole purposes of verifying patron age and/or authenticity of a patron's driver's license or identification card.
- 4) The permittee shall be responsible for maintaining free of litter the premises and the area adjacent to the licensed premises over which they have control. Alcoholic beverages shall not be consumed on any property adjacent to the premises.

- 5) Interior lighting shall be sufficient to make easily discernible the appearance and conduct of all persons and patrons inside the business.
- 6) The parking lot shall be equipped with lighting of sufficient power to illuminate and make easily discernible the appearance and conduct of all persons on or about the parking lot. The position of the lighting shall not disturb the normal privacy and use of any neighboring residences. If any trash, noise, or disturbance complaints are located in the parking lot and/or surrounding area of the business can be attributed to the operation of said business, the Long Beach Police Department can determine and impose requirements for security officer(s) to routinely monitor and handle these problems.

III. In the event that any of the recommended conditions attached to any permit or license is in conflict, the permittee shall adhere to the strictest of the applicable conditions. In addition, please be advised that your permit is subject to administrative review every two years from the date this permit is issued. If grounds exist for modification, revocation, or suspension of the permit, a hearing will be held.

**Date:** March 25, 2017

**To:** Sandy Palmer, Acting-Bureau Manager, Business Services Bureau

**From:** Robert G. Luna, Chief of Police

**Subject:** **APPLICATION FOR AN ENTERTAINMENT WITHOUT DANCING PERMIT AT THE UPTOWN BAR & GRILL – 2421 EAST ARTESIA BOULEVARD**

---

In response to your request for a recommendation regarding the above named permit application for Entertainment without Dancing, the Police Department recommends **approval** of an Entertainment without Dancing Permit, subject to the following twenty-eight (28) conditions:

Uptown Bar & Grill is located on Artesia Boulevard, between Cherry Avenue and Paramount Boulevard, in the City of Long Beach. Venus Entertainment Inc., dba Uptown Bar & Grill, is owned and operated by Mohan Makkar. This establishment was previously Platinum Showgirls owned by Venus Entertainment Inc., they surrendered their Adult Business License in November 2011.

On June 11, 2013, the City Council approved a type 47 (On Sale General- Eating Place) Alcoholic Beverage Control license. On January 12, 2017, Mohan Makkar applied for an Entertainment without Dancing Permit requesting outdoor entertainment, live music by more than two performers, amplified music (live), amplified music (recorded), a disc jockey and karaoke. The hours of entertainment will be Sunday- Thursday 7:00 PM-11:00 PM and Friday- Saturday 8:00 PM-midnight.

Based upon the crime analysis, Vice Section's investigation, and the North Division Patrol Commander's recommendation, the Long Beach Police Department has determined the public peace, safety, and welfare would not be adversely impacted by the issuance of this permit, provided the appropriate conditions are imposed and observed by the applicant. The Police Department recommends approval of an Entertainment without Dancing Permit.

**CONDITIONS OF OPERATION**

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 21.15.110 LBMC shall be conducted on the permitted premises.
